

How to Keep Cool

Is asked by every one during these summer days. The seaside and mountain retreats offer a solution of this question.

But none of these are complete unless you avail yourself first of the right kind of material to wear.

For our August offerings of requisites we have chosen exceptionally SUITABLE ARTICLES and recommend them for their Usefulness, Reasonable Price and Desirable Quality.

TO DRESS WELL AT MODERATE COST

Is a problem that must be faced by many.

Our Success

Has been largely due to the fact that we furnish goods in style and finish of the high-priced at a Low Cost.

In some parts of the borough there has never been such a scarcity of water as at present. The creeks are well dried up and many wells have been tried on accounts of the continued drought. At the Rymond shaft, dirt and breaker mine water has been used for a distance of weeks. A pipe has been connected with the main of the Archbald Water company at the Riverside store and an effort will be made to force water to the Rymond works.

On Friday night a number of boys entered the garden of John Linderman on South Main street and stole a quantity of fruit and damaged nearly all the vegetables. This is but one of many similar depredations that have been committed in that neighborhood recently, and it is only natural that people living there should expect protection from these midnight marauders. Attention has been called to this matter before, but the warnings have not been heeded. The parties who committed the latest theft are known and will be arrested.

Today the great regatta of the Press club takes place at Lake Ariel and it is expected that an immense crowd from this part of the valley will attend it. It will be, without doubt, the greatest amusement of the season and all who are interested in Archbald. The company has charge of the arrangements for the excursion in this part of the valley and they have made preparations to accommodate a large crowd. Tickets may be had at Monie's drug store and Jones, Stimpson & Co's store. The price is only \$1.

The school board met last evening. All the members were present. President Lally presided. The meeting was held principally for the purpose of assigning the teachers and fixing the salaries. The educational committee, to which these matters had been referred, reported that the members were unable to agree and the matter was laid over until a later meeting. The selection of janitors for the coming term provoked considerable discussion. It was finally decided to retain those of last year at the Ridge, Elizertown Creek and Third ward schools. As this matter takes up the selections for the other buildings had not been made.
