Thomas was arrested before Squire Munley and in default of \$500 bail was committed to the county jail. Delaware and Hudson Contractor William Hitead returned yesterday from a very successful fishing trip at Crystal Lake. He is distributing among his friends some of the large bass he caught. Constable Jonathan Venison, of the First ward, had an exciting experience at the Ridge yesterday, whether he went to assist Officer Sittes in arresting S. M. Phoenix, Mrs. Sara Phoenix, John S. Swan and his wife and Martin Fowler, who were pursuing a lighted joy-ride on Sunday, or whether he went to the highway and otherwise disturbing the peace of the community. When the two officers, accompanied by Louis Behie, went to arrest the pleasure seekers they were resisted and assaulted by a mob numbering the officers at least a hundred. Constable Venison was struck on the eye, and thinking his life in danger, he drew his revolver and shot one of the mob in the leg. The officers were obliged to beat a hasty retreat after a hard fight. They will make another effort to arrest the delinquents today. Three of the participants in Sunday's quarrel were committed to the county jail by Justice of the Peace Munley on Monday in default of bail. Through a wrong interpretation of the name, THE TRIBUNE representative yesterday stated that Miss Meta Shultz was seriously ill. This was, we are glad to say, an error. It was Mrs. G. M. Miss M. M. Manion, of Brownstown, was appointed to teach in the new school house to be erected at the Tannery. The junction granted J. E. Patterson & Co. to restrain the borough and Traction company from changing the grade of the track in front of their property on North Main street was returned in court at 10 yesterday, but owing to the absence from the city of Lawyer Halsey, attorney for the petitioners, the hearing was postponed.

SCROFULA 12 YEARS

Always Sore. Face Burned Like Fire. Ashamed to be Seen. Four Doctors but Little Benefit. Cured by CUTICURA.

For about ten or twelve years I have been troubled with scrofula. My head was always sore, my face was dry and scaly, and burned like fire most of the time. My body had big red spots on it, and I did not know what to do. I went to four different doctors and they all failed. At last, in the fall I got some again. I tried other remedies, but they did me no good. I was ashamed to go into public places. I was a sight to look at. Every one would say, "What is the matter, why don't you take something?" Even at my daily labor I had to wear a sort of cap to keep the dirt from getting into the sores. After I would wash, I would be covered with big red pimples all over my neck and face. Some two or three people advised me to try the CUTICURA. I did try it, and am glad I have done so. Glad to say I am a well man and in the best of health since. I cannot praise the CUTICURA enough too highly. I enclose my portrait.

Hood's Saved My Life

I Can Honestly Say This

"For years I was in a very serious condition with catarrh of the stomach, bowels and bladder. I suffered intensely from dyspepsia, and in fact was a miserable wreck, merely a skeleton. I seemed to go from bad to worse. I really wished I was dead. I had no rest day or night. I did not know what to do. I had taken so much medicine of the wrong kind that it had poisoned me, and my finger nails began to turn black and come off."

Mr. W. H. Young, Potter's Mills, Pa.

I began to take Hood's Sarsaparilla. I had faith in the medicine, and it did more for me than all prescriptions. I have gradually regained perfect health, am entirely free from catarrh of the bowels, and pain in my back. My recovery is simply marvelous." W. H. Young, Potter's Mills, Pa.
