 CORNER HOUSE SQUARE

DR. H. B. WARE will be in his office on and after the first week in September.

PERSONAL.
 Theodore Connell returned yesterday from a business trip to Philadelphia.
 Miss Nellie Keating, of Pittston, and Miss Margaret Cannon, of Scranton, are guests at the residence of John E. Roche.
 Rev. P. J. McManis, pastor of St. Paul's church, of Green Ridge, who has been on a visit to Europe for the past month, sailed for home yesterday.
 Miss Minnie D. Norris, who has been with Goldsmith's bazaar for the past nine years, resigned her position and left yesterday to visit relatives in the west.
 Dr. R. H. Gibbons was summoned from New York to attend an important surgical case, and will remain in the city for the remainder of the week in attendance on it.

To the Republican voters of Lackawanna County:
 I hereby announce that I will be a candidate for the nomination of the Republican party, subject to the decision of the Republican county convention.
 GEO. H. SHIRKS.

AT THE THEATERS.
 In selecting talent for producing his famous historical musical spectacle, "War and Peace," which will be given at the Frothingham Thursday afternoon and evening, F. N. Innes decided to accept only such vocal artists as would make up a quartette of really grand and unequalled merit. Great tenors are always most acceptable and delightful to hear, but in C. C. Ferguson it is believed a genuine gem has been secured. He studied for a time with J. Ronby, of Paris, but his style is Italian. The other members of the quartette are Miss Martha Garrison Miner, a brilliant young soprano; Miss Louise Engel, the resonant contralto who assisted Mme. Patti on her last American tour; and Bowman Kinton, a tenor who has sung the bass, who for a long time sang the leading roles with the famous Carl Rosa Opera company in England. Box office is now open at the theater. Matinee prices, 25, 50 and 75 cents.

J. H. Lonia, an experienced theatrical man, has been secured, as manager of the Frothingham theater for the season. He was until recently manager of Innes' band and was for several years manager of the tours of Gilmore's famous band.

At the Academy of Music next Tuesday evening Gus Hill's specialty company will give one of its interesting performances and on Friday evening Leavitt's "Spider and the Fly," a spectacular extravaganza, will be seen at the same house.

Finghamton Industrial Exposition.
 That the exposition this year will be a larger and more magnificent one than ever before attempted is an assured fact. The management have taken hold with a determination to excel and have succeeded in securing exhibits, varied, rich and costly, and that will certainly be instructive and entertaining. The fair will open on Thursday, September 6, when the Finghamton Athletic association will have their first bicycle meet under the auspices of the exposition management. \$800 worth of prizes will be given to the victors. The events will be continued in the evening when the grounds will be lighted by electricity. Saturday, September 8, will be children's day, and it is expected that the children will march to the grounds. The amusement programme will be a grand success. The greatest artists in their line have been engaged at immense expense. The world-renowned juggler, Severus Schaefer who has no peer in his specialties, will make his first appearance in Finghamton.
 There will be a troupe of ten Japs who will appear daily in daring, sensational and amusing performances, also chorist races by lady and gentlemen riders in magnificent Roman costumes, driving thoroughbred horses, given double team, Roman standing and hurdle races. There will be balloon ascensions daily and other exciting and entertaining events. Tuesday, September 11, Governor Roswell P. Flower will be at the fair, and will be escorted by the Twentieth Separate company, and other visiting companies of the National Guard, state of New York. Wednesday, September 12, will be Red Men's day, and it being the week of the great centennial of the United States, there will probably come by delegations from all parts the largest crowd of visitors that ever was in the city.
 The low price of admission to the fair, 25 cents, makes it possible for all to go.

City and School Taxes, 1894.
 The city and school tax duplicates for the year 1894 are now in my hands for collection. Persons wishing to pay can do so now, or any person requiring statements of taxes by giving names and location of property will be promptly answered.
 R. G. BROOKS, City Treasurer.
 Municipal building, Washington avenue.
 Office hours from 9 a. m. to 5 p. m., except Saturday, this office will be closed at noon.

NEWS OF WEST SIDE

Mr. Bliss Makes an Earnest Plea in the Gospel Tent to Sinners.
RUNAWAY ON JACKSON STREET

Dr. J. J. Carroll's Horse Snapped a Hitching Post in Two and Then Dashed Through a Plate Glass Window—Nail Social at the Welsh Calvinistic Methodist Church—Citizens of Bellevue Want Water.

The Moody meetings were continued last evening in the tent on North Main avenue at 7.30 o'clock. A very large number were in attendance, and the discourse was listened to with great interest. Miss Lillian Shively presided at the organ. The meeting opened with singing under the direction of Conductor William C. Jones, after which Rev. J. J. Collins led with an earnest and fervent prayer.
 A greater and warmer interest is being taken in these meetings, and the good results from the evangelistic work of Mr. Bliss are being realized. The singing is more effective and the manifestation of earnestness is greatly apparent. On the platform were seated Rev. D. C. Hughes, W. G. Watkins, of Providence, T. J. Collins, L. C. Collins, D. D., and Mr. Bliss. Pastor Collins' prayer was followed by singing of the hymn "At the Cross." Miss Lillian Shively, of the Simpson Methodist Episcopal church, sang a beautiful solo, "There a Green Hill Far Away" in a very impressive manner.
 Rev. W. G. Watkins, pastor of the Providence Presbyterian church, read a portion of the Scripture from Psalms xiv. E. W. Bliss announced that another service will be held in the tent this evening and that a woman's meeting would be held tomorrow afternoon in the Simpson Methodist Episcopal church.
 Mr. Bliss in his evening address chose as his text Revelations xii, 11, saying "And they overcome them by the blood of the lamb." He said:
 Satan was the originator of sin. He fell from great good and prominence and has taken a large number of fallen spirits with him. People have an idea that everything pertaining to Satan occupies a very small space as a spiritual topic. There is nothing but the blood of Christ which can silence him. If the blood of Christ had not been shed on Calvary, Satan could have won you to-day and change him with injustice. God says: "My Son died for these men, and any that believeth in Him can have life. The wages of sin is death, but the gift of God is eternal life."
 NO MAN CAN BE SATISFIED.
 No man can come before God and be satisfied in worldly things. He has the blood of Jesus Christ. Two sons came to God. They were Cain and Abel. They made offerings, Abel's offering was accepted and Cain's was not. Can you think that it must be the heart. I know that this theme runs right through the pride of heart, and we are so used to getting our 100 cents for the dollar that we cannot be expected to sacrifice anything. But yet we expect everything from God for nothing. God knew we had nothing to give him only begotten Son, that whoever believeth in Him should have everlasting life. God says: "When I see the blood on the doorpost, I shall pass over you." A son comes to his father and says: "Father, have you obeyed Moses command and placed the blood upon the doorpost?" His father rebukes him, and the boy is satisfied at his father's judgment.
 That night the angel passed over the city, and the first born was smitten from the home. The father on arising in the morning, was staggered at God's terrible judgment, and marvels at his way of warning. A family across the street went to sleep that night in peace, because they had placed the blood on the post and obeyed God's command. My friends, there is going to be another Passover, and how many of you will be ready? Sometimes when you get up you get dissatisfied and if you only new knew it, the devil was by your side all the time, laughing at you.
 Sometimes in the prayer meeting you must speak for Christ and this dissatisfaction will cease. The devil once appeared to Luther with three trolls under his arm. He showed him a rod with everything that had left undone. Luther said: "Get thee behind me, Satan, for I belong to the Lord Jesus Christ." The power comes to men, as soon as they accept the Lord Jesus Christ.

PEOPLE WHO BELIEVE IN LORD.
 There are a good many people now who believe in the Lord, and will consent to all that I have said about His blood. Yet they have not experienced anything in the saving line.
 At the close of his sermon Mr. Bliss gave an earnest prayer to God for those present, hoping that they may believe in the Lord Jesus Christ. The meeting was closed with the rendering of a Gospel hymn. An after meeting was held, which was principally devoted to prayer.

AN EXCITING RUNAWAY.
 Dr. Carroll's Horse Smashes a Plate Glass Window.
 At an early hour yesterday morning a horse owned by Dr. J. J. Carroll, of Jackson, was spending a week in New York. The animal was hitched to a carriage, and while hitching post, to which he was tied, in twain, and ran at a rapid pace down Jackson street. The animal's flight was unchecked until he reached the corner of Main avenue.
 His course lay right in the direction of Jenkins & Musgrave's drug store, and in trying to turn, he slipped on the smooth pavement and fell to the sidewalk. His head went through a plate glass window valued at \$40, smashing it. The animal quickly arose and continued his course down Jackson street. He was captured in the central city.

LITTLE WEST SIDE NEWS NOTES.
 Mr. and Mrs. Ered Tretz, of Sumner avenue, are spending a week in New York.
 Miss Lizzie Hoover, of North Bromley avenue, has returned from a visit to Port Jervis.
 Morgan M. Jenkins, of Danville, called on friends in this city on his way to Port Oran, N. J.
 Rev. B. Downey of Ffestiniol, Wales, preached in the First Welsh Congregational church last evening.
 The Hyde Park Choral society will meet for rehearsal tonight in the basement of the Tabernacle church on Hyde Park avenue.

A man was picked up on South Main avenue, at an early hour yesterday morning. He was drunk and fighting. Two tramps were also arrested. They were placed in the West Side station house.
 A full attendance of the Mendelssohn Choral society is promised at the rehearsal to be held at the Welsh Baptist church this evening. The society, after a rehearsal of a short duration, will go to the beautiful lawn in the rear of W. G. Daniels' and render in open air the \$600 prize test piece, Mendelssohn's "Hunting Song." Communications of interest to every member will also be read.
 The citizens of Bellevue are very indignant over the fact that for the past two or three days they have been unable to procure water from the pipes of the Taylor Water company. The force of water was shut off Sunday evening about 5 o'clock without the least notification. It has been shut off since with the exception of about an hour. The water during this time was

NOTES OF SOUTH SIDE

Three Youths Detected Burglarizing the Residence of John J. Burke.
SONS OF RESPECTABLE PARENTS

Patrick Campbell Left for Woonsocket to Bring Home the Body of John Heffron—Funeral of John Charles Miller Yesterday—Marriage of Miss Alice L. Minn and Arthur M. Evans on Sept. 19.

The residence of John J. Burke on Pittston avenue received a visit from burglars early yesterday morning but Mrs. Burke was awakened by the noise and prevented them from carrying off anything.
 She claims to have recognized in the burglars three young men of the South Side, whose fathers are respected citizens. Officer Boland was summoned and he met the young men a half hour afterwards and they denied any connection with the attempted entrance of Burke's house. For more than a week houses along Pittston avenue have been burglarized and the charges were laid up against tramps. Burke is undecided whether or not to prosecute the young men, and until he makes up his mind will not mention names.

HE IS A DANGEROUS MAN.
 Shyski Had a Revolver, Dik and Billy for Companions.
 Joseph Shyski, of the Continentals, was brought before Alderman Fitzsimmons last night on a warrant sworn out by John Jennings, of the Twenty-first ward.
 Shyski, it is said, yesterday armed himself with a revolver, a dip knife and a "billy," and having met Jennings attempted to use all three of the weapons on him. Jennings had a base ball bat in his hands and struck Shyski with it, knocking him to the ground and rendering him powerless. Later he had a warrant sworn out against him.
 Alderman Fitzsimmons committed Shyski to the county jail in default of \$1,000 bail.

NORTH END.
 A Buggy Demolished on Leggett Creek Bridge.
 A gentleman and lady who hired a buggy from Cusick's livery on Monday night had a narrow escape from being hurled down the steep bank at the Leggett's Creek bridge on North Main avenue.
 The buggy was driven to the bridge and the road is considerably narrowed. No lights were placed to indicate the dangerous spots of the road.
 A TRIBUNE reporter visited the place at 10 o'clock last evening and found the bridge in a state of alarm. It is about 100 feet between two electric street lights which seem to make the darkness more intense owing to the glare through the trees. The car track runs along the bridge and on one side there is but eighteen inches left between the track and the barricading and on the other side six feet of space is left between the track and the bridge girder. The barricading placed by the contractor runs at a sharp angle into the street, and any car or buggy passing at night would be lucky to escape a collision.
 Officer Perry, by direction of Lieutenant Spellman, placed lights last night at either end of the bridge.

NORTH END BRIEFS.
 Mr. and Mrs. Ambrose Mulley have left for a two weeks' visit at Block Island, R. I.
 Miss R. McVey, of Wilkes-Barre, is the guest of Roger Leonard, West Market street.
 A fine baby girl was welcomed at the residence of David Jeffroy, Wayne avenue, on Monday.
 Rev. George Gil, pastor of the Presbyterian church, will return from his vacation tomorrow.
 James Haggerty, of Providence road, is entertaining Misses Katie and Barbara Burns, of Pittston.
 The Niagara drum corps has been reorganized and will be given a ball to be held in the armory on Oct. 10.
 Thomas John is a candidate for delegate in the Fourth district of the Second ward to the Republican convention.
 Clarence Biglow, of Mully's hardware department, is spending his vacation at Mount Pleasant, Wayne county, with his parents.
 A large committee is working in the interest of Thomas John, livery boy, the well-known horse fancier, who are pushing his candidature for jury commissioner.
 James Williams and Titus Davis have arranged a 100-yard foot race at Lake Ariel on Sept. 7 for \$20 a side. Joseph Harris is stakeholder. Davis gives Williams five yards start.
 Rev. Morias Evans, who is on a visit from Wales, preached to a large audience at Monday night at the "Bison" church. Mr. Evans will probably make a prolonged stay in the states.
 W. J. Thomas' benefit concert at St. Mary's hall on Sept. 18 promises to be a great success. Friends and relatives from Philadelphia, Mr. Thomas is improving, but the operation has not yet been performed.
 Arrangements are fully completed for the Excelsior excursion to the Parlor City tomorrow and a large crowd is expected at the Cayuga wharf at 8.10 besides the crowd that will leave Scranton at 8 a. m.
 William Conrad, of the Green Ridge creamery, will move into his new premises on Larch street next week. Mr. Conrad has invested over \$7,000 upon the new creamery and the amount is sufficient indication of the growing extent of the business.

Another Chain Gang Formed.
 Four tramps were captured by the police at an early hour yesterday morning sleeping in a freight car on the "Bison" division of the Delaware and Lackawanna and Western road. A new chain gang was organized and the men put to work at the stone crusher.

Scranton's Business Interests.
 This TRIBUNE will soon publish a carefully compiled and classified list of the leading wholesale, banking, manufacturing and professional interests of Scranton and vicinity. The edition will be bound in book form, beautifully illustrated with the photographic views of our public buildings, business blocks, streets, etc., together with portraits of leading citizens. No similar work has ever given an equal representation of Scranton's many industries. It will be an invaluable exposition of our business resources. Sent to persons outside the city, copies of this handsome work will attract new comers and be an unequalled advertisement of the city. The circulation is on a plan that cannot fail of its nature more fully.
 Those desiring views of their residences in this edition will please leave notice at the office.

Burke is undecided whether or not to prosecute the young men, and until he makes up his mind will not mention names.

FUNERAL OF J. C. MILLER.
 Services at Hickory Street Presbyterian Church.
 The funeral of John Charles Miller, of Birch street, was held yesterday afternoon at 2 o'clock. The remains were conveyed to the Hickory Street Presbyterian church and the funeral services performed by Rev. August Lange, who preached a sermon on the life of the deceased, referring particularly to the enterprise and public spiritedness of Mr. Miller.
 After the services at the church the remains were conveyed to the German cemetery on North Washington avenue and interment made.
THINK IT IS HEFFRON.
 Young Man Found Dead in Woonsocket Thought to Be Him.
 The relatives of John Heffron, who left the South Side a year ago and traveled with a force of brick builders, are confirmed in the belief that it is his body that was found along a railroad track in Woonsocket, R. I.
 A telegram was received yesterday which substantiated the identification. The body was found on the left side of the track and was left last night to bring home the body.

SOUTH SIDE JOTTINGS.
 Barber John Zang, of Pittston avenue, is ill.
 The repairing on the sides of the Pittston avenue culvert will be commenced next week.
 Miss Bridget Coggins, of Cedar avenue, and Thomas Kane will be married this afternoon at 4 o'clock in St. Joseph's church, Main street.
 The choir of St. John's church will go to Lake Henry at Maplewood tomorrow on a special excursion arranged by the pastor, Rev. E. J. Molloy.
 David M. Davis, of Pittston avenue, announces himself as a candidate for delegate to the Republican county convention from the First district of the Twentieth ward.
 The funeral of P. H. Fishery did not occur yesterday morning as his family expected it would, arrangements having not been fully completed. It will be held this morning at 9 o'clock instead. A high mass of requiem will be celebrated at St. John's church.
 Patrick Donnelly, the Beech street hotel-keeper, intends to accompany the excursion of the Excelsior Hose company, of the North End to Binghamton. This is something unusual, as Mr. Donnelly has been in Scranton for forty years and it will be the first time since he settled here that he will have left the county.
 Cards are out announcing the marriage of Miss Alice L. Minn, daughter of Mr. and Mrs. Anthony Quinn, of 414 Stone avenue, to Arthur M. Evans, of the West Side. The ceremony will take place in St. Peter's cathedral on Wednesday, Sept. 19, at 6 p. m., and a reception will be held at the home of Miss Quinn at 9 p. m.

FIREMEN'S ANNUAL PARADE.
 It Will Occur on Sept. 25 and Will Have Several New Features.
 The board of engineers of the Scranton Fire department has fixed Tuesday, Sept. 25, as the date for the annual parade and inspection of the department.
 The line of march and assignment of companies will be about the same as last year. A request will be made to the Franklin Engine company, who, by reason of seniority of service, claim the first place in the line, to give up this distinction to the Middletown Fire company and the Crystals, whose guests they will be. The Middletown company will be accompanied by the famous Lincoln Drum corps, of Paterson, numbering thirty pieces.
 An effort is being made to have in line the old hand engine recently presented to the Firemen's association by Dr. Troop and to have it manned by its old foreman, C. W. Rowler, and as many of the old members of that company as can be secured.

STOLE A FIELD OF CORN.
 That Is What Edward Reilly Charged Against John Dolan.
 Edward Reilly, of the Twentieth ward, appeared before Alderman Wright yesterday afternoon and swore out a warrant for the arrest of John Dolan, of the same locality, whom he charges with stealing his field of corn. Mr. Reilly does not place such value upon the corn for its intrinsic worth, but from the fact that it was planted by his wife, who died but one week ago, he is greatly afflicted by the theft.
 Dolan, he says, came to his premises while he was at work, cut down the corn with a sickle and carted it away to his own home. He traced the thief by the husks which fell by the wayside.
