

What Shall I Get to Wear This Fall?

We know that a momentous question this is, and to help the ladies in just such a dilemma is one of the reasons why we are in business.

For the past several months we have been busy and earnest with all the power of capital, brains and selections at our command in bringing you THE BEST GOODS WE CAN GET AT THE LEAST POSSIBLE PRICES.

OUR FALL GOODS of every description, both stylish and handsome, gives our store a pretty look, and we are ready for the early buyers. ALL SUMMER GOODS LEFT WILL BE SOLD AT UNHEARD OF PRICES and we intend to keep busy as ever by offering the SEASONABLE GOODS AT LOW PRICES.

An inspection of our offering will convince you that never before has such artistic combinations of color and texture been displayed, and that we have not been idle during the summer months.

The Present Merchandise moment is not a spasm. Bait and shams find no place in our system. THE LOSSES—we will look after; you can attend to the—GAINS.

NOT A WEEK, hardly a day passes, without New Styles coming to the front, and worthy of your most careful attention. We could not afford to have anything that people would not admire. OUR REPUTATION AS RETAILERS OF FIRST-CLASS GOODS is at stake and this is the spur that keeps urging us on to get new and better goods at even more Reasonable Prices than ever before.

The object of our establishment is to fix in the public mind such quotations as these, which we are prepared to answer at our store:

Where can I get this or that?
Where can I match this?
Where can I get the latest?
Where can I get the best of everything?
Where are the prices the lowest?

Criticizing a Young Lady.
"She would be a pretty girl for but one thing."
"What's that?" asked Charley.
"George—her face is always covered with purple and red blotches."
Charley—Oh, that's easily enough disposed of. Used to be the same way myself, but I caught on to the trouble one day, and got rid of it in no time.
George—What was it?
Charley—Simply blood eruptions. Took a short course of P. P. P. I tell you, it's the best blood corrector. The governor had rheumatism so bad that you could hear him holler clear across the country every time he moved. He tried it, and you know what an athletic old gent he is now. If somebody would give Miss Daisy a pointer, she would thank them everward. All the drug stores sell it.

Hood's Saved My Life

"For years I was in a very serious condition with catarrh of the stomach, bowels and bladder. I suffered intensely from dyspepsia, and in fact was a miserable wreck, merely a skeleton. I seemed to go from bad to worse. I really wished I was dead. I had no rest day or night. I did not know what to do. I had taken so much medicine of the wrong kind that it had poisoned me, and my finger nails began to turn black and come off. I began to take Hood's Sarsaparilla. I had faith in the medicine, and it did more for me than all prescriptions. I have gradually regained perfect health, am entirely free from catarrh of the bowels, and pain in my back. My recovery is simply marvellous." W. R. Yocco, Potter's Mills, Pa.
