SOUTH SIDE

MADON BANJO AND GLEE CLUB. A Musical Organization that is Winning Good Opinions.

None are more deserving of assistance among South Side musical organizations than the Madon Banjo and Glee club.

The newly elected officers of the club are: President, Jacob Demuth; vice president, Louis Schaefer.

The club has always been ready to take a part in any charitable or public affair, and has always contributed to the material enjoyment on such occasions.

It was a foolish move to take off one of the cars from the South Side line on Sunday, because there is every evidence that the traffic is heavier on Sunday than on any other day of the week.

There is much dissatisfaction expressed by passengers who are compelled to wait five minutes longer for a car, and when it does come, the way the car is crowded forces one-fourth of the passengers to hang on to the straps.

The result is that many prefer to walk, and expressions of disgust are frequently heard.
