

NEXT FEBRUARY ELECTION

Unexpired Terms of Clemons, Connell and Schadt to be Filled.

COUNCILS TO BE REPUBLICAN

From Odd Numbered Wards Commoners Will be Elected--Indications are that Democrats Will Lose Control of Common Body.

Now that the excitement of state and county politics has subsided attention naturally turns to Feb. 19, the third Tuesday of the month, which day will be held the Scranton city election. The chief interest in the coming contest hinges upon the councilmanic offices, although ward constables, aldermen, registers of voters, assessors and election boards are to be chosen.

Three Doubtful Wards.

Six Democrats and five Republicans will retire from common council. Of the Democrats, Mr. Golden, of the First ward, was elected by virtue of a split on the Republican ticket. The ward is Republican and it is fair to presume that a member of that party will next year succeed Mr. Golden. This would reduce the Democratic membership to eleven and increase the Republicans to ten. Three doubtful wards, the Eleventh, Nineteenth and Twentieth are now represented by Democrats, but assuming that one of those wards goes Republican, common council would have eleven Republicans and ten Democrats. Republican leaders do not doubt that the First ward will go Republican and give it as their opinion that at least one and possibly two of the doubtful Eleventh, Nineteenth and Twentieth will elect Republican members. Mr. Schadt, the Democratic representative of the Republican Sixteenth, who retires to occupy the office of county treasurer, will probably be succeeded by a Republican. Mr. Schadt had for his opponent J. W. Browning, of pole tax fame, whose defeat was due largely to his advocacy of taxing electric poles.

Thomas M. Jones Suggested.

There can be no question but that a Republican will be elected from the Seventeenth to fill Mr. Clemons' unexpired term in select. The Twentieth ward, however, is indisputably Democratic. Mr. Connell (Rep.) was elected to select council from this ward as an independent candidate, which, added to his popular personality, secured his election. Republican leaders are cognizant of the fact that the very best timber should be selected as a candidate for Mr. Connell's unexpired term. Thomas M. Jones, head bookkeeper at the Meadow Brook colliery, has been suggested on account of his general ability and an unusual popularity among the large laboring class of that ward. It cannot be learned that Mr. Jones has even considered the matter, but from hearsay it is evident that, as a councilmanic candidate, he would do much to keep the ward in the Republican column. The Republican members whose terms will expire in common council are: Edward E. Robathan, Fifth ward; James M. Mohr, Ninth ward; Thomas B. Howe, Thirteenth ward; T. Ellsworth Davis, Fifteenth ward; Arja Williams, Seventeenth ward. The retiring Democrats will be Patrick H. Golden, First ward; James J. Grier, Third ward; John W. McLean, Seventh ward; Robert Robinson, Eleventh ward; Patrick J. Hickey, Nineteenth ward; Thomas Norton, Twenty-first ward. Those who will probably be re-nominated are: Members Robathan, Mohr, Robinson, Hickey, and Norton.

Warm Fight in the Eighth.

Aldermen will be elected from the First, Second, Eighth and Fifteenth wards. Probably the warmest contest will be waged in the Eighth, between W. S. Miller and Alderman John Fitzsimmons, who seem likely to be nominated on the Republican and Democratic ticket, respectively.

WILL BE HEARD MONDAY.

Injunction Cases Will Then be Heard before Judge Albright. The injunctions of the Lackawanna Street Railway company against the Delaware and Hudson Canal company and the latter company against the Street Railway company were set down for a hearing this morning, but owing to the fact that ex-Judge Jessup, one of the attorneys in the injunction proceedings, will be engaged today in the trial of the case of Michael Larkin against the city of Scranton, the injunction hearings were yesterday continued until Monday morning at 10 o'clock.

Judge Albright, of Lehigh county, will hear the testimony and pass upon the cases, as he will be in the city to preside in common pleas court. The injunction proceedings were instituted to determine the Street Railway company's right to cross the Delaware and Hudson tracks at grade at Moonst.

VERDICT FOR DEFENDANT

Jury Did Not Deliberate Long in the Winton Ejectment Case.

LARKIN AGAINST THE CITY

Case Is on Trial Before Judge Archbald in Main Court Room--Non-Suit Asked for in Case of Jones Against Maxwell.

It required but a brief period for the jury in the Winton ejectment suit to agree upon a verdict, which was a victory for the defense. The case was not given to the jury until 3 o'clock in the afternoon, when Judge Gunster finished his charge and it was a comprehensive one. Attorneys on both sides submitted points of law and court took up the case, affirming those that comported with the evidence in the case and rejecting whatever did not. As to the trustworthiness of the testimony of the several witnesses Judge Gunster left the jury to weigh it according to their convictions.

Attorney Sherman, of Philadelphia, made closing argument for the plaintiff and Judge Harding concluded the presentation of the defendant's side. When the evidence in the Wintan-Beyan ejectment suit over two feet of land was all heard, Attorney J. Alton Davis, for the defense, asked court to direct a verdict in favor of the defendant, because the plaintiff had not shown a paper title, in other words, to take to the land in dispute. Judge Archbald thereupon directed the jury to find such a verdict, which they did without leaving the jury box, and the end came to that trivial suit.

The next case called before Judge Archbald in court room No. 3 was the trespass suit of Michael Larkin against the city of Scranton. Jessups & Hand appeared for the plaintiff and City Solicitor Torrey represented the defendant. Mr. Larkin, the plaintiff, owns a lot of ground on West Lackawanna avenue. On the front part of it he had a blacksmith shop, and by virtue of an ordinance passed by the council of the city of Scranton, providing for widening West Lackawanna avenue, twelve feet of Larkin's property were seized and used as a part of the street and a building on the lot partially torn down. He lays damages against the city in the sum of \$2,500. The case yesterday was just opened when court adjourned. Tipstaff Ritter was still guarding the jury room when court adjourned for the day, in which the jury was confined that is deliberating on the case of Architect Christian Alten against the Carbonate township school district.

SPORTING GOSSIP.

The annual meeting of the Eastern league will be held Dec. 5.

The Washington Base Ball club has secured a promising young player of New Orleans. He is an infielder.

Captain Anson has secured Second Baseman Stewart, of this year's Sioux City. He says he has in Stewart the finest second baseman in the land, bar none.

President Powers has eight applications for the Allentown vacancy in the Eastern league. Toronto will probably get it. Either Jack Chapman or A. C. Buckenberry will get the Toronto franchise.

Last year the Yale college nine refused to play the New Yorks at the Polo ground. They are the first team to make date with the New Yorks for 1895. They play the giants in New York April 15.

Lou's Hinky promises to make as great a record on the gridiron as his famous brother. In the game with Lehigh Saturday, young Hinky tackled cleverly and was always there at the proper time.

Harvard foot ball players are practicing tackling on a dummy, which may be used in their way, but Harvard can lead by dummies to tackle when she meets Yale and the University of Pennsylvania.

Captain Anson and President Hart announce that they have signed every one of their last year's players. They were signed in one day. Dahlen, Kittridge and several others signed their contracts without leaving them.

Hugh Duffy says he will play with the Boston league team next year. "That little fellow heads the league, does he?" said Anson, looking at Hugh. "Well how do the ducks can he beat a man of my size, is what I don't understand."

"Andy" Bowen, the lightweight champion of Louisiana, has left New Orleans for Tybee Island, Ga., where he will go into training, with Jack Dempsey as his trainer, for his coming fight with "Kid" Lavigne before the Auditorium club on Dec. 11.

The Mercury Wheel club will hold a century race on Nov. 22. The route will be over the Jericho road to Hicksville and Farmingdale, thence to Babylon for dinner and to Jamaica via the Merrick boulevard. Those who finish will be awarded century medals.

The Bostonians have signed Leftfielder James Collins, of the Buffalos, of last season. He is a heavy hitter, fine fielder and weighs about 170 pounds. Collins is 20 years old, is tall, a Buffalo police captain, and had a batting average last year of 4.37 per cent.

President Johnson, of the Western league, says that every club in the circuit except Milwaukee, made money last season. They had \$28,000 in the reserve fund at the end of the year--\$20,000 was divided and \$8,000 retained. Sioux City will be dropped next season and either Omaha or St. Paul taken in.

Henry Schmehl, the Chicago pedestrian, has accepted Edward Payson Weston's terms for a six days' walking match to take place at Rochester, N. Y., or Newark, N. J., providing that Weston will make the stake \$1,000 instead of \$500. Schmehl is willing to walk in Chicago for \$50, but will not come east for less than \$1,000.

A pigeon shooting match has been arranged between Captain J. L. Brewer, of New York, who claims the title of champion wing shot of the world, and J. A. R. Elliott, of Kansas City, champion of America. The match will be at 200 birds each, for \$50 a side and will be shot at Burnside, Nov. 17. Dr. Carver challenged Elliott to shoot at 100 birds a day for 100 consecutive days, Sundays excepted, for \$25 a side each day; money to be posted twenty-four hours in advance and forfeited on failure to carry out the terms of the agreement. Elliott declined.

ALL OF THE TESTIMONY IN.

The closing testimony in the case of the Koehler Brewing company, of New York, against D. L. Kearney, was heard yesterday afternoon before Arbitrators C. B. Gardner, J. F. Cummings and Eugene Davis. Today arguments will be made by counsel.

SALT RHEUM often appears in cold weather, attacking the palms of the hands and other parts of the body. Hood's Sarsaparilla, the great blood purifier, cures salt rheum.

HOOD'S PILLS are the best after-dinner pills; assist digestion, cure heartache, etc.

The \$40,000 School House for Columbia avenue has been let and will be commenced immediately. There are still a few more lots left at a low price. Arthur Frothingham, Office, Theater Lobby.

\$4.55 to New York and Return. Special excursion to New York via the popular Central Railroad of New Jersey, on Tuesday, Nov. 23. Rain or shine. Fare \$15 from Scranton, and all intermediate points. Pittston, Miners, Parsons, Wilkes-Barre. A first-class refreshment car in charge of the Union News company will be attached at Wilkes-Barre. Good to return on any regular train within five days. Leave Scranton 3.30 a. m.

LETTERS FROM THE PEOPLE.

(Under this heading short letters of interest will be published when accompanied, by publication, by the writer's name. The Tribune will not be held responsible for opinions here expressed.)

AS TO SACRED CONCERTS.

Editor of The Tribune. Sir--I see by this morning's Tribune that Tallie Morgan intends giving sacred concerts at 6 o'clock Sunday evenings in one of the play houses of the city. Now I suppose that Mr. Morgan was not forgotten that a large number of the members of that Sacred Music society are also members of the Christian Endeavor Society or Epworth League of some one of our churches, and that they have promised to sustain those meetings by their presence and their influence. If they attend the concert at 6, how can they attend the other at 8.30? and how can they keep their vow? To my mind there is no greater help to attend to the one, especially to the young, than the Christian Endeavor meeting or the Epworth League meeting and I for one should be glad to see them there. I do not draw away from these meetings to anything whatever, for I believe they would be great losers thereby. I am not a pastor, but visiting as I do the one of our churches of the city from time to time when called to preach for them, I have seen perhaps as much as any one in Scranton the result of these societies are to the young people, and consequently to the churches and to society. I therefore hope earnestly that Mr. Morgan will reconsider this plan and not try to carry it out. Yours truly, Richard Horns.

DOES IT PAY?

Editor of The Tribune. Sir--This question is often asked by those who are in the habit of visiting the Rescue mission, located at 111 Franklin avenue. A gentleman attending one of the meetings the past week remarked to me, "I have visited your mission and this mission is doing it." One man says, "I thank the people that started this mission and those that support it for the good it does me." I had a lady come to one of our churches said lately: "This meeting to-night was just what I needed. I was discouraged when I came in, but it has encouraged me." Does it pay when men are turned from lives of sin and wickedness and become honest, industrious and sober? When they are turned from a life of idleness because of the love of God shed abroad in the hearts of the father and mother? The following will give some idea of the work accomplished at this year: Number of meetings held, 311; number of persons attending, over 20,000; requests for prayer, 105; number of men and women who have started in a new life, 89; lodgings furnished for 700 men and over 200 have been furnished food. Many have been assisted in their homes. Employment has been found for some; clothing distributed, and visited, encouraged given many times in season to save persons from doing wrong and it also furnishes a pleasant place every night in the year for who who wish to pass an evening where everything said and done has an uplift to it and encourages any who may desire so to do, to live a good, honest and happy life. Does it not pay to have and to help support such an institution in our city? The mission has been painted and papered inside and with its additional electric light is more attractive than ever. Every person is welcome any or every night in the year and the meetings are all free. Come and see for yourselves what is being accomplished. George G. Sanborn.
