The suit brought by Ohio's food comnissioner against a Cincinnati druggist for selling Paskola on the ground that it was nothing but glucose, resulted in a great victory for Paskola and a verdict against the state.

During the course of the trial Professor Shaller, of the University of Cincinnati, testified that Paskola was not glucose, and even if it was, it would be harmless. He also bore witness to its activity as a digestive agent. Professor William Dickore, of the

Miami college, testified to the same facts. So did Professor Schmidt, the chemist of the board of health; Profesto do the work. sor William Hoffman and others. A practical test was made in court, showing the digestive action of Pas-
