THE COUNCILMEN SAY YES

Permit the Suburban Track on Franklin Avenue to Be Moved.

CHANGE MEANS DOUBLE TRACK

That's Why the Property Owners Opposed the Passage of the Ordinance at Last Night's Meeting of Select Council.

Last night's session of select council witnessed a very spirited three-cornered contest among the Scranton Traction company, Franklin avenue property owners and members of council.

When the final vote was counted a vote gave the decision in favor of the company, which was granted permission to remove the track of the Suburban Railway company to the east side of Franklin avenue.

Joseph J. Jermyn, James L. Connell, of McGargel & Connell, James M. Everhart, and C. B. Scott were among the opposition property owners present and spoke against the passage of the ordinance.

Early in the meeting the street railway committee presented a favorable report, signed by Messrs. Williams, chairman; Kellow and Manley, and the ordinance was received to come up in its regular order.

Mr. Durr, in behalf of the property owners present, presented blue prints showing that if Franklin avenue were double-tracked, only nine feet would intervene between the sides of cars and the curb lines.

Mr. Lauer thought that property owners "should not stand in the way of the golden prosperity of the city" and suggested that Mr. Gallagher be allowed to state reasons why the company desired the ordinance passed.

The substance of Mr. Gallagher's remarks at this point and later in the meeting were: The company does not propose to use one of the tracks for storing cars, but has been authorized, but is unable to facilitate transportation.

Mr. Thomas called for the reading of petitions for and against the passage of the ordinance. The petitions were signed as follows:

For—Peter Ziegler, W. A. Beemer, Bittenbender & Co., James Ferguson, O. A. Beemer, Mary Moore, W. H. Whyte, Union Transfer company, J. E. Hand, W. H. Jackson, Joseph Godfrey, James J. Jermyn, M. A. Byrnes, M. M. Kearney, Victor Koch and August Robinson, trustees of the Elks; E. H. Lynde, R. Lehman, J. M. Williams, B. Silverstone.

Against—G. J. Babcock, J. J. Jermyn, J. P. Everhart, McGargel & Connell, Scranton Packing company, E. J. Horr, Washburn & Meca Manufacturing company, Matthews Bros., D. W. Burr, C. B. Scott, James Jordan, T. J. Hooley, M. J. Kearney, J. J. Kearney, P. A. Healey, George B. Carson, Joseph Levy, Louis N. Kramer, L. W. Keller, W. T. Davis, Solomon & Zuerman, J. J. Morgan, D. W. Keller, Lorenz Zeldner, James M. Everhart.

Were Not Property Owners. Following the reading of the petitions Mr. Durr said that only three on the affirmative petition are property owners.

The ordinance reported favorably by the streets and bridges committee that houses be numbered and that street signs be erected on corners was received and ordered printed.

Mayor Connell's appointment of David R. Penman as inspector of the substructure work on the proposed bridge was referred to committee.
