FACTORYVILLE.

Miss Bertha Knapp, who has been nursing Dr. Wilson, at Montrose, has returned home. After spending a few days here, she will go to Chicago, where she will pass the winter with Mrs. Edmund Harrington.

Mrs. P. M. Green's new cottage presents a very pretty appearance. It is fast nearing completion.

TUNKHANNOCK.

Mrs. B. F. Blaklee, of Sayre, is visiting friends here and at Springville. Judge-elect Dunham and ex-Judge Inglish were over from Sullivan county Saturday.

The funeral of Addison E. Buck occurred at his late residence at 2.30 p. m., Sunday. Rev. S. C. Hodge, of the Presbyterian church, officiated. Temple lodge, No. 248, Free and Accepted Masons, of which he was a member, attended in a body. He was 65 years of age.

A good sized audience greeted the Fisk Jubilee singers at Platt's Opera house. Though this troupe has visited the town several times, it seems to have lost none of its popularity and always draws good houses. Their singing is so well known that no comment is necessary.

J. Wood Platt was rustling around Saturday in an endeavor to secure the release from jail of the "alley gang." It was purely philanthropic on his part.

Morgan Lillie, whose death by typhoid fever occurred at Montrose recently, was well known in this county, he having been a resident of Moshannon a few years since. His friends here learned of his demise with sorrow.

Burton Tickner, who has been working at Glenburn, has returned home for the winter. The Epworth league adopted a new code of by-laws at their Friday night meeting and on Sunday evening held a special missionary service. Their annual election of officers occurs next Friday evening.

D. Clinton DeWitt, esq., of Towanda, has been retained by Judge Dunham as one of his counsel in the approaching election contest. The big, jovial "Clint" can see through a millstone as far as the average man, or farther.

The wildest sort of guessing is made as to the probable cost of the election contest, the guesses ranging all the way from \$10,000 to \$60,000. Some of the wildest of the guessers are willing to back up their assertions with the gambler's universal argument--a bet. The costs will depend upon the amount of trouble and search it may take to ferret out the frauds, if there be any; and there is nothing in sight at present that can be used as a basis for calculation.

C. R. Safford was down from Montrose Saturday. The further arrests expected in connection with the Waterman murder case have not yet materialized. It was alleged that Wall, in his confession to Richmond, implicated other parties in the murder, and warrants were sworn out, but for reasons, unknown to the public, have not yet been served. There is an inclination abroad to criticize the detective for being premature in his work, but it is possible that the public are not in possession of all the facts in the case. Another coup de etat may put a different light on it. New developments have been eagerly expected every day since Wall's arrest.

The assessors of the various townships were at the commissioners' office Saturday receiving their assessment rolls. Lighthouse Conductor Lou Woodward is one of the best and most faithful men on the line, and an interested reader of The Tribune.

Miss Allie Donley, a teacher in city schools, at Wilkes-Barre, returned home Saturday after a brief visit with her parents here.

Stevens D. Streeter returned to Cornell university yesterday. The list of Farmers' institutes for 1895 as arranged by the state meeting at Harrisburg does not include one for Wyoming county, though several are to be held in Susquehanna county. The farmers of this county have held three or four institutes in the past six or eight years, and they have always been sessions of a good deal of interest and profit. If the lack of an appointment for one in this county next year is due to lethargy on the part of the farmers, they should bestir themselves and see that the matter is attended to.

Miss Katherine Welch has resumed her position at the cashier's desk at Space's store after an illness of two weeks. A family of Texans have moved into the Murray House, on Harrison street. Stebbins, the coal dealer, advocates a drop of 25 cents a ton on chestnut and all larger sizes of coal.

Aloah T. Stark, formerly of Lemon township, but of late years stenographer and type-writer in Division Freight Agent Bert Hayden's office, at Sayre, has received the appointment as selling freight agent, with headquarters at Sayre. Mr. Stark is receiving the congratulations of friends here on account of the promotion.

A black bear is reported to have been seen among the cattle of Farmer Joseph Robinson on Russell Hill Saturday, and men, boys, guns and dogs are out after him en masse. It is presumably the same bear that made the hair of Brooklyntes stand on end a few days since, as there seems to be a regular runway between Elk and Dutch mountains.

Petty thievery is reduced to a science in this section. Over near Lake Winoia is said that a farmer got up in the morning and discovered that somebody had been around in the night and hog-dressed his fine young porker, leaving the entrails on the ground and carrying off the carcass. At Vose a young man named Frank Smith lost several dollars' worth of skunk skins, the net results of a month's diligent attention to traps. George Conrad, a farmer near Lynn, observed a shadowy form reaching for the remnant of his flock of Thanksgiving turkeys a few nights since. He brought his trusty gun to bear, and the intruder went scurrying away, leaving a trail of blood behind. It is also rumored that a man in the Button neighborhood was shot for the same offense.

George Kutz, who has been afflicted with innumerable carbuncles, is getting about again. Mrs. Elmer Thomas is entertaining Miss Davis, a young lady friend from Jermy.

Hamilton will respond to the toast, "Our Departing Guest." W. M. Lathrop, to "The Ladies," Charles Orchard, to "Canals," and H. Torrance, jr., will have "A Last Word."

A SURGEON'S KNIFE

gives you a feeling of horror and dread. There is no longer necessity for its use in many diseases formerly regarded as incurable without cutting. The Triumph of Conservative Surgery is well illustrated by the fact that RUPTURE or Hernia is now radically cured without the knife and without pain. Clumpy, chafing trusses can be thrown away! They never cure but often induce inflammation, strangulation and death. TURMORS and many others, are now removed without the peril of cutting operations. PILE TUMORS, however large, are removed without pain or resort to the knife. STONE in the bladder, no matter how large, is crushed, pulverized, washed out and perfectly removed without cutting. STRICTURE of Urinary Passage is cured in hundreds of cases. For pamphlet, references and all particulars, send 10 cents in stamps to World's Dispensary Medical Association, 663 Main St., Buffalo, N. Y.

Some friends who knew its merits, persuaded me to take Hood's Sarsaparilla and I am now taking my fourth bottle. I am so thankful to be able to say that I can do my housework, and am gaining fast."

I Sleep Well, do not have sourness of the stomach, and can eat with good appetite. I think Hood's Sarsaparilla deserves all the praise it gets and more." Mrs. LETTIE GOSS, TYRONE CITY, PENN.
