

WOMAN STABBER IN BLACK

London Is Terrorized by Another Blood-thirsty Lunatic.

A VEILED FEMALE AT LARGE

The Mysterious Person Has Already Wounded Several Ladies at Dusk—Experience of Two American Women Who Sought Information.

By the United Press.

London, Dec. 10.—A literal reign of terror prevails in one of the most fashionable quarters of London by reason of a series of strange crimes committed by a mysterious veiled woman in black.

She has a mania to stab others of her sex, and has appeared no less than five times within a week in a district less than half a mile square. Although scores of detectives are lying in wait for her, she is still at large. In each case she approaches her victim with an inquiry about a certain street. Her first victim lost an eye and the second was stabbed in the neck, narrowly escaping a fatal wound.

The fear of her is now widespread, so that others she accosted fled before she could strike. Every stranger who now shows herself in that vicinity becomes an object of fright. Two American women who were making calls just after dusk yesterday stopped to inquire their way of four women who were approaching. Before they had time to utter two words of their question the four women turned and fled. This extraordinary power to put British maids and matrons to flight by a word so amused the American women that they tested it once or twice more, with the same result.

Some believe that this mysterious woman stabber is a small man in disguise, as all describe her voice as gruff, but the police believe her to be a woman undoubtedly insane. There is no direct connection between these crimes and young Sanderson's murder of an abandoned woman in the same Kensington district, but certain experts in mental diseases believe the epidemic of violent crime in London can be traced to a single source—the great public agitation over the mysterious South End murder for which Read was hanged Tuesday.

BROKER KELLAM CONFESSES.

He Explains How He Disposed of Numerous Big Securities.

By the United Press.

New York, Dec. 10.—Broker David L. Kellam, who, with Henry M. Haigh, a Bowery lawyer, was arrested on complaint of H. E. Simmons, of Tacoma, Wash., for fraud in note transactions involving \$55,000, has made a confession. He said that a Mrs. Schneider, of Corona, had forty-eight notes in Newark, N. J., which he traded for \$6,000 worth of the notes, and the Pan-American company got two notes for \$3,500, which it traded for \$35,000 worth of its stock.

Kellam further claimed that he met Simmons in July, and an agreement was entered into between them by which \$100,000 was to be raised on Simmons' notes, payable to him, and as security for which he was to give Simmons a mortgage of \$150,000 on 40,000 acres of land in West Virginia.

The two men under arrest were charged, on complaint of Simmons, with changing the dates in several of the notes, and with having conspired to defraud the complainant. They were held in heavy bail for trial.

FROM SYMPATHY TO WRATH.

Two Men Who Told a False Story of Mystery Arrested.

By the United Press.

Wilkes-Barre, Pa., Dec. 10.—Superintendent Lawall, of the Lehigh and Wilkes-Barre Coal company, was victimized by two miners who said their children were dead at home, and that they had no money to bury them. The men wanted the money to have some fun.

Lawall became indignant when he found out the truth, and at once accused the men's arrest.

INDUSTRIAL TOPICS.

The average freight rate per ton per mile in 1888 was 1.60 cents, while for the year ended June 30, 1894, it was .966 cents.

Mine Inspector Williams, of Wilkes-Barre, is busy writing his annual report. He will be a candidate for re-election.

The new culm breaker at the Oxford shaft is fast approaching completion. The machinery is being placed therein and will be in operation Jan. 1.

At a directors' meeting of the Lehigh and Narragansett Coal company, held at Mauch Chunk yesterday afternoon, E. W. Clark was elected president of the company, all the other candidates having withdrawn.

On June 30, 1894, there were 156 railroads in the hands of receivers. The mileage operated by these companies was about 29,000 miles, representing a capitalization of upward of \$250,000,000, or 25 per cent. of the total railway capital of the country.

The record claims that Senator Williams, of Wilkes-Barre, will soon be one of the biggest of the individual operators if

GOUT, RHEUMATISM,

rheumatic gout, or any gouty or rheumatic affection whatever, has its surest remedy in the Carlsbad Sprudel Salt. There's nothing so successful in clearing out the excess of uric acid in the blood. That has been proved in hundreds of years and in thousands of cases at Carlsbad.

So with any of the ailments brought on by sedentary habits—dyspepsia, indigestion, perverted nutrition, constipation, Carlsbad cures them, and cures them permanently.

But the best way is to prevent them. A little Carlsbad Sprudel Salt taken when you suspect any trouble, will keep your stomach and liver and bowels and kidneys in perfect order.

Take only the genuine imported Carlsbad Salt—solidified and bottled at the Sprudel Spring—with signature of "Eisner & Mendelson Co., Sole Agents, New York," on every bottle.

STOCKS AND BONDS.

By the United Press.

New York, Dec. 10.—The stock market opened weak on Tuesday, and the tendency continued downward to the close. Sugar presented a firm front for a time, a block of the stock having been taken by brokers generally credited with representing inside interests. The rumors that Standard Oil people had secured control were not credited, but it was generally believed that parties identified with the Standard had acquired a big line of the stock. As the day wore along the price weakened to 2 1/2% from 3% at the opening, the decline being due to the out in the price of refined oil of a cent a pound in all grades except cut, crushed and denatured, which were reduced 3/4 cent per pound. Today's cut by the trust was a surprise to the outside refiners, who claim that there is no profit in refining at the figures now being quoted. The general list was adversely affected by the further rise in sterling exchange, posted rates having been advanced to 489 and 490. The anthracite coal market was notably heavy and broke 1/4 to 3/4 per cent. Lake Shore sold down 1/4 to 1/2 per cent. In the closing trading in Sugar was weak, and the general market was 3/4 to 1% lower. Losses of 1/4 to 1/2 per cent. The sales were 21,677 shares.

The range of today's prices for the active stocks of the New York stock market are given below. The quotations are furnished The Tribune by G. D. B. Dimmick, manager for William Lind, Allen & Co., stock brokers, 412 Spruce street, Scranton.
