BAD ULCERS ON LIMBS

Five years' Suffering. Could not Sleep or Work from Itching and Burning. Six Doctors could do Nothing. Relief in the First Application. Perfect Cure by CUTICURA.

I had on both my legs, for five years, three very bad ulcers, two on one, and one on the other just into the bone above the ankle, as large as a five cent piece which hurt me so much right and left, that I could not sleep for the itching and burning. I had to get up three or four times a night. Did not know what to do with myself as I could not work. Called a doctor to look at them, but he did me no good, and in all had six of the best doctors I could get, but they could do nothing. I spent many dollars on different kinds of ointments, but I gave up all hopes of ever getting cured. Nothing did me any good, until I tried CUTICURA. The first application my legs began to feel better, the itching, smarting, and burning stopped. I kept on with them, and after using for three months, they were entirely cured. I used seven boxes of CUTICURA, one cake of CUTICURA SOAP, and three bottles of CUTICURA RESOLVENT, and I feel like a new man. I can now sleep, and can prove it by people where I now live. If anyone doubts this, write to me, and I will tell them with the greatest of pleasure what CUTICURA has done for me. I cannot speak too highly of CUTICURA. It is a sure cure. HENRI CHICKASAW, 622 Bridge St., Trenton, N. J.

RESOLVENT CURES "A BABY"

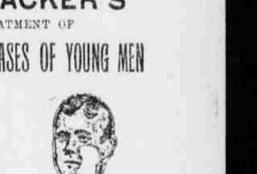

I wish to let everyone know what good CUTICURA RESOLVENT has done for my little girl. From one year old till three, she was one mass of sores and scabs all over her face, hands, and body. I tried several doctors without relief. At last I heard of the CUTICURA, bought a few bottles of the CUTICURA RESOLVENT, and she was cured. She is now seven years old and a healthy child, thanks to the CUTICURA RESOLVENT. FRANK T. LIGHTCAP, 655 Ferry Ave., Ward 8, South Camden, N. J.

TESTIFIES TO DR. HACKER'S TREATMENT OF NERVOUS DISEASES OF YOUNG MEN

ASTORIA, ASIA M.

I give the following statement unasked. I have been a sufferer for so long a time and have spent so much money with so-called specialists and each time have been disappointed and misled, that I was with a good deal of doubt that I called on Dr. HACKER. But knowing of some of the cures he made in this city four years ago, and the confidence of the people of Scranton in him then, I resolved to try him. A well man, I would advise anyone suffering as I did to call immediately in 45 days I gained in flesh 15 pounds. For a well man, I would advise anyone suffering as I did to call immediately in 45 days I gained in flesh 15 pounds. My name, but if any who suffer will call on Dr. HACKER at the Lackawanna Medical Institute, he will furnish my name and address.

Sir—I well know that any innovation, having in view the reform or expansion of our present currency circulation, no matter how solid the basis for this innovation may be, or how just its claims—its instinctively frowned upon by the banking and moneyed classes, who fear for privileges acquired; as well as by the thoughtless and ignorant, who either will not or cannot understand the reasons for the same.
