If You Were Going to Buy a House

and could get a nice, new, brown stone the same size on the same size lot, in the same location for about the same price you would have to pay for an ordinary wood house, which one would you take? You have already decided you would take the brown stone, or, in other words, the best. Now, how is it about Flour? Why, you walk over to the grocer and say "Send me a barrel of flour," forgetting to say "send me the best," Washburn, Crosby & Co.'s Gold Medal or Superlative. There is as much difference in Flour as there is in houses. The Washburn, Crosby & Co.'s Gold Medal and Superlative brands are always the best. Do not be so indifferent about what you eat, but when ordering flour see to it that you order one of the above brands.

Weber Piano.

Others may be good but the Weber is better.
 If the very best is wanted for a
CHRISTMAS PRESENT
 the Weber is what you are looking for. If something cheaper will answer, we have that also. Just now we have a few great bargains in pianos which have been for a short time in the hands of some of our smaller outside dealers, and which have been returned. These pianos have never been used and hardly soiled; still, the price is greatly reduced. They are all regular goods and reliable. **A Stenciled Fraud** was never seen in our store, nor a piano offered for sale on which we did not give a first-class guarantee by the manufacturers.

A call
 Must prove to all
 That we are far below the market price,
 And yet, in quality can beat all competition twice.
