Another Rare Opportunity Is Presented This Morning in Stylishly Made Ladies' Coats--The Prices are the Lowest of the Present Season,

Each wrap is exquisitely made and trimmed in the latest fashionable style; the materials are the best and such as have found great favor among the ladies of taste. Such offerings as these have never been shown in Scranton this year, 40 inches long, double-breasted, large sleeves and tight-fitting.

\$7.50, \$8.50 and \$9.50 the Garment. Regular prices until now were \$12, \$17, and \$20.

TUNKHANNOCK.

Neal Vanderwerker, of Laceyville, languishes in jail for stealing a pair of shoes from a comrade named Dunlap. The two men came here yesterday and went on a spree. When Dunlap missed his package containing the shoes he swore out a warrant for Vanderwerker, charging him with having stolen them. The latter acknowledged the corn, and Esquire Eastman sent him up to the bastille.

A lot of loose mill machinery belonging to E. H. Elston, at Still, will be sold under the sheriff's hammer at 11 a. m., Thursday, at the instance of H. M. Stone. The real estate will also be sold later.

Efforts are being made to resuscitate the electric railroad and electric light schemes here again. The railroad project contemplates a line between here and Factoryville, with branches to reach out and touch Lakes Carey and Winola. It is claimed that sufficient power to generate the electricity could be obtained by damming Tunkhannock creek or tapping the flow pond at Lake Carey.

If such a plan is feasible, the road could be operated very cheaply and doubtless would be a paying institution. As an aid to such projects, however, the next legislature should amend the laws that a charter could be granted to electric lines allowing them to carry freight where they do not run parallel with steam roads.

"It seems too bad," remarked one of our business men today, "that the census reports should give our town only 1,600, when at the lowest estimate there are 2,800 people living within a radius of three-quarters of a mile from the court house." It is rather belittling, for a fact.

A large derrick was transferred today from Hawke & Shield's quarry to N. A. McKown's quarry on the Leighton farm. This indicates that active operations will be carried on at the latter place as long as the weather will permit.

Hiram Cortright is reported better, but is still obliged to remain at the home of her brother-in-law, Aaron Barron. The eighteenth annual session of the Mutual Musical alliance will be held in Edwards' opera house at Laceyville commencing Wednesday morning, Dec. 28, and closing Saturday evening following with a grand concert.

Professor B. C. Unsell, of Cincinnati, will conduct it, and Miss Cleopatra Sheldon has been engaged as soloist, while Miss Florence Richmond, of Scranton, will preside at the piano. The fact that these people have been secured augurs well for the success of the convention.

Frank Thompson, an old war veteran residing on Harrison street, is very seriously ill. Mrs. Childs and daughter, Lillian, have gone to Middletown, N. Y., for a visit.

The following officers were elected at a meeting of Temple chapter, No. 172, Free and Accepted Masons, Monday evening: T. B. Vosburg, most eminent high patriarch; George S. Baldwin, king; John B. ennings, scribe; James W. Platt, treasurer; Draper Billings, secretary; B. W. Lewis, A. E. Mowry, R. E. Billings, trustees; N. A. McKown, representative to grand chapter.

A case that calls for deepest sympathy is that of the family of John Wilsey, who recently arrived here from Texas. The daughter, Mrs. Withrow, lies dead in the house, while the father was at the Moses Taylor hospital, Scranton, expecting to be operated on for cancer when he was called home by the death of the daughter. The mother is also in exceedingly poor health, and, taken altogether, their lot seems pitiable. Mrs. Withrow will probably be buried today.

Thaniel Wintermute is confined to the house with rheumatism again. Professor George Young's orchestra will give a concert at Kingston shortly. The date is not yet announced. The public park project promises to succeed. It will be owned by a stock company.

The articles of agreement are as follows: Ten yards distance; two-inch pins; soft sticking clay ends, not to exceed two feet in diameter; pins to be in center of clay; five pound quilts, two ounces allowed under or over; eight and one-quarter across, one inch high, five inches in the hole, one-quarter inch or over; clay to be six inches deep; pin not to exceed one-quarter of an inch across the top; game to be sixty-one points up, the first half to be played at the house of John Ricooby, Mudtown, New Year's Day, and the second half to be played at Thomas Logan's, Priceburg, Jan. 5, 1895, each game to commence at 1 o'clock p. m. sharp. The stakes to be for \$100 a side. Ten dollars a side has been posted in the hands of Thomas Logan, temporary stakeholder, to bind the match. Each party failing to do the above stated articles, forfeits all money down.
