John T. Scanlon Buried.
St. Patrick's church Jackson street contained a large number of people yesterday morning at 9:20 o'clock, at the funeral of the late John T. Scanlon. The remains were removed to the church from the home of J. J. Gettings, on West Lackawanna avenue, where the young man died. After a service of prayer, Rev. J. B. Whelan delivered a sermon, taking his text from Job, during which he designated life as short and uncertain, as was shown in the case of young Mr. Scanlon, who had just entered in the path of life. The floral offering consisted of a handsome pillow. After the services the funeral cortege moved out to the Hyde Park Catholic cemetery, where interment was made. The pall bearers were Edward Galiski, Michael McCann, Joseph Leonard, Eugene Cosgrove, Joseph Gallagher and Patrick Duffy.

Permanent Man Resigns.
Marvin Steenback, who, for six months, has been a permanent man at the Franklin Engine works, resigned on Saturday evening. Mr. Steenback gave no reasons for his sudden departure. There were two permanent men at the house, the other being John Kline. Another man has been appointed temporarily until Frank Hutchinson, who has just received the appointment, takes his place. During Mr. Steenback's short stay at the house, he and Mr. Kline put in many original improvements, including a patent apparatus for pulling off bed clothes when alarms sounded. The Franklin Engine company will elect officers for the ensuing year on the second Tuesday in January.

Officers Elected.
The following officers were elected on Tuesday evening by the members of Hyde Park castle, No. 18, Ancient Order of the Mystic Chain, resigned, past commander, T. E. Lewis; sir knight commander, Lewis Costlett; sir knight vice commander, Edwin Davies; sir knight first lieutenant, John Moyle; sir knight staff, Edwin Jones; financial scribe, David E. NEWS OF THE SOUTH SIDE
Lieutenant Zang Will Pay Attention to Tramps at Cinder Dump.
SUSPECTED OF BURGLARIES
Patrick Casey Throws a Lighted Lamp at His Wife and She Has Him Arrested—Royal Arcanum Elected Officers for Year.

There is every reason to believe that the burglaries lately attempted on this side, one or two of which were partially successful, have been the work of the gang of hobos that make their headquarters at the Cinder dump in the upper end of the Twelfth ward. These wandering denizens have become so bold that not only do they attempt to break into the houses, but they have made requests at the back doors of the houses, and their requests are made in a very peremptory manner. Lieutenant Zang went to their quarters a few weeks ago and became convinced that an attempt would be made to break into the dump. He accordingly intended to make the warm surroundings of the Cinder dump their station for the coming winter.

The same evening with a squad of officers he visited the place and they were rewarded with the capture of four professional tramps. For a few days the depositions in parts of the South Side ceased, but it has been learned that another gang has taken the place of those lately arrested, and the newcomers are to all appearances more vicious than any that has yet paid the place for a visit. The police are on the lookout for them and expect to make a haul either tonight or tomorrow night, unless the tramps have taken warning and moved.

More of Casey's Troubles.
Patrick Sparrowstein, Casey, slept last night in the street lock-up and Maria May Gillard Casey, his wife, will appear against him at police headquarters this morning. The charge against him is a very serious one, that of throwing a lighted kerosene lamp at her wife. When he flung the lamp at her she happened to get another woman in the house, a neighbor who lives across the street, and was attracted by Mrs. Casey's screams and the furious and drunken ravings of Casey. She was standing close to Casey when he caught hold of the lamp and she grabbed him by the hand, which caused him to lose his balance and the lamp went to smash against the wall. It set fire to the wood work and a little difficulty was experienced in quenching the blaze.

At this stage of the game Mrs. Casey sent a messenger after Patrolman Bland and the tumultuous husband had taken to his heels before the officer arrived. About 8 o'clock last evening Patrolman Boland observed his prisoner going toward the house, and he waited until he got inside, then he pounced upon him and had him pinned under arrest before the bewildered Casey could get ready himself about what was the matter.

At a meeting held last night in Fruehan's hall an election of officers took place in Electric City castle, No. 141, Royal Arcanum. With not more than one year's existence this castle is now quite firmly established on a solid basis and has a flourishing membership. The officers elected last night to serve for the coming year are as follows: Regent, Henry J. Sprukis; vice-regent, Edward Goldard; orator, Frank J. Dickert; treasurer, Ambrose Herz; secretary, Emil Baum; collector, Harry K. Klau; editor; guide, Oscar Grambo; warden, Edward Pashkowski; sentry, Edward Mahar; and trustee, C. G. Boland. It is an unusual thing that a meeting of the castle goes by without the initiation of at least one and sometimes as many as a half dozen members.

Shorter Paragraphs.
Columbus council, Young Men's Institute, will elect officers next Monday night.
James Connell lodge, Independent Order of Odd Fellows, met last night and conferred the initiatory degree on two candidates.
Rev. E. L. Santee, pastor of the Cedar Avenue Methodist Episcopal church, is arranging a special programme for Christmas services.

John P. Donahoe will arrive home from New York Saturday night to spend the Christmas holidays at his home on Stone avenue.
Patrolman William Gschelke has not been on duty in a week owing to an attack of sickness. He is almost recovered and will be at his post in a few days.

A Voluntary Statement.
Mrs. Ella R. Nolan, of 20 State street, Auburn, N. Y., says:
For the past seven years I have been a great sufferer from rheumatism and rheumatic gout. My ankles, feet, wrists and hands were swollen to an enormous size, and I was unable to bend my joints. I was compelled to crawl on my hands and knees. A great part of the time I was confined to my bed, unable to help myself in the least. I had the best medical attendance, but obtained only temporary relief. One day a gentleman calling upon some business, seeing my helpless condition, "If you will get some of Dr. Potter's Rheumatic Pills, I think they will cure you."
I did not have much faith, but I was in such a helpless condition, could scarcely move about, could not close my hands at all, got up and down stairs sideways, that I thought I would try the pills. Accordingly I bought two boxes of Dr. Potter's Rheumatic Pills, and after taking them three days, the pain all left me and has never returned. I had the best medical attention, but I was encouraged and kept on taking them, and an entirely cured. I have now taken six boxes, and can do all my household work without the least pain. The swelling is all gone, can move my joints naturally and feel as well as ever I did. I cannot say too much in praise of Dr. Potter's Rheumatic Pills and will gladly see any one who will call at my house, 29 State street, and verify the truth of this statement. I heartily recommend Dr. Potter's Rheumatic Pills to all who suffer from rheumatism.

They are a radical cure for rheumatism, inflammatory rheumatism, gout, rheumatic gout, both acute and chronic, and all kinds depending upon and having their origin in the uric diathesis. Price, \$1.00 a box. For sale by Matthews Bros., wholesale and retail, Scranton, Pa.

A GRATEFUL PATIENT TESTIFIES TO DR. HACKER'S TREATMENT OF NERVOUS DISEASES OF YOUNG MEN
I give the following statement unasked. I have been a sufferer for so long a time and have spent so much money, with so-called specialists and one time have been disappointed and misled, that it was with a good deal of doubt that I called on DR. HACKER. But knowing of some of the cures he made in this city four years ago, and the confidence of the people of Scranton in him then, I resolved to try him. It was a lucky move for me. I was troubled with dizziness, spots floating before my eyes, had dreams, melancholy, easily startled when spoken to, no desire to exert myself and tired on the least exertion, especially in the morning; had no pleasure in company; very nervous and altogether was a complete wreck. But thanks to DR. HACKER, I am today a well man. I would advise all young men suffering as I did to call on him to try him. If 4 days I gained in flesh is pounds. For obvious reasons I prefer to withhold my name, but if any who suffer will call on DR. HACKER at the Lackawanna Medical Institute, he will furnish my name and address.
