MEETING OF BOARD OF TRADE

Matters of Interest to Citizens of the West Side Discussed by New Officers of the Franklin Engine Company Elected.

The West Side board of trade held their monthly meeting last evening in St. David's hall on North Main avenue. There were present William H. Roe, T. Fellows Mason, William Farrell, H. D. Jones, A. M. Morse, Charles E. Daniels and D. M. Jones. Mr. Jones presided.

Regarding a branch postoffice, Charles Daniels and William Farrell called upon Postmaster Vandling and Mr. Vandling stated that the government did not realize the large amount of ground that Scranton covered, considering its revenue. He proposed that a special request be sent in to the government stating the above facts.

A petition had been received from the residents of Ninth street asking for the opening of that thoroughfare to Meridian street. Mr. Daniels thought it advisable to ask the Delaware, Lackawanna and Western company who are about to wash the culm from the dump near by, to wash it from this point when the work begins.
