 Feels Like A New Woman Since Taking Hood's Indigestion and Sick Headaches Also Relieved

"C. I. Hood & Co., Lowell, Mass.: I have been taking Hood's Sarsaparilla since last December for indigestion, catarrh and sick headache, and it has made me feel like a new woman. When I commenced taking it I did not have any appetite and for years I had to be very careful about my diet. Now I can eat any kind of food without any distress afterwards. I had a severe case of catarrh, and this with my indigestion brought on frequent attacks of sick headache. They bothered me very much. But since taking several bottles of Hood's Sarsaparilla All is changed. It has cured me of catarrh and my other troubles. I hope every one similarly afflicted will try Hood's Sarsaparilla and be convinced of its merit." Miss ELLA JOHNSON, 808, 1215 Alder Street, Philadelphia, Penn.

Lace curtains, portieres, shades, carpets and remnants of carpets must all be wadded out. A strip of carpet at a trifling cost will save you dollars in preserving carpets that are yet good, and a great many of the remnants will cover the whole floor of that small room on which you have so long wanted a carpet, and cost no more than the straw matting. We feel sure that the numerous wonderful bargains we shall offer will reward a careful examination.

We find by a careful review of the transactions of the past year that we have sold more goods at sacrifice prices than ever before. This fact explains another of greater importance to us, namely: The space formerly occupied by so-called
