Paine's Celery Compound.

The unequalled demand for Paine's elery compound among the people of this state is but an index of the great good that it is doing-

Not only in this vicinity, not only in every eastern state, but everywhere in the United States. Paine's celery compound, the wonderful remedy that makes people well, is

beyond question the most reliable production of modern medical science. Nobody disputes it. From the day it was first prescribed by that most eminent of American physicians, Professor Edward E.

Phelps, it has been recommended, pre-

scribed and its merits extolled by the ablest of physicians. The best medical journals have devoted almost unlimited space to the cures it has effected. The daily press of the large cities has contained account after account of remarkable cases of "health restored by

"Last spring," she says, "I had a severe attack of muscular rheumatism At first I used a deal of liniment, which gave me some relief, but it finally set-tled in my feet, making me a hobbling cripple. I then began using Paine's celery compound and the second bottle cured me completely, so now I am a walking advertisement, and recommend Paine's celery compound most cheerfully. I can heartly recommend it, as an invaluable remedy, to all who are afflicted, and shall always keep it in
