BOUTH SCHANTON, PA., Nov. 10, 1894. Mr. C. W. Campbell-Dear Sir: I have given my boy, Freddie, 7 years old, some of Dr. Campbell's Magic Worm Sugar and Tea, and to my surprise this afternoon about 2 o'clock he passed a tapeworm measuring about 35 feet in length, hasd and all. I have it in a bottle and muy person wishing to see it can do so by calling at my store. I had tried numerous other remedies recommended for taking tapeworms, but all failed. In my estimation Dr. Campbell's is the greatest worm remedy in existence. Yours yerv reaneetfully. FRED HEFFNER, 722 Beech St. Note-The above is what everybody savy after once using.
