

TALES OF TWO PITTTSTONS

News of Interest to Readers Up and Down the Valley.

THE VAUGHN-BAIRD WEDDING

Numerous Guests Witness the Ceremony. Gilbert Ely is Committed to Jail. Merry Skaters at Wilkes-Barre. Personal and Other Notes.

Special to the Scranton Tribune.

Pittston, Pa., 31.—The marriage of Miss Elizabeth Vaughn to William Baird was solemnized at the home of the bride's parents, on South Main street, last evening. Promptly at 8 o'clock the bridal party, headed by the maid of honor, marched into the parlor to the beautiful strains of Mendelssohn's wedding march, played by John Reynolds, and stood under a canopy of evergreen and smilax, where the ceremony uniting the happy young couple was performed by Rev. Robert Holmes.

Miss Mary Davis, of Scranton, was maid of honor, Miss Maggie Killian was bridesmaid, and A. W. Baird acted as groomsmen. The young couple were the recipients of many useful and handsome presents. Over 100 guests were present, among whom were the following: Mrs. David Blanchard and daughters, Anna, Emily and Jennie, of Parsons; Mr. and Mrs. J. T. Daniels, Mr. and Mrs. David Vaughn, Mrs. Daniel Morgan and Mrs. Grace A. Baird, of Wilkes-Barre; Mr. and Mrs. Even Davis, and Misses Stella and Sadie Meredith, of Scranton; Miss Mame Davis and Thomas Davis, of Danbury.

Citizens' meeting at town hall tonight to reorganize the board of trade. All who are interested, and everybody should be, ought to be in attendance and aid in promoting the best interests of our new city.

Gilbert Ely to Stand Trial. Gilbert Ely, who attempted to assassinate W. H. Ward, manager of the Little Rhoades Comedy company, on Jan. 22, was given a hearing before Justice Gibbons this afternoon at 5 o'clock. As Ward's case may yet prove serious, Justice Gibbons committed Ely to the Luzerne county jail to await the next convention of the court of quarter sessions of Luzerne county. Ely will in all probability be released on bail, which was fixed at \$800.

The Traction company's men, who were arrested yesterday, were given a hearing before Justice Gibbons, who released them on bail. They were taken before Burgess Maloney this morning, who, after cautioning them not to repeat the offense, released them for one week, until Attorney Hibbs, counsel for the Wilkes-Barre and Wyoming Valley Traction company, could arrange with the company for the costs.

All regular subscriptions of the Scranton Tribune will be received at our local office, No. 8 South Main street. Among the many merry skaters of Pittston that attended the ice carnival at Wilkes-Barre were the following: George Langford, Theodore Kite, Dunham Lamb, Alvin Lynne, Eugene Warner, Henry Weeks, Andrew Shellenbarger, John and William Touhill, Miss Anna Lewis and Miss Townsend, of Tunkhannock.

Arch Baird returned to his home in Mauch Chunk today. W. F. Sandway, of Ransom, was in town on business today. Edward Fitzpatrick was a visitor in Wilkes-Barre last evening. Matinee of the Daisy Beverly Comedy company at Music Hall Saturday afternoon at 2 o'clock. The western melodrama entitled "The Silver Bird," introducing Little Pansy, the charming child actress. Admission 25 and 50 cents. Children, 15 cents.

Contributions of news will be thankfully received at the local office of The Tribune. The DeMoss family at Music hall Monday night. Miss Laycock and the pupils of her kindergarten school enjoyed a very pleasant sleighride this afternoon. A meeting of the school board will be held tonight.

Death of Mrs. Andrew Brennan. The death of Mrs. Andrew Brennan occurred at the family home on Luzerne avenue yesterday afternoon at 3 o'clock. She was a woman of kindly and sweet disposition and was much loved by all who knew her. She was Mary, the oldest daughter of Mr. and Mrs. Michael Sheridan, of Sebastopol. She is survived by a son, 1 year old, and her husband, also her parents and three brothers and one sister. The funeral will take place from her late home on Saturday morning at 9 o'clock with a mass of requiem at St. John's church. Interment at Market Street cemetery.

An exciting contest was played at the armory this evening between the Scranton and Pittston Basketball teams, resulting in a victory for the home team. Score was 5 to 10. Coleman, the Scranton center, was disqualified in the first half of the game for rough playing. Michael Conroy, a breakman on the Lehigh Valley, had his hand crushed between the bumpers at Coxton at 11:30 this morning. His wounds were dressed at the hospital. Conroy left for his home in Mauch Chunk this afternoon.

Complaints of non-delivery of The Tribune should be reported at our local office, 8 South Main street.

EARTHQUAKE IN MEXICO.

Terror Reigns in the Cities Where the Earth Trembles Daily. By the United Press. St. Louis, Jan. 31.—A special from the City of Mexico says that since the great earthquake shock of Nov. 22, 1894, which caused the loss of fifteen lives in that city and destroyed thousands of dollars worth of property, a reign of

terror prevails in the towns of Jamaltepec and Tuxtepec, in the state of Oaxaca, where the earth trembles from six to eight times a day. The churches and houses are a heap of ruins and the inhabitants have nearly all fled to neighboring towns. The eruption of some volcano presumed to exist in subterranean form close by is momentarily expected.

Tuesday night between 8.45 and 9 o'clock earthquake shocks were felt in many places in the state of Oaxaca. The time of duration was three seconds.

GUATEMALA YIELDS.

An Amicable Settlement Will Probably Be Reached with Mexico. By the United Press. Washington, Jan. 31.—Mexico and Guatemala, according to the impression of state department officials, are progressing satisfactorily toward an amicable settlement of their differences. It is understood that Guatemala has practically conceded the main portion of the boundary line as laid down by Mexico.

INDUSTRIAL TOPICS.

The Delaware and Hudson earned on the stock for the year 1894 7.1 per cent.; earnings in 1893 were 10.71 per cent., and in 1892 10.11 per cent. The Mexican Central railway will establish a bureau in the City of Mexico to disseminate information about the resources of the country, and the opportunities for the safe investment of capital.

Of late years, remarks the Wilkes-Barre Record, there has been a general introduction of machinery in coal breakers, by which large quantities of coal which was formerly wasted are saved. It is only a few years since no coal smaller than chestnut was saved. Now at least three or four smaller sizes are produced at many collieries. A colliery in Schuylkill county shipping about 100,000 tons in 1894, made the following average of sizes of coal:

Table with 2 columns: Size of coal, Percentage. Total 100.00.

The average sizes made will differ at each colliery. It is reported by the Philadelphia Inquirer, which is bearing the coal market, that a large quantity of stove coal has been sold in New York harbor at \$2.90 per ton. It is true the coal had been stocked and was not in good condition, but the price is even worse than the coal. Philadelphia prices are said by the Inquirer to be as badly demoralized as those at tide-water. Stove coal to Philadelphia dealers has been sold at prices as low as \$2.10, as against \$2.55, the nominal circular, and \$2.30 the supposed actual price. The lowest price made for stove coal at the famous Lackawanna auction sales was \$2.32.

With these prices every anthracite company except the Lehigh Valley suspended dividends. "And now," adds the Inquirer, "coal is being sold only 60 cents above the lowest price ever known; prices are going lower daily, and the anthracite percentage committee is quite unable to agree upon anything, not even upon a basis for settling the difficulties of the trade. It is high time that the presidents of all the anthracite companies were called together, as J. Pierpont Morgan called them together seven years ago, and told them that they must take steps at once to end this terrible waste of income and impairment of capital."

A bill was introduced into the West Virginia legislature which is of considerable importance to many local capitalists. The measure makes it unlawful for any railroad corporation, by its officers, its agents, or otherwise, to engage in the business of buying coal, coke or other commercial commodities, or to pledge its aid or credit to another engaged in such business. It also makes it unlawful for any person or firm to enter into an agreement with any railroad corporation to supply or purchase from any such railroad corporation coal, coke or other commercial commodities, or for any railroad to discriminate among shippers, and for those to make ample and sufficient provision for the transportation of coal and coke offered for transportation, as well as makes it incumbent upon the officers or railroads to furnish a sufficient number of cars for the transportation of coal and coke from all mines, without favor or discrimination. Penalties attached for the violation of the provisions of the proposed law are from \$500 to \$10,000 for each offense, and the officers or agents of such companies who violate any of the provisions of the law are to be deemed guilty of a felony, and upon conviction, shall be confined in the penitentiary not less than one nor more than five years. In addition to these severe penalties it is provided that the railroad violating any of the provisions of the law shall forfeit its charter, rights and privileges. The proposed bill was framed in behalf of the coal operators of West Virginia, but its provisions are so severe that it is believed it cannot pass in its present shape.

For Colds, Croup, Asthma, Bronchitis and Sore Throat use Dr. Thomas' Electric Oil, and get the genuine.

Would you ride on a railroad that uses no danger signals? That could be a signal of danger. The safest cure is Dr. Wood's Norway Pine Syrup. Sold at all dealers on a guarantee of satisfaction.

BOARD OF HEALTH MEETING.

State Associated Authorities Discuss Sanitary Questions.

THE ELECTION OF OFFICERS

Dr. Allen, of Scranton, Chosen Third Vice President—Dr. Matson's Paper on Exposed Water Supply and Typhoid Mortality—Legislation Needed.

By the United Press. Harrisburg, Pa., 31.—The State Associated Health Authorities this morning elected the following officers: First vice-president, Major Moses Veale, Philadelphia; second vice-president, Crosby Gray, Pittsburg; third vice-president, W. J. Atkinson, Philadelphia; treasurer, Jesse O. Green, West Chester.

Dr. Lee outlined the bill framed by the legislative committee of the board authorizing school boards to establish township boards of health, having practically the same powers as borough boards. The board gave the bill its endorsement and recommended its passage.

Dr. Groff offered the following resolution: Resolved, That the legislative committee of this board be authorized to draft a bill for presentation to the present legislature, which bill shall offer a prize of \$25,000 to the discoverer of a practical means of disposal of all sewage by precipitation, filtration or otherwise, and have waste in a solid form that it might be returned to soil.

The resolution was adopted. Bills with reference to the appropriation to the state board of health, removing the limitation; providing for the removal of the restriction in the binding of the board's reports; providing for the establishment of a bacteriological bureau in Harrisburg; providing for the employment of a vital statistics clerk; placing in the investigation state board of health the investigation of the sources of pollution of all water supplies; providing for the continuance for an emergency fund; providing for the incorporation of sewage companies, and giving them the right of eminent domain were endorsed.

In Reference to Tuberculosis. The board passed a resolution approving the suggestions made by Major Veale that municipal government, by proper appropriations, provide hospital accommodations for the poor suffering from tuberculosis.

Dr. Shoemaker offered a resolution calling for suppression by the state of contagious diseases in animals that are transmissible to man.

The treasurer's report showed receipts from fifty-six local boards of health, and payments aggregating \$228.45, leaving a balance of \$31.57.

Dr. Matson, of Pittsburg, read a paper on "Exposed Water Supply and Typhoid Mortality in American Cities." He urged filtration as a preventive. "The Proper Use of Disinfectants" was discussed by Dr. Benjamin Lee. This evening there was a well attended meeting in the hall of the house of representatives.

Hon. Henry P. Walton, speaker of the house, presiding. The address was made by Dr. L. M. Stone, chemist of the Massachusetts State Board of Health, after which there was a general discussion of sanitary legislation needed in Pennsylvania.

CARBONDALE.

Mrs. J. Cooper Moyer returned to her home in Fort Plain, N. Y., yesterday afternoon from a brief visit in this city. Tickets will be placed on sale today for the Cambro-American Concert company's entertainment, which will be held on Feb. 21 in the Baxter tabernacle. Tickets will sell at 50 cents.

Mr. and Mrs. Patrick Ansbury, of Hospital street, are mourning the death of their 2-year-old son, Joseph, who died yesterday morning of diphtheria. The remains were interred in St. Rose cemetery yesterday afternoon.

Wednesday the Ladies' Foreign Missionary society of the Presbyterian church met and elected the following officers: President, Mrs. Percy Briggs; first vice-president, Mrs. W. E. Frible; second vice-president, Mrs. J. E. Burd; secretary, Miss Amelia Davis; treasurer, Mrs. James Thompson; assistant treasurer, Mrs. S. S. Jones.

Orrin Humphrey, of Binghamton, N. Y., is the guest of Mr. and Mrs. D. W. Humphrey, of Salem avenue. Miss Hattie Pascoe, of Washington street, will leave on Saturday for an extended visit with friends in Brooklyn and Newark.

An Ontario and Western engine collided with a work train at 7.45 o'clock yesterday morning near what is known as Mosler's switch, just above Maplewood cemetery. Three Hungarian laborers were painfully injured. In no case will the injuries prove fatal. The property loss to the company will not be large.

HALLSTEAD.

Rev. John Davis and wife, who have been spending their vacation at Afton, N. J., have returned home.

STOCKS AND BONDS.

New York, Jan. 31.—The stock market was governed entirely today by the rumors current about the conference between the assistant secretary of the treasury, and local and foreign bankers. The conference lasted nearly all day and at its conclusion it was understood on the street that a call for public subscriptions for \$100,000,000 4 per cent. bonds will be issued shortly and that the foreign bankers will take all of the bonds not subscribed for by home investors. The reports had a weakening effect on the sterling exchanges, and actual rates were reduced. Government bonds were also lower at the board. In addition the withdrawals of gold from the sub-treasury were smaller than for some days past.

Taken together, a more confident feeling prevailed on the belief that the negotiations now going on between the treasury officials and bankers will tend to relieve the financial tension. The coalers scored gains ranging from 1/2 to 1/4 per cent. in the market. The quotations are furnished The Tribune by G. du B. Dimnick, manager for William Linn, Allen & Co., bond and stock brokers, 412 Spruce street, Scranton.

The range of today's prices for the active stock market in New York is given below. The quotations are furnished The Tribune by G. du B. Dimnick, manager for William Linn, Allen & Co., bond and stock brokers, 412 Spruce street, Scranton.

Table with columns: Op'n, High, Low, Close, and various stock symbols like Atch. To. & S. P., Am. Sugar Ref. Co., etc.
