Joint Committee of Councils at Work on Estimates for Next Year.

CUTTING IN ALL DIRECTIONS

A Fight Made on the Appropriation for a Paid Fire Department--Ward Street Improvements Will Be Handled in the Same Old Way.

Retrenchment is the watchword among the members of the joint estimates committee of councils, which met yesterday afternoon for the first time.

C. W. Westfahl, chairman of the select council committee, was chosen to preside and City Clerk Lavelle was directed to proceed with the reading of the estimates of expenditures for the fiscal year commencing the first Monday of April of the present year.

When they were all read the grand total amounted to \$398,837.57, or \$75,413.35 more than the amount appropriated last year.

Miss Agnes Kerrigan entertained a large number of her friends at her home, on Market street, last Wednesday night.

William J. Lewis, of Edna avenue, expects to leave today for a short trip to the south. He expects to visit various places in Florida and Cuba.

A large number attended the lemon social at the Church of the Good Shepherd last night, which was held under the auspices of St. Catherine's guild of the church.

According to his way of thinking it looked as if the ordinance was the product of some of the city officials and councilmen who have not got much to do, and their spare time is taken up in evolving hobbies from their brains.

The estimates for the mayor's department, \$4,500, was adopted as read. Mr. Noone wanted to cut out an item of \$700 for detective services, but his effort was fruitless.

The city controller's department asked for \$4,000 and it was adopted as read. City Solicitor Torrey wanted an increase of \$1,000 in salary, but the committee refused to allow it; otherwise the estimates were granted, amounting to \$2,600. The city clerk's department was granted \$5,250, the amount asked for.

Salary Clipped Down. The estimates for the maintenance of the municipal building were laid over until next meeting. The amount asked in the city engineer's department, \$10,670, was granted, except \$200 which was provided for an assistant city engineer, above the salary of the draughtsman last year.

The street commissioner's department was allowed the amount asked for, \$51,875.80. But a change was made in the ward appropriations. For the coming year it was proposed to expend the ward appropriations under the direct supervision of the street commissioner, and take the matter out of the hands of the ward councilmen. This scheme did not take well and it was decided to have the ward appropriations expended the same as heretofore.

Mr. Golden moved to strike out the item of \$600 in the police department providing for a clerk to the chief of police, Horatio T. Fellows seconded the motion. The rest of the appropriation passed, amounting to \$50,760.

The next was the fire department appropriation. Mr. Robathan wanted to have a sub-committee of three appointed to secure information and facts concerning the appropriation and the benefits of a paid department.

Mr. Thomas said that it would be enough to ask the chief of the fire department to be present at the next meeting of committee and he might be able to give all the information the committee desired. This idea suited Mr. Robathan and he withdrew his motion, and Mr. Thomas's suggestion was adopted.

Building Inspector All Right. The building inspector's department was allowed its claim, \$1,675. An amendment was made by Mr. Golden in the board of health department to increase the salary of the food inspector \$140 per annum. The Scranton Public Library wanted \$10,800 against \$9,900 last year. Mr. Robathan moved to make the appropriation the same as last year and his motion was adopted.

The biggest clash made in any appropriation was in the estimate for the improvement of Council park, amounting to \$4,000. Mr. Robinson asked that all the items be stricken out and a total of \$1,000 substituted. This was agreed to. The estimate of \$250 for Woodlawn park was adopted. For improving Nay Aug park \$12,000 was asked. Mr. Robinson moved to defer consideration of the appropriation until the next meeting, and the park commissioners will be notified to attend the meeting and explain what purposes they want to devote the money to.

The estimates for general city expenditures, amounting to \$7,450.05, were allowed, except an item of \$5,461.74 in favor of the Providence and Abington turnpike company for damage claims. This item was deferred until the next meeting, when an opinion from City Solicitor Torrey will be read.

The committee adjourned until Tuesday next at 7.30 p. m.

NEWS OF THE SOUTH SIDE

Property Owners of the Eleventh Ward Are in Favor of a Sewer.

SITE FOR FACTORY SURVEYED

Intention Is to Locate It at Anthracite and O'Hara Streets--Death of Son of Mr. and Mrs. Peter Rork.

Even though the question of politics is an absorbing one and now is the time when public interest is at the highest, it is the simple truth to express that the taxpayers of the Eleventh, Twelfth and Nineteenth wards are less anxious about politics than they are about the proposed new sewer.

The property owners of the Eleventh ward are in favor of the sewer and they want it and are willing to pay for it. In the other two wards there is a strong opposition to it and it is believed that their influence will be brought to bear on the members of common council.

Slit Factory Site Surveyed. Civil Engineer William Monsey, of William Connell & Co., has been busy for the past few days surveying the site of the proposed new silk factory, which is to be located in the upper end of the Twelfth ward.

Work has been resumed at the Saugol silk mill on the floor that was idle owing to a break in the machinery. Jacob Kreller, of Pittston avenue, who was injured last Sunday night at the Scranton Button factory, returned to work yesterday.

The condition of Miss Kittie Boland, of Prospect avenue, has become so alarming that she is in danger of death, and her mother was telegraphed for to Carbondale yesterday.

The citizens of the Twelfth ward are beginning to wonder if the two councilmen contests will be decided before the terms of Messrs. Manley and Sweeney shall have expired.

A meeting of the South Side Polo team was held last night at 1802 Cedar avenue, and arrangements were made for their game this evening with the Arcadians, of the West Side, at the Driving park.

The concert last night at Natter's hall under the auspices of the Scranton Saengerbund was a pronounced success. The hall was filled with an appreciative audience. This proceeds went to the benefit of Professor Schmidt, the teacher of the organization.

Fred, the 6-year-old son of Mr. and Mrs. Peter Rork, of 540 Alder street, died Wednesday afternoon and the funeral will take place today at 2 p. m. Burial services will be conducted at the German Catholic church, on River street, and interment will be made in No. 5 cemetery.

Resolutions Signed by Mayor. Mayor Connell yesterday signed his official signature to the following resolutions, passed by both branches of councils, and they are now laws: Instructing Street Commissioner Kirt to rebuild the sewer basin on the westerly corner of Seventh street and West Lackawanna avenue; authorizing the city clerk to draw a warrant in favor of Joseph Meyer for \$140; exonerating the congregation of All Souls' Protestant church from payment of its pro rata assessment for the expense of grading Pine street.
