Use of Coal by Steamships. The Atlantic steamers, which must make the voyage now in seven days or under, burn from 200 to 300 tons of coal daily, making this item of expense over \$1,000 every twenty-four hours. The Umbria burns twelve tons of coal per hour, and on every vessel of her size the journals and bearing of the machinery require 120 gallons of lubricating oil per day.

NEWS OF THIS VICINITY

TUNKHANNOCK.

Mrs. Hallett returned to her home at Sonora, N. Y., yesterday.

D. C. DeWitt, esq., would like to come down from Towanda and address the farmers at their coming institute on the subject of finance. DeWitt is a sterling Democrat, but he promises not to introduce politics if he comes. He is a deep thinker, and able to tell what he knows; besides which he has some pretty sound views on the currency question. It would not be amiss for the committee in charge to invite him down.

The Hotchkiss Sisters Concert company will give an entertainment at the court house on Wednesday evening. The program consists of the Junior Christian Endeavor society of the Presbyterian church. The Baker school law has complicated the question of voting for school directors among those who live out in the township, but belong in the borough school district. They ought to be entitled to vote for directors in their own school districts, and yet, if allowed to do so, there is nothing to hinder their voting the full borough ticket while shut up in the booth alone. Again, if they vote the balance of the ticket in the township, what is to hinder, beside their own conscious integrity, from voting for school directors there also.

Perhaps the thing that has been adjusted at night by some wisecracker, and if so he will confer a favor by rising up and explaining.

The Lehigh Valley telegraph operator at Skinner's Eddy has been laid off, and the ticket agent has not only to fulfill his ordinary duties, but to smash baggage and sling lightning as well.

LIKE A MIRACLE.

Salt Rheum, Impure Blood and a Racking Cough That Baffled Physicians, Finally Cured.

In the town of Amherst, Mass., Mr. George B. Pierce and his mother are the proprietors of the Amherst Creamery association. Mrs. Pierce has suffered for a long time with Salt Rheum and a cough that forbade Consumption, but they have given way to health and vigor. Hearing of this a reporter called on Mrs. Pierce, and the following experience was related:

"For a long time I suffered from Salt Rheum," said Mrs. Pierce, "but about two years ago I slipped and hurt my knee, which made it worse. I can't begin to tell the agony I was in. My limbs became a mass of raw flesh covered with running sores. My friends would say I could not live long, and I thought so, too. Well, I heard of Dr. David Kennedy's Favorite Remedy and Dr. David Kennedy's Salt Rheum Cream. I commenced using them, and in three weeks I walked out in doors. Last night I walked a mile, and I am 63 years of age. It shows that Dr. Kennedy's Favorite Remedy and Salt Rheum Cream can do more than the physicians for they made me well after my doctors told me I was incurable. I must also tell you of another preparation. Dr. Kennedy advised me to use, which did as much for me. It was Dr. David Kennedy's Cherry Balsam. I have had a wretched cough for the past fifteen years; the best doctors in the state united in saying that it was incurable, and that it was only a matter of time before my lungs would give out--my sleep was restless, I would lie awake for hours. I will recollect the first time I used Dr. Kennedy's Cherry Balsam. It relieved my throat at once, and I slept all through that night, the first full night's rest I had in several years. It seemed like a miracle. I took but two bottles and was cured."

Dr. David Kennedy's Cherry Balsam cures asthma, bronchitis, various colds, incipient consumption, whooping cough or croup. Taken with Favorite Remedy it never fails. Price 25 cents, 50 cents and \$1 a bottle. Dr. David Kennedy's Salt Rheum Cream is sold at 50 cents a package. Dr. David Kennedy's Favorite Remedy costs \$1 a bottle or six bottles for \$5.

Nerves and Blood

Strengthened and Purified by Hood's Sarsaparilla

Scrofula, Humor and Distress in the Stomach Cured.

The following testimonial comes from Mr. D. Sterling Mitzel of Wintertown, Pa., who conducts a printing office and collecting agency and is the youngest justice of the peace in the state: "C. I. Hood & Co., Lowell, Mass."

Hood's Sarsaparilla is a wonderful herb-remedy, nerve-strengthening and blood-purifier. For the last four or five years I have been troubled with humor and scrofula in the blood, breaking out all over my body, which caused itching and kept me from rest at night. I was also, at the same time, troubled with a

Four Stomach, which was anything but pleasant. I could not even take a swallow of water but what I suffered from distress and acidity. I did not enjoy a good meal until after I commenced to use Hood's Sarsaparilla. I could see the good effects after the first few doses. I continued to use the medicine until now I have taken five bottles and feel entirely cured." D. STERLING MITZEL, Justice of Peace, Wintertown, Pa.

Hood's Pills act easily, yet promptly and efficiently, on the liver and bowels. 25c.
