She writes had slight symptoms of rheumatism, "The grip made a wreck of my natural good health. I suffered from continual headache, which nothing lieved, and from nervousness which prevented sleep and caused me to have palpitation of the heart when startled by any unexpected noise or sound. 1 had distressing pains in my back and side, was constipated, billous, and sallow-complexioned. My pulse was very changeable, sometimes quick and at others scarcely perceptible, appetite poor, with a feeling of languor and weakness at times almost overcoming me. It seemed as if every organ in my body was diseased, and I was in despair of ever being well again. At times the grave seemed very near, 1 can never describe my terrible sufferings, and it would have been a great relief to have exchanged worlds, but

like every mother, I would look upon my baby boy and cling to life.

"Not having much faith in advertised medicines, it was with reluctance tacks of heart palpitation. She was that I began to use Paine's celery compound, but after the first dose I slept well. My improvement was rapid; 1 took six bottles and gained between and I see a decided improvement which 20 and 25 pounds in weight, and now I am fleshy, ruddy cheeked and clear complexioned, the wonder of all my
