BOY ASSAULTS HIS TEACHER

Robert Hipwell Did Not Propose to Have a Teacher Reprimand Him-Death of Mrs. Martha Mohr-Lecture Next Tuesday Night-Personals.

John Jones of North Main avenue principal at No. 18 school, received a severe blow on the left side of his head by a pupil in Miss Bechtold's department yesterday morning. Shortly before noon Mr. Jones was called into the latter's room to quiet boys who were making a disturbance, but punished no one. A teacher then told him that Robert Hipwell had been nelsy and should receive a reprimand. Mr. Jones went forward for that purpose, but as he neared Hipwell, latter, who is more powerful than the principal, came forward and dealt hin a blow on the side of the head with his fist, making an abrasion of the skin and producing a deep swelling.

Mr. Jones, though partially stunned quickly recovered and threw Hipwell down. At this juncture several of the pupils and two lady teachers came forward and separated them. There was no further disturbance and the was allowed to go home unpunished. Mr. Jones is at present unable to state whether or not he will prosecute. Hipwell is much larger than the rest of the boys and is troublesome to the lady teachers.

ELECTION

ceiving Many Congratulations.

SEVERAL COMPLAINTS MADE

First. Third and Seventh Wards and South District of Lackawanna Township in Line-Official Count of the Ballots Will Begin Today.

Alderman-Elect W. S. Millar Re-

Reports from all parts of the county of the election held on Tuesday were filed yesterday with Prothonotary Pryor and Clerk of the Courts Thomas. They did not change in any particular the results disclosed in the Two crooks entered C. E. Chitten- returns printed in yesterday's Tribune. Alderman-elect W. S. Millar was the recipient of many warm congratulasucceeded in carrying away the cash tions on his hard fought, brilliant vic tory in the Eighth ward. His opponent takes his defeat very philosophically. At the time Mr. Chittenden was Attorney Eugene Davis had many symspeaking to ex-Lieutenant Governor pathizers for his defeat in the Sixteenth ward. Councilman-elect Lorenz Zeidler is a bright young man and will unquestionably make a good representative for the ward.

The bitter fight in the Third ward caused much bad blood among the Democrats there. Thomas Hoban, one of the defeated candidates, says he will call the attention of the court to the manner in which the election was consecured by certain candidates.

Complaint from the Seventh. William H. Smallridge, the Republican candidate for common council in the Seventh ward, says he did not re-Some time after Mr. Chittenden went | ceive credit for the number of votes cast o the safe and saw that a robbery had for him and proposes to ascertain the been committed. In the First district Gilroy, who was also a candidate for council, received the man who spoke to the clerk and was | 56 votes, and Smallridge was credited with 42. Twelve votes for the latter were thrown out on account of improper use of stickers. In the Second district Smallridge received 43 votes and Gilroy 22. One intended for Smallridge was also thrown out in that district. Smallridge was credited with only thirteen votes in the Third dis trict, while Gilroy received 186. Mr Smallridge said last night:

"Why the votes cast for me in the Third district were not counted I do not know, but without making any effort to discover the exact number of persons who cast their ballots for me in that district I have found fifty-four who did so. While all those ballots may not have been perfectly marked they clearly showed the intention of the voter and should have been counted for me, I believe. I will consult an attorney about the matter in the morning.

In Lackawanna Township. Down in the South district of Lackawanna township they had an exceedingly lively time Tuesday, several fights

serving to enliven the day. Yesterday Peter Higgins, who was defeated for the office of assessor, went of David Evans, will meet tonight in before Justice of the Peace O'Hara and swore out warrants for the arrest of the members of the election board of the Polish church on Electric City plot, on Main avenue was resumed yesterday, having been stopped by the fall of Constable Michael Thornton, but had S.
