Almost Blind

Inflamed Eyes and Running Sores

The Success of Hood's Causes Great Rejoicing--A Perfect Cure.

Miss Cora B. Ebert, Barnesville, Pa.

"C. I. Hood & Co., Lowell, Mass.: 'I feel it a duty to state what Hood's Sarsaparilla has done for me. I was almost blind, being compelled to stay in a darkened room on account of inflammation of the eyes. I also suffered with running sores on my body. I was in terrible condition. My mother tried every thing she knew about and I was attended by two doctors but without helping me. Finally Hood's Sarsaparilla was recommended and I had not taken two bottles before I began to get better. The inflammation left my eyes and the sores healed, and the result was that

I became stronger, and was restored to perfect health. At that time I was only twelve years old; now I am nineteen and I have not since been troubled with my eyes or noticed any sign of a return of the sores on my body. I can recommend Hood's Sarsaparilla as an excellent blood purifying medicine.' MISS CORA EBERT, Barnesville, Pa.

Hood's Pills act easily, yet promptly and efficiently, on the liver and bowels. 25c.
