Acute Rheumatism

Months of Suffering--Hood's Sarsaparilla Cured

Mr. Noah J. Horner, Stahlstown, Penn.

"C. I. Hood & Co., Lowell, Mass.: 'Gentlemen: Four years last January I was taken down with sub-acute rheumatism which looked at the base of the brain. It was eight weeks less one day before I was able to walk out of the house and after months of suffering and much pain I feared

I would never be well. My physician advised me to use Hood's Sarsaparilla. After taking it in half doses for two weeks I felt better, so at different times afterwards I used it awhile and during the last year I have again been restored to invigorated health by it. I attribute my restoration to health to the use of Hood's Sarsaparilla. My son has had catarrh since quite young and last summer while attending school he used two bottles of Hood's Sarsaparilla and said it did him more good than he realized from \$100 for prescriptions, etc.'"
