CARSON IS CHAIRMAN.

He Was Elected at Last Night's Meeting of the Board of Control—Mr. Fellows Re-Elected Secretary and His Salary Increased.

At the re-organization of the board of school control last night, George Carson was elected chairman over O. B. Schriever, and Eugene D. Fellows was re-elected secretary after his salary had been raised from \$1,200 to \$1,500 a year. The old board met at 7.30 and on motion of P. L. Worman adjourned sine die. Reorganization at once took place. Herman Notz being selected as temporary chairman. His opponent was Mr. Watrous, of the Tenth ward. After Mr. Notz had thanked the members for the honor conferred, nominations for permanent chairman were called for and George Mitchell named O. B. Schriever.

T. J. Jennings placed George Carson in nomination. The vote for these candidates resulted as follows: Carson—H. J. O'Malley, Carson, Mahon, Welsh, Conrad, O'Boyle, Jennings, Williams, Notz, W. G. Malley, Von Storch, 11. Schriever—Mitchell, Evans, Devanney, Worman, Watrous, Jacobs, Schriever, Barker, Coar, Langstaff—19. COUNTY JUDGES ASSAILED

Radical Expressions Used at a Green Ridge Meeting.

VERY GRAVE CHARGES MADE

Remonstrances Against the Granting of Liquor Licenses to Be Made from the Thirteenth Ward—Strong Words of Rev. A. F. Chaffee.

At a public meeting held last night in the lecture room of the Asbury Methodist Episcopal church, Green Ridge, extremely radical utterances were made by prominent persons implying that the Green Ridge residents had shown a pronounced disposition to favor the saloon element in the matter of granting licenses. The meeting had been called to remonstrate against the granting of seven applications for liquor licenses in the Thirteenth ward. Last year one retail and 1 bottle's license were granted. During the year preceding only one retail place existed, and before that year there had not been a licensed drinking place in the ward for a considerable period. For years the Green Ridge residents have remonstrated against the granting of licenses with partial success. Last night Rev. W. J. Ford, of the Green Ridge Baptist church, was chosen to preside. During the early part of the meeting some extreme views were expressed by the speakers, L. W. Peck, A. Z. Thorne, and Rev. F. W. Dony. But the real excitement and radical utterances began with the remarks of Rev. Amasa F. Chaffee, pastor of the Asbury church, and continued until the close. Mr. Chaffee said in part: "If I understand correctly, it lies at the discretion of the court whether or not applications for licenses shall be granted. If in the past the court has said 'You be damned' in answer to weighty remonstrances, it is time they (the judges) be shown up. 'Now I propose to put them (the judges) in a position where they will be shown up. They have no right, legally or morally, to ignore us. I would suggest that a two-fold remonstrance be made, one by the men and another by the women—the wives, daughters and sisters in the Thirteenth ward.' In response to the question by Mr. Chaffee, Attorney W. W. Lathrop stated that he and Attorney T. F. Wells would present the remonstrances to court first of charge. An assertion at this point was made by A. G. Thompson which was the signal for other statements of a pronounced character. 'I am opposed to wearing out my shoes in running about after signatures to a remonstrance,' said Mr. Thompson. 'I have done so in years past, but what has been the result? Nothing has come of it because the judges have completely ignored us. I was in court last year,' said Mr. Howell, 'and I know that the remonstrances from this ward were not even looked at. Licenses were granted immediately and in our very faces, while in other localities and for lesser protests licenses were refused.' 'Those judges are going to be impeached,' exclaimed Mr. Chaffee, starting quickly to his feet. 'Do you know, Mr. Howell, that those remonstrances were not examined?'

Some Harsh Language.

'Yes, I do, and further, I know that the Thirteenth ward remonstrances were the only ones unexamined.' 'Granting the license,' Chaffee, 'but even if the judges did make asses of themselves last year, that is no sign that they will be justified in doing so again. If they do, and refuse to recognize us, we'll see to them afterward. Somebody then reminded Chairman Ford, who made no part in the violent discussion, that in framing the remonstrances it would be well to have them carefully worded, whereupon the chairman appointed Rev. A. F. Chaffee, Attorney Lathrop and J. K. Brady for that duty. Mr. Thompson, who in his speech disclaimed the efficacy of remonstrance, was further averse to making remonstrations which were in his possession. After some argument he read the resolution which disclaimed the need of "licensed places in the ward, which resolution, it was decided, should be handed to court along with the remonstrances. Earlier in his remarks "there will be a time when remonstrances will not be taken to the court house only to be thrown down and trampled on in contempt," Mr. Dony was of the opinion that by dropping partisanship and making an outspoken remonstrance on personal grounds the remonstrances would be made of value. He suggested that if necessary a half-dozen attorneys be engaged in the matter. "The judicial bench of Lackawanna county should be made to rattle until its very foundation creaks in the swamp," he said.

Many Are Church Members.

Mr. Thompson said he had the names of the twelve citizens on each of the license applications. He said, "who are highly respected and educated and many are church members in this ward. I had intended reading their names, but am prevented solely by the request of the pastor of this church." In the ward there are now three licensed places which have applied to be continued, and four new applications have been made, as follows: Present licenses, held by James J. Kelly, Von Storch avenue, near Green Ridge street, retailer; John Horn, Dickson avenue, retailer; F. G. Harriek, Glen street and Sanderson avenue, retailer; new retail applications, Martin Bird, 1372 North Washington avenue; O. J. Nichol, 1339 Albright avenue, and Frank Smith, 615 Green Ridge street; new bottle's application, Michael McAndrew, Von Storch and Nay Aug avenues.

Property Purchased by Ziegler & Schumaker—A School House at Greenwood Looted—Old Folk's Concert. Hardware Merchants Ziegler & Schumaker, of Cedar avenue, yesterday purchased the property at the corner of Pittston and Willow streets from Henry Von Bergen for the sum of \$5,500. It is situated on the north-eastern corner. The property is one of the most available for business purposes there is on the avenue. It is said they propose as soon as spring opens to begin the erection of a large hardware store.

Mischiefous Miscreants.

Some time either before or after night school closed Monday night at the Greenwood school, in Lackawanna township, some bad young miscreants broke into the building with the purpose of destroying everything they could lay their hands upon. When Professor Thomas J. Coyne, the principal, opened the school yesterday morning he found the place in a topsy-turvy condition. The room in which Miss Annie Fitzhenry teaches faced the door. The desk was broken open and looted; the plastering was broken, and a primer chart was handled so that it fell apart. The principal's room was visited and a crayon destroyed. A large quantity of lead pencils and tablets were carried off. An entrance was effected through a window of one of the lower rooms by prying open the shutter. The damage will amount to \$50.

An Old Folk's Concert.

Under the auspices of the Ladies' Aid society of the Cedar Avenue Methodist Episcopal church an old folk's concert will be given before long. Anything that is undertaken by this society never fails of success, because every one who takes part is always a part of the plan and detail of the arrangements. The date has not been definitely settled on which the concert will be held, but it will be within a month.

New Orchestra Organized.

There is not any doubt about the popularity of the young men who have organized an orchestra, and given it the name of the South Side orchestra. The members are: John Berghouser, Albert Morgan and Fred Jones, violinists; Fred Langmuir, Fred Wetzel and Peter Kelly, cellists; George Parra, flute player, and Albert Butze, pianist. Rehearsals are held regularly and the organization is finding patronage sufficient to keep it busy all of the time. At the recent installation of the Heptaphone their music was first class.

"WE'RE RIGHT IN THE PUSH," When the advertising atmosphere is so heavily charged with exaggeration, it is well to remember who the honest advertisers are. Windy assertions about GREAT reductions--advertising goods at impossible prices, find no lodging place in the minds of intelligent people. Dull trade throughout the legitimate business season may make necessary, wild statements from some clothiers to attract trade, but the schemers will have to scheme harder and find new disguises for their lame excuses before they can stop the people from coming to this store for honest values. The triumph of this store is the triumph of intelligence, and you have made it so. Trade has been up to the mark here, yet there's a touch of attractiveness in the styles and assortments. We've added another and more taking attraction--REDUCED PRICES, natural order of things here at this season; LOWER PRICES than you find ELSEWHERE.
