MANY PROTESTS FILED
Applications for Liquor Licenses That Will Be Opposed.
REASONS THAT ARE SET FORTH
 Citizens of the Thirteenth Ward Believe That They Can Do Without the Sale of Liquor Up There—Serious Charges Against Bell.

Remonstrances have been filed against every application for liquor licenses from the Thirteenth ward. The principal reasons advanced are that the Thirteenth ward is not in the business portion of the city; that it is built up suburban homes and that the drinking places are not necessary for the accommodation of the traveling public. A bulky petition remonstrating against the application of Michael McAndrew for a bottler's license at Von Storch and Noy Ave. avenues, has been filed. Rev. P. J. McManus and Rev. L. Dunn have signed the petition. W. Lathrop is attorney.

The application of Francis G. Barwick for a wholesale liquor license at Glen street and Sanderson avenue is protested against for the above reasons, and the remonstrance is signed by substantially the same citizens.

The petition of John Horn for a retail liquor license for a hotel at 1526 Dickson avenue is opposed by the same persons, and also by another set of petitioners. Others applying for licenses in the Thirteenth ward against whom remonstrances have been filed are: Frank Smith for a retail liquor license at 415 Green street; James J. Kelley, for a retail liquor license for a hotel at 1507 Von Storch avenue; O. J. Nichols for a restaurant license at 1320 Albright avenue; Martin Bird, for a hotel license at 1372 and 1374 North Washington avenue.

Big Kick Against Edwards.
 The application of John E. Edwards for a bottler's license at 1177 Lafayette street in the Fourth ward is opposed by almost every resident of the ward. The petition of Common Councilman P. H. Golden, of the First ward, for a restaurant license at 108 West Market street is opposed on the ground that his place is not necessary and there are already too many licensed places in the territory. Charles H. Welles is the attorney.

A long list of signers' names is attached to the remonstrance against the granting of a hotel license to E. J. Burke at Sanderson avenue and East Market street in the Second ward. Among other objections it is alleged that the granting of a license at this point will be injurious to the welfare of the citizens of the Second ward; that a school building nearly completed is within a short distance of the place.

A remonstrance has been filed by Attorney W. J. Tracy for thirteen citizens of the Tenth ward against the granting of a hotel license to Joseph T. Hill at 1511 Olive street. A remonstrance has been filed against Joseph Tadisco's application for a hotel license in Old Forge township, and against the application of John Saunders, of the same township, for a hotel license. H. M. Hannah is attorney for the remonstrants, and the ordinary reasons are filed. Each paper is signed by twenty-eight citizens.

Attorney M. W. Lowry, representing thirty-five citizens of Fell township, has filed remonstrances against Stephen Beresch for a hotel license at Main avenue and Warren tract; against J. H. Curran for a hotel license on Wood street in Richmondale; against William Dunn for a retail liquor license at Main street, in Richmondale; against Sylvester O'Neill for a hotel license in Fell township.

Robinson is Not Wanted.
 In the borough of Blakely the remonstrants are represented by Attorney John G. McArdle and protests have been filed against the granting of a hotel license to A. M. Robinson, of the First ward. Along with the usual reasons advanced against the granting of Robinson's license a supplemental remonstrance has been filed alleging that he is at present under bail to appear before the United States court to answer the charge of selling liquor at 107 Lackawanna avenue, Scranton, without a revenue license, and that he is a person of bad moral character and unfit by reason thereof to conduct a hotel.

The others of Blakely borough whose petitions are opposed are M. D. Betts, for a hotel license on Main street in the First ward; and A. M. Clark, for a retail license in the Third ward.

The most specific remonstrance filed is against the restaurant license of John T. Bell, of Winton borough. It is charged that his place is a public nuisance; that it is open on Sundays; that it disturbs the peace; that it is near the postoffice; that women and children go for letters; that the young men of the town will be irreparably injured in their moral character. Watson & Diehl are attorneys for the remonstrants.

Two remonstrances are filed in the borough of Taylor against Frank Mitchell for a hotel license in the Second ward. One is signed by a large number of citizens and the other by all the pastors, trustees, and deacons of the Welsh Baptist, English Baptist and Congregational churches of the borough.

Other Remonstrances Filed.
 In Archbald borough the application for a hotel license by Michael Finn, of the First ward, is opposed. The petition of Lewis Pizer, of the Second ward of Jermyn is remonstrated against. Pizer has applied for a hotel license. In Dunmore borough the application of J. Lynott for a hotel license at Larch street and Adams avenue, in the Sixth ward, is opposed, as is the application of John McAndrew for a retail license in the Third ward of Dunmore.

FRAUD IS CHARGED.
 Warrant issued for the arrest of Frank Ardman Fitzsimmons issued a warrant yesterday for the arrest of Frank Paseck, who has been, by turns, a barber, hotelkeeper, butcher and broker. He is now charged with fraud.
 Some time ago Paseck purchased a team of ponies from William Richmond, and in part payment therefor gave a note for \$75 alleging, so it is said, that he is the owner of valuable real estate in this city.
 The note was given on Feb. 11 and investigation by Richmond showed that Paseck owned no property and therefore the note was practically valueless. The proceedings begun yesterday are the result.

YOUNG BUT ENTERPRISING

Tommy Collier Picked Up by the Police for Begging.

HE TOLD A VARIETY OF STORIES

Dead Relatives, a Sick Mother and Hungry Brothers and Sisters Figured in the Romance He Constructed—Received a Great Deal of Money.

He is only a newsboy and his name is Tommy Collier, but if reports are true he has buoyed and flim-flammed more good people out of nickels and dimes during the past six months than men double his inches and years.

Tommy is 10 years old, but has only been to school one month during his lifetime. He can really make a matter of business with him, but the agent of the Associated Charities and the police interposed last night and have put a stop to it for a time at least.

Tommy's plea usually met with a response and with his ill-gotten gains he was wont to "blow in de fellers to de theater," or buy cigarettes or shoot craps. The boys say he was a roval and lavish spender.

Tommy was Picked Up.
 So he was arrested, or rather taken in charge by the police last night and shoved off in a corner of the big police court room to await the result of his wicked ways.

He fell asleep at 8 o'clock and was as oblivious to his disgrace as if he were curled up in a warm bed.

IN LOCAL THEATERS.
 The production of Alexander Dumas' famous romantic drama, "The Corsican Brothers," at the Academy of Music Wednesday evening, with the eminent young actor, Robert Mantell, in his great dual impersonation of Loeb and Fabien del Franchi, will undoubtedly prove one of the season's strongest attractions.

costumes are marvels of beauty, the artistic intermingling of color in the dress of the various characters present not only a pleasing but striking effect.

"The Danger Signal," which will be presented at the Academy of Music Friday evening, is called a realistic comedy-drama by the press throughout the country. This is no misnomer, as it abounds in realism, and, while unfolding a beautiful love-story of unbounded interest, it deals with characters of the present day, not one whit exaggerated, but giving a portrayal of scenes in the far west that is true to nature. The realistic scenes are in the shape of pictures of the rail, and include a monster locomotive made from models furnished by the Baldwin Locomotive works, a freight train, a cyclone rotary snow-plow, and the great effect of an express train crossing the stage at the rate of fifty miles an hour. The play is from the pen of Henry C. DeMille, the famous author, whose plays are among the great successes of the American stage.
