A flute solo by James Protheroe was applauded. Miss Lavina Tomkinson was accompanist. At the close of the programme a corps of young ladies served refreshments in the basement.

NEWS OF THE SOUTH SIDE

Death of Martin T. Lavelle, of Prospect Avenue, Yesterday Morning.

EXPIRED AT AGE OF SEVENTY. Had a Friend Wherever He Found an Acquaintance--He Came to This Region Fifty Years Ago--Coyne Wants to Open Palm Street.

Martin T. Lavelle, one of the oldest residents of the South Side, died at the age of 70 years at 1.30 yesterday morning, at his home, 285 Prospect avenue. Mr. Lavelle came to Scranton in 1847, before the wilderness was cleared.

He located on the South Side and had resided there until his death. As a man he was known to hold his reputation and self-respect as precious as his life, and he readily acquired and retained the unselfish esteem and admiration of all who knew him for his sterling traits of character.

He was endowed with an iron constitution and presented a well preserved frame for one of his years, and had the appearance of a patriarch. A year ago he became ill and was confined to his bed most of the time since. Dr. O'Reilly, of Spruce street, was his attending physician until two months ago, when Mr. Lavelle convalesced and did not require medical aid. Dr. O'Malley was summoned at 10 o'clock Tuesday night and found the old man dying. Death ensued a few hours afterward. Three children survived him. They are: Martin, of Moscow, of the South Side, and Mrs. Foin, of Middletown. The funeral will be held Friday morning at 9 o'clock with a high mass of requiem at St. Peter's cathedral. Interment will be made in the Dunmore Catholic cemetery.

To Open Palm Street. Select Councilman Thomas J. Coyne, of the Twentieth ward, will make an earnest appeal to the estimates committee of council at the next meeting to set aside \$2,000 for the purpose of opening Palm street, between Pittston and Cedar avenues. If Mr. Coyne succeeds in having Palm street opened he will have accomplished a lasting benefit to the people of the Twentieth ward.

Shorter Paragraphs. The Scranton Axle works have suspended till further orders as the result of a lack of orders.

Mrs. Hugh Reilly, of South Washington avenue, left yesterday morning for a visit with relatives in North Carolina.

John A. Kaiser, brewer at Casey & Kelley's brewery on Locust street, resigned his position yesterday and will be succeeded by George Talmy.

The funeral of Annie, the 2-year-old daughter of Francis Long, of Pig street, will take place today at 2 o'clock. Burial will be made in the Twentieth Ward German Catholic cemetery.

Tomorrow night an entertainment will be given at the rooms of the Young Women's Christian association. It will be a class social and a programme will be rendered, which insures a most pleasant and entertaining evening to those who attend.

The obsequies of the late Nathan Davis, of Stone avenue, were conducted yesterday afternoon at St. John's church by the pastor, Rev. E. J. Moley. The funeral was a long one and testified to the kindly regard in which the deceased was held by his neighbors. Interment was made in Avoca Catholic cemetery.

Spring Days Bring Good Cheer to the Weak.

Paine's Celery Compound in Thousands of Homes.

On Every Hand People Are Getting Well.

The Great Spring Remedy Makes One Strong.

Now Ordered by Physicians Everywhere in March.

Al! what avail the largest gifts of Heaven When drooping health and spirits go amiss? How tasteless, then, whatever can be given; Health is the vital principle of bliss.

Weak, tired-out men and women with nerves "unstrung" and badly nourished need Paine's celery compound. They are especially urged to take it during these early spring days of March and April, when the body is most susceptible to its strengthening influence.

Of the thousands of men and women with brains and hands all day actively engaged, but whose physical powers are little used, who imagine themselves more dangerously sick than they are, the vast majority are merely reduced in strength and spirits, and need nothing but a vigorous tonic in the spring to recuperate their tired nerves. They need nothing so much as Paine's celery compound. It exactly fills their need.

The infirmities peculiar to the aged come from stagnating blood and the tardy, scanty production of nerve force. They should take Paine's celery compound--there is no time so favorable as this.

The rheumatism, neuralgia, sleeplessness and lack of strength that Paine's celery compound so rapidly dispels are thus found to be mere temporary conditions to which their time of life is liable, and the cause of needless anxiety.

Needless if they fully perceive the meaning of these infirmities and take pains at once to correct the beginnings of weakness and debility, as it is so easy to do now in the spring.

Paine's celery compound is the great spring medicine. It is prescribed by countless physicians in cases of rheumatism, neuralgia, sleeplessness, and the many other results of starved nerves and depleted blood. In every drug store in the country, Paine's celery compound is always to be obtained.

It is the world's great remedy for weakness. Its use year by year through so large a part of the civilized world tells something of the good it must be accomplishing. If men and women who feel the effects of too close application to work should use Paine's celery compound, there would be less insomnia, less pain in the back of the neck, fewer days of utter physical exhaustion and incapacity for anything but suffering. Its extensive use today is the cause of a vast alleviation of human misery and despair. Its presence in the world is a blessing. It has kept the family circle whole in thousands of homes that are happy and grateful today. Try it.
