

HOLY LAND ART PORTFOLIOS.

Earthly Footsteps OF THE Man of Galilee

Most carefully and piously traced with note-book and camera, from

Bethlehem to Calvary And the Mount of Olives,

Being a geographical and historical account in narrative and pictures of the places where Christ and the Apostles lived, followed and triumphed, showing how Jesus was born, reared, baptized, tempted, transfigured and crucified, reviewed in chronological order, the life of His prayers, tears, sermons, miracles and religious achievements, which brought to humanity the dawn of a new day.

A Superb Religio-Educational, FINE ART PUBLICATION

Which is the joint production of Rev. John B. Vincent, D.D., Bishop of the M. E. Church; Rev. James W. Lee, D. D., and E. E. M. Bain, the Celebrated Landscape and Scene Photographer. This wholly unique and thoroughly "Up-to-Date" publication compares with the results of months of travel and observation, involving three separate tours of the Holy Land. Two by Bishop Vincent, and one lately completed by E. E. M. Bain, which he accompanied at every stage of the journey by Mr. BAIN, with the finest photographic outfit procurable in America. These gentlemen being under special commission to present pictorially and descriptively the LAND OF THE SAVIOR! His very footsteps have therefore been followed with note-book and camera, and the journeyings of His Apostles have also been traced, as shown on the "LIFE OF CHRIST" in all its details. This work is the final expression of a beautiful enterprise, and is an incomparable historical and Religious Fine Art offering. An opportunity is thus given to make a delightful tour through Palestine without leaving home. This magnificent collection of over three hundred and eighty-four photographs, the finest that ever came from the East, all secured this year and published at an expense of fifty thousand dollars--should be in every home.

NEWS OF THIS VICINITY

TUNKHANNOCK.

W. L. Stillwell, of Lynn, was in town yesterday enroute home from West Pittston. The Chautauqua club met with Mrs. J. D. Carpenter yesterday afternoon. A large number of people are supposed to be in attendance at the inquisition at Laporte this week as witnesses, though nothing can be learned until they begin drifting back into civilization again. They may have perished in the snow-covered fastnesses of Dutch mountain for all that their friends know, and if they do not show up by the first of May a relief party will be organized. The next judicial contest should be held in Alaska, by all means.

Miss Addie Hopper, of Chapman lake, is the guest of her cousin, Miss Blanche Harding. Rev. J. B. Sweet, of Ashley, is visiting at the home of Mr. and Mrs. Joseph G. Bell. The choir of the Methodist Episcopal church, last Monday evening, gave a "shoot" of the well known and the church in honor of the organist, Miss Cora Savie, who leaves this week for her former home in Harford, Pa. Professor Walwork, with the cornet, executed some very fine selections of difficult music, which taken with the excellent vocal rendering by the choir, led by Mr. Shay, afforded a rare treat to the lovers of good music. At the close of the concert Rev. Mr. Doty made remarks touching upon the occasion which had brought us together, and alluded to the approaching departure of Miss Savie. He spoke of her eminent fitness to preside at the organ, of her cheerful and constantly faithful service in the church since coming among us, of the universal regret of all at her leaving Peckville, and their unanimous desire for her early return. The pastor then on behalf of her friends presented her with a purse as a slight token of the esteem in which they hold her. Miss Savie replied very gracefully, on accepting their token of regard, and thanked all her friends for their kindness.

ARE YOU A SUFFERER FROM Rheumatism or Neuralgia?

E. P. Tayer, of East Nassau, N. Y., says: "I wish it possible to speak personally with every rheumatic victim, for I would tell them of my terrible experience and the relief and cure found in Dr. David Kennedy's Favorite Remedy. My condition at the time I began its use, seemed hopeless. I had suffered for fifteen years with inflammatory rheumatism. My physician said I would be a cripple for life, but it was not ordained that way, for I had not used Favorite Remedy long before I was cured." Solomon Davis, of North Kortright, N. Y., suffered from neuralgia and loss of sleep, as is often the case with elderly people, says: "I found that Favorite Remedy relieved the bowels, improved the circulation of the blood, and the old pain left me altogether." One of Scranton's physicians recently said: "There is no reason in suffering with rheumatism or neuralgia, for Dr. Kennedy's Favorite Remedy will cure them." Druggists sell it.

Scrofula From Childhood

"My mother has been afflicted with scrofula in her head since her childhood. She is now in her 51st year. She has also suffered from weakness in her back for which she never expected any relief. She has faithfully tried Hood's Sarsaparilla and it has freed her system from scrofula, cured burning pains in her feet and limbs and also a pain in her left breast which prevented her from lying on that side for fourteen years. It has made her feel many years younger."

Hood's Sarsaparilla Cures

She has taken four bottles of the medicine. We cannot recommend Hood's Sarsaparilla too highly! IMA R. VAKOLDSKA, Elms Green, Indiana.
