Moosic, will spend Sunday with relatives on the West Side. B. J. Neville, of the Electric City, was town today looking after business

W. H. McMillan left on the midnight train last evening for a visit to New York and Philadelphia.

#### INDUSTRIAL TOPICS.

The puddling department of the plant

Hartford will spend several thousand dollars this year in the abolishing of grade crossings on its lines.

The Pittsburg Reduction company is biulding an addition to its plant at New Kensington, Pa., consisting of a new iron building and a new train of rolls. The bolt and nut department of the Pennsylvania Bolt and Nut works, at Lebanon, Pa., is now running 24 hours Some 400 additional men have been given employment.

The American Iron works, of New Castle, Pa., are putting in two sets of cold rolls and two additional hot mills, while new foundations are being put under the main building.

Greenville, Pa, is considering the project of securing a steel mill. It is to pay a bonus of \$100,000 worth of a site, besides taking \$100,000 worth of first mortgage bonds. The mill is to cost \$1,500,000 and give employment to 2,000 men.

It is said that the Wilkes-Barre and Eastern, leased by the New York, Susquehanna and Western, is soon to double track from Yatesville to Gavel Place, a mile west of Stroudsburg. List evening was pale face night at the Indian village fair. Tonight will amount of coal now being shipped over the road, and which will necessarily will be given. Lots of fun and a good be increased as soon as the Algonquin time, it being masked party night. Coal company assumes control of the Each ticket is good for a chance on \$10 Laurel Run colliery at Parsons, which in gold. The hall is elegantly decorated

will be on April 1. Contracts have been let for the buildings and machinery for the extensive addition to be made to the New Castle (Pa.) Steel and Tinplate Mill. There will be two buildings, one 360 by 110 feet and the other 360 by 105 feet. There will be ten additional mills for rolling black plates, making 16 mills in all, the largest concern of the kind in the world When running full the works will employ 1,000 to 1100 hands.

Philadelphia, March 15.-The stockholders of the Northeastern Pennsylvania Railway and the Western New York Railway companies met here this day, March 23, contests and pow wow afternoon and consolidated the two companies under the name of the West Michael Smith died at the home of his ern New York and Pennsylvania Railson-in-law, S. J. Finnerty, Thursday afternoon. He was 75 years of age, and way company. This formality was necessary to complete the re-organizahad been a resident of this borough for over fifty years. The deceased leave, a wife and four children to mourn tion of the Western New York and Pennsylvania company, the property of which was recently sold under foreclosure proceedings.

The Bulletin of the American Iron and Steel association prints this significant paragraph: "A large buying movement in Bessemer pig iron has taken place at Pittsburg and in the Shenango and Mahoning valleys dur-Legion this evening. Members of Catholic Temperance societies are esing the last ten days of February. Fulv 100,000 tons have been sold, principalpecially invited to attend. Mr. Dillon ly for forward delivery, the price rangis an interesting speaker and will have something instructive to tell you. Nomng at about \$10 at Pittsburg. These transactions are generally interpreted ination of officers for the ensuing term as indicating that bottom prices for pig ron have at last been reached, and that a substantial advance may now b

ooked for." The recent pleasant weather has had a remarkably good effect upon the iron trade, particularly among foundries spent the greater part of her life in street with right resting on William; Hawley. For the past few years she division 22 on North Main street, right had resided in this place. Miss Bing- of pig metal. In the blast furnaces inham was an earnest Christian lady and dustry several stacks have blown in, while a number of others, some of which have been idle a long time, are a member of the Methodist Episcopal preparing to resume operations. An Misses Louise Lutz and Frances Dilimprovement is also apparent in the rolling mill industry, many mills having increased their working force largechurch next Friday evening, which ly. A number, too, are now working night and day which only a few months ago were running on short time. Busiinstrumental, and select reading. These young ladies will hold this entertainness is unquestionably getting better ment to raise their portion pledged and confidence in the future is growing toward the Epworth league fund for restronger day by day.

The views of William Joyce, general freight agent of the Pennsylvania railroad, on the coal situation are pertinent. In answer to an inquiry as to the attitude of the Pennsylvania company he stated that the Pennsylvania is now. as it always has been, in favor of working in harmony with all interests. Speaking of the delay in reaching some conclusions as to a basis for 1895 operations, he said: "It must be borne in mind that the task of collecting the data has been gigantic. The industry is enormous and never before has such a complete line of statistics been compiled. If nothing else comes from it, it will in itself be invaluable to the coal trade. The adjournment of the committee places the matter in the hands of the presidents, where is properly be longs. I look for a settlement of coal trade difficulties before long-just how long I cannot say, but certainly some ime this year."

# MUNYON'S WITNESSES.

Well-Known Citizens Testify That They Have Been Cured by His Remedy.

More Than 300,000 People Have Given Their Unsolicited Endorsement of Munvon's Little Sugar Pellets.

Samuel A. Heath, 218 Columbus avenue, Boston, says: "It is now sixteen months since I was cured of rheumatism by using Munyon's Rheumatism Cure. I took it several times daily, and in four days was completely cured. At that time I could not put on my coat without assistance. My knees and ankles were so swollen that walking was difficult. I had suffered from rheumatism every spring and fall, but since taking Munyon's Remedies I have not had the lightest symptoms of the dis-

Wallace Bickford, of Bemis, Mass. says: "I had nasal catarrh of several years' standing, with all its disgusting symptoms, when I began using Munyon's Catarrh Remedies. Their action was marvelously quick. The disease yielded rapidly, and now I am perfectly

cured." Miss Iola Forrest, 35 Monad street, Boston, says: "My entire system was broken down from nervous prostration, caused by dyspepsia. What I suffered is impossible to tell, and I was unable to get relief. Finally I began using Munyon's Dyspepsia and Nerve Cures, and it was not long before I was thor-

oughly cured." Munyon's Homeopathic Remedy Co. put up a cure for nearly every disease. No matter what your disease or how many doctors have failed to cure you, step into the nearest drug store and gea 25-cent vial of Munyon's Remedies

It will benefit you. Those who are in doubt as to the nature of their disease should address Professor Munyon, 1595 Arch street, "I was completely covered with sores.
Every muscle in my body ached. Had been sick for five years. Doctors could do me no good. Most of my time was spent in bed; was a complete wreck. Burdock Blood Bitters have completely cured me in three months." Mrs. Annie Zoepen, Crookstown, Minn.

## STOCKS AND BONDS.

New York, March 15.-Speculation There are no new developments in the at the Stock exchange was irregular until the last hour of business, when of the Republic Iron works, at Pitts-burg, Pa., has resumed operations, after opening the railway list was strong and

an idleness of 18 months.

The American Steel Casting company, of Thurlow, Pa., has decided to start up the plant at Sharon, Pa., which has been idle more than a year.

The New York, New Haven and Last the plant of the New York, New Haven and Co., stock brokers, 412 Spruce atreet, Scranton.
