A VETERAN'S STORY.

Gen. Catlin Praises Munyon for His Great Work.

His Restoration to Health Due to the Won derful Little Sugar Pellets.

General A. B. Catlin, formerly Depu

ty Surveyor of the port of New York, is a veteran of the army and a wellknown Republican politician.

"I have been troubled with catarri for many years," said General Catlin. "I doctored for it a great deal, but did not obtain any material relief, and this winter my condition was terrible. I took cold easily, and my nose became stopped up. I had severe pains across the front of my head, my eyes became watery, I sneezed a great deal, and my bones and joints ached continually. When I got up in the morning my throat was filled with a nasty slime, which dropped there during the night. I had to hawk a great deal, and this made me and colorings, and our prices gag and often vomit. There was a roaring or buzzing sound in my ears, and my breath was very offensive. I jost my appetite, ran down in weight, and be-

came depressed in spirits. "I tried thoroghly several of the best physicians, so-called, in New York, took patent nostrums of all descriptions, but

grew worse all the time. 'Finally, I began Munyon's Catarrh Remedies. I thought it was no use, and active participation in all affairs of in-had but little faith, but I began to im-terest to wheelmen. One of the prinprove right away. My disease rapidly yielded to the remedy, and I underwent a change that was wonderful. Within a short time I was entirely cured, the last trace of the hideous disease had vanished, and today my friends are marveling at the great change in me. It is a wonderful relief to feel strong and healthy again, and it gives me great pleasure to testify that my restoration to health is due to Munyon's Catarrh

Remedy.' Munyon's Homeopathic Remedy Company, of Philadelphia, put up a cure for every disease. No matter what the disease is or how many doctors have falled to cure you, ask your druggist for a 25-cent vial of one of Munyon's cures,

and if you are not benefited your money will be refunded. Those who are in doubt as to the nature of their disease should address Professor Munyon, 1505 Arch street, Restores Philadelphia, giving full symptoms of their disease. Professor Munyon will carefully diagnose the case and give you the benefit of his advice absolutely free of all charge. The Remedles will be sent to any address on receipt of re
