SCHOOL BOARD INSPECTIONS

Company C's New Basket Ball Team Death of a Respected Lady-William Fay Is Discharged-Personal and Other Brief Notes of Interest.

Special to the Scranton Tribune.

Pittston, March 19.-The committee of the school board appointed last Friday evening met with Contractors Gorman and English at the Oregon school this afternoon to inspect the new apparatus. Every department was thoroughly tested and found to be satisfactory. The committee also met with John Scrimgeour at school building No. 3, on Butler Hill, and made an inspection of the apparatus which has recently been placed in that building. The work of Mr. Scrimgeour was found to be complete in every detail. The committee express themselves as well pleased with the courtesy shown them by the representatives of both firms.

Obituary. Margaret, wife of Richard Hannigan, died from the effects of the grip at the family residence, in Inkerman, yesterday. The deceased was 56 years of age and was much respected by all who knew her. The funeral will take place from her late home tomorrow Wednesday evening, March 20, after the (Wednesday) morning at 8,30 o'clock. prayer meeting. Please all be present Interment at Market Street cemetery.

The death of Mrs. Lucy Belt occurred yesterday at her late home on Market Funeral tomorrow (Wednesday) afternoon at 3 o'clock from the passed away within two days of each metres in height, would bring the family residence. When A. A. McLeod was president of

the Reading, he sent a representative of

the company to Europe to see if an-

bracite coal could not be introduced in hat country. The representative paid

particular attention to London and oth-

r English towns, but for some rea-

on he did not meet with much success.

The great trouble he had to contend

with was that the British were used

to burning bituminous coal and had not

been educated to the use of anthracite

Reside this, their stoves are not of the

kind suitable for the burning of the

hard coal, as nearly all the houses use open grates. During the last two years the climate in England has undergone

great change, as it has been found

open grates. A few weeks a large lot

of anthracite burning stoves were or-

dered from this country, and shortly

afterward the Atlantic Transportation

company took a number of the stoves

as part of a cargo. It is contended by

the Philadelphia Press that this is the first movement of the introduction of

anthracite coal in London, as along

any was asked to quote a rate on

inthracite coal. It is contended that

at about \$6 per ton, which is only a little

anthracite coal can be placed in London

New York, March 19.-The activity at the Stock exchange continues. The sales today footed up 251,000 shares The business was again well distributed and it was noticeable that the reactions brought in fresh orders. The rise in prices was equal to ½ and 2¼, Jersey Central leading. The improvenent in the anthracite coalers is ascribed to the covering by the bears who are alarmed by reports that the presidents at the meeting on Thursday will settle the vexed question of allotments. The low-priced issues were taken on a in some of the banks in regard to their liberal scale. In the Industrials Sugar declined to 97, rose to 98%; fell to 96%. and left off at 97. The idea prevails with gold, but are short of United States (legal tender) notes. At least that the pool responsible for the recent rise has made its turn and is not averse three well-known banks have had to to seeing lower figures. Chicago Gas was also rather heavy, but General Electric and Cotton Oil gained 1 and 2 per cent. Near the close the railway list ran off with Sugar. In the final notes with a neighboring bank. In a trading, however, a firm tone prevailed ew days they will gain some notes Net changes show gains of 14 to 154 per through the Clearing House in payment cent. Jersey Central leading, Sugar lost

these complications will adjust themselves in a short time, but in the meanwhile a much more active demand for money is expected by bankers, and they show a disposition to mark up the rates for loans as the surplus reserve in the banks decreases.

'4 per cent. on the day.

The range of today's prices for the active stocks of the New York stock market are given below. The quotations are furnished The Tribune by G. du B. Dimmick, manager for William Linn, Allen & Co., stock brokers, 412 Spruce street, Scranton.
