# TALES OF TWO PITTSTONS

News of Interest to Readers Up and Down the Valley.

MATCH INDUSTRY IS COMING

Three Patients Admitted to the Hospital. Funeral of Mrs. Harrigan-Polander on the Warpath-Personal and Other Brovitles.

Special to the Scranton Tribune.

Pittston, March 20.-The committee on industries, of the board of trade, met last evening at the office of Real Estate Agent F. H. Banker to consider the proposition made by the Hazleton Match Manufacturing company, which desires to locate in or near this city. A member of the committee stated when in conference with The Tribune reporter this afternoon they were favorably impressed with the statement and standing of the company. The company have already the site of the old pistol factory at Exeter in view. The committee is composed of Messrs. W. G. Thomas, Meyer Schlosser, F. H. Banker and Joseph Langford. Rivers of Alien Gore.

Michael Kyte, a Polish patriot of the West Side, became saturated with Wy-oming Valley embalming fluid this afternoon and started out to illuminate the town. Several of Kyte's companions, who possess unpronouncible names, endeavored to persuade the artist to postpone his enterprise until this country had received satisfaction from

Spain, but Kyte would listen to no diplomatic reasoning. A business session followed in which Kyte demonstrated his qualities by vanquishing the crowd. Blood flowed freely and the faces of Kyte's friends looked like a chrysanthemum show at the finish. The strong arm of the law was evoked and Kyte was pulled in before 'Squire Ehret, who held the highflyer to ball in the sum of \$300 for an appearance at

Three Mining Accidents.

Three patients were admitted to the hospital today. The new admissions are as follows: Joseph Genosky, a laborer at No. 6 shaft of the Pennsylvania Coal company. He was caught by a fall of rock and was so seriously injured that it was necessary to amputate his leg below the knee. The operation was performed by Resident Physician Dr. McKown, assisted by Dr. Beven and Dr. Anna Law. Genosky is a single man, 26 years old, and lives in Frogtown. Charles Donnelly, a miner at Exeter, living in Oregon, received a compound fracture of the left hand. Patrick Clifford, a lad 14 years old, re-ceived a dislocated hip at the Babylon. He was also severely bruised about the head and shoulders.

Funeral Obsequies.

The funeral of Mrs. Richard Harrigan, mention of whose death was made in these columns yesterday, occurred from the family residence in Inkerman this morning. The remains were conveyed to St. John's Catholic church, where mass was sung. Interment was made at Market street cemetery. The pall-earers were, P. Durkin, T. Durkin, T. Devlin, Charles Donnelly, E. Welsh and James McDermott.

The funeral of the infant child of Mr. and Mrs. J. Bultz occurred this afternoon from the family residence on Pine street. Interment was made at Market street cemetery.

School Board Meeting.

The school board met in the high school building this evening, when the the heating apparatus at Oregon school was received and approved and the was ordered that bills be paid as follows for apparatus and finishing on Oregon school and school No. 3: Mr. Scrimgeour, \$938.69; Gorman & English. \$889. The board then adjourned to

Superintendents Andrew and Alex-

BUDS, Society buds, young woety or woman-hood, require the wisest care. To be beautiful and charming they must have perfect health, with all it implies—a clear skin, rosy cheeks, bright eyes and good spirits. At this period the young woman is especially sensi-tive, and many

which continue through life, have their origin at this time. If there be pain, headache, backache, and nervous disturbances, or the general health not good, the judicious use of medicine should be employed. Dr. Plerce's Favorite Prescription is the best restorative tonic and nervine at this time. The best bodily condition results from its use. It's a remedy specially indicated for those delicate weaknesses and derangements that afflict womenkind at one period or another. You'll find that the woman who has faithfully used the "Prescription" is the picture of health, she looks tvell and she feels well.

In catarrhal inflammation, in chronic dis-

In catarrhal inflammation, in chronic dis-placements common to women, where there are symptoms of backache, dizziness or

fainting, bearing down sensations, disor-dered stomach, moodiness, fatigue, etc., the trouble is surely dispelled and the sufferer brought back to health and good "WOMAN'S ILLS."

ander Bryden, of the Pennsylvania Coal company, were in Dunmore today looking after the affairs of the com-

John H. Derby, of Wilkes-Barre, was today a visitor in this city.
P. H. Gilgallon, of the Electric City, was a caller at the Sinclair House to

Miss Helen Holden and Miss Anna Lewis, of the West Side, spent today with Wilkes-Barre friends. All complaints of non-delivery of The

Tribune should be reported at our local office, No. 8 South Main street. The case of John Gerrity vs. the Cork Lane election board, which was to have been given a hearing before Justice Gibbons this evening, was postponed until next Wednesday evening at 5 o'clock. Several witnesses of the proseuter failed to put in appearance. H. M. Breese, of Wilkes-Barre, was

n this city today on business. Ira M. Kirkendall, of Wilkes-Barre, was a visitor in town today.

### INDUSTRIAL TOPICS.

A meeting of the Trunk Lines asso clation's general passenger agents is set for Friday to consider the agreement on west-bound passenger busi-

It is announced in New York that a dents has been called for Thursday of this week, to consider the anthracite talked over the situation on Saturday and decided to call a meeting.

An official of the Lehigh Valley railroad denies emphatically the current reports that the company has sold good stove coal at \$2.75 per ton, free on board at New York. He says that the lowest price made on good coal by the Lehigh has been above \$3 per ton, and this statement is borne out by a circular sent out within forty-eight hours. prices are being made on the old lot of thestnut coal with which the company regime.

The sales agents are employing vaple, first-class stove coal is offered in aid in the employment of lectures or Boston at \$3.65 delivered, and if \$3.15 instructors to attend summer assembut 50 cents is left for the water the promotion of education and pop-freight. This is about 15 to 20 cents ular culture and state teachers' associathat the seller is really cutting the price of coal to or below \$3. Even more unfavorable instances are reported, all going to show that the companies are becoming more eager to sell their product.

A bill is pending in the Massachusetts senate providing that on and after Jan. 1. 1898, no railroad shall use in years past; enlarging and extending the moving traffic between points in this state any locomotive not equipped with a power driving wheel brake and appliances for operating the train brake system, or run any train which has not a to regulate it. On and after Jan. 1. which can be worked without going be- adelphia. They were confirmed. tween cars.

The tonnage of the Huntingdon and 44.804 tons, or 15,716 tons more than for the house with amendments, brings the shipments for the year to date up to 354,355 tons, an increase, compared with the same period last ear, of 29,789 tons. One of the most encouraging features of the company's weekly reports is the steady increase in the shipments from the Broad Top region. Last week they were 11,942 tons. against 5,039 tons in the same week last is over 11,000 tons. President Janney, referring to the heavy movement of bituminous coal over his road, yesterday expressed the opinion that it would continue for some time to come, as there was now a good demand for the proderal merchandise traffic.

### MOMENTS WITH THE WITS.

Half-Dozen Smile-Provokers from Vari ous Sources.

A wealthy old lady, one bitter cold morning, said to her servant: "James, it has been a very cold night, and I am afraid poor Widow Green is suffering. Take her a wheelbarrow load of to adjust the loss and damage of wood. But, James, before you go, make up this fire and put more wood on. Then give me a nice mug of flip." James obeyed, and was about to start on his errand, when his mistress interposed: Stop, James, you need not go now; the weather has moderated."-Witty Sayings.

> One night at a court ball in the Tuileries Napoleon III, was so attentive to a beautiful young woman as to excite comment among the other women. At last, in response to a direct tribute to her beauty, she said:

"Ah, but Your Majesty compliments me too much."

"How remarkable," he replied, with a twinkle in his eye, "that you should say just what every other woman here is thinking."-Detroit Free Press.

"And how is my old friend, the colonel, spending his declining years?" asked the gentleman who had been north for a long time.

"Beautifully, sah, beautifully. He has tine farm, suh. And a string of trotters, sah. And a barrel of whiskey sixteen years old, and a wife of the same age, sah."—Cincinnati Tribune.

A gentleman who lives in a southern town the other day employed a car-penter to partition off a part of his study, and particularly innstructed the workman to make the partition sound proof. The carpenter declared that he could do this effectually with a filling of sawdust. When it was finished, the gentleman stood on one side and called to the carpenter on the other: "Can you hear me, Smith?"

"No, sir, hard reply.—Munsey's. "No, sir, not a bit," was the prompt

The tall girl mused aloud: "What," said she, "can I do to bring the count to his knees at my feet?" The short girl laughed a hollow, wan little laugh, with a dash of bitters in it.

"Suppose," said the short girl, "you drop a dime on the floor."—Cincinnati Penelope-"Well, Bishop, after all there's only a difference of a single syllable between salvation and perdition." The Bishop-"Why, my dear young

Penelope-"It's merely a question of

lady, how can you say that?"

eternal bliss or eternal blisters."-Life. Piles! Piles! Itching Piles. Symptoms—Moisture; intense itching and stinging; most at night; worse by scratching. If allowed to continue tumors form, which often bleed and ulcerate, beform, which often breed and dicerate, becoming very sore. Swanye's Ointment stops the tiching and bleeding, heals ulceration, and in most cases removes the tumors. At druggists, or by mail, for 50 cents. Dr. Swayne & Son, Philadelphia.

The Measure Sent from House to Senate for Concurrence.

COURT BILL IS PROGRESSING

It Is Considered on Second Reading-An Amendment Includes Scranton in the Circuit-Governor's Nominations.

Measures on Final Rending.

Harrisburg, Pa., March 20.-The senate met at 11 o'clock. Among the bills introduced were the following: By Mr. Hackenberg, repealing the act enabling the tax payers of townships and road districts to contract for making roads at their own expense; also authorizing the construction of fish dams and baskets to catch eels during September and October; also providing that bridges destroyed by ice or otherwise may be rebuilt within four miles of the abandoned site. By Mr. Mitchell, of Jefferson, allowing the manufacture and sale of oleomargarine under cer-

tain conditions. Senator Grady had the vote reconsidered on the bill authorizing municipalmeeting of the anthracite coal presidents has been called for Thursday of right of eminent domain to acquire the whole of any lot or piece of ground, part coal trade. A few of the presidents of which only may be necessary for corporate use.

Senator Baker attacked the bill, claiming it is a vicious one, and should not pass.

Senator Grady defended the bill, say-

ing that where a corporation took part of a piece of land the remainder very often became useless. Senator Green declared the bill the most generously drafted one for the corporations he had ever read. He said its meaning was In the trade it is stated that the low that a railroad could compel any one to sell it land for which it might have no use, simply because it wanted the was left "saddled" under the McLeod land. The bill passed; yeas, 27; nays, 6. These bills, among others, passed finally: Authorizing the superintendrious devices to cut prices. For exam- ent of public instruction to employ or is allowed for the coal at New York blies or associations incorporated for selow the market rate, and indicates tions, and providing for the payment of such lecturers or instructors; to require the applicants for teachers' permanent certificates to hold a valid professional certificate at least two years before making application; authorizing the courts to dissolve petroleum mining corporations which have not been actively engaged in business for ten

mother over minor children. The governor sent to the senate the following nominations: Member of the board of medical examiners, representsufficient number of cars so equipped ing the Eclectic society, Augustus with power as to enable the engineers Niles, Wellsboro; members of the state board of health and vital statistics, J. 1898, no cars shall be handled without E. McClelland, Pittsburg; John Fulton, being equipped with automatic couplers | Johnstown, and Richard Y. Cook, Phil-

power, control and authority of the

By a vote of 29 to 11 the senate agreed to suspend the rules and take up the Broad Top railroad company last week | bill creating the office of superintendent was very heavy, reaching a total of of state supplies, which, as passed by the corresponding week last year. This the senate shortly before the hour of adjournment.

Senator Gobin discussed the bill until 1 o'clock, and then called for the order of the day

House Proceedings. The house met at 10 o'clock. A large number of bills were reported from committee.

Bills were read in place as follows: ear; for the year to date the increase By Mr. Hammond; of Westmoreland, to prohibit school boards from hiring teachers who may be related to said boards within certain degrees of con-

The vote by which the Keen bill, t set apart a school fund for the estabuct from manufacturing sources. He lishment of school libraries, was dealso reported a freer movement of gen- feated on second reading, was reconsidered. It then was amended so as to leave the matter to the discretion of

school directors. The bill to establish an intermediate court for the relief of the supreme court was under consideration on second

reading. Mr. Kunkel offered an amendment. which was adopted, striking out the provisions for minority representation in the new court

The section providing that the court shall sit in Philadelphia, Harrisburg and Pittsburg was amended so as to include Scranton and Willamsport. Pending further consideration of the July ... bill, the measure creating the office of state custodian was taken up on special order and passed finally: yeas, 151; nays, 17. The bill was sent to the sen-

ate for concurrence in amendments. When the consideration of the circuit ourt bill was resumed several amendments were suggested but rejected, and the bill passed second reading.

The Grigsby road bill, providing for county convention to legislate on road improvements, was defeated on second

An hour was spent in debating the biil authorizing justices of the peace to hear and determine certain specified offences and misdemeanors with the aid of a jury of six, and to impose sentences. The bill was strongly opposed on constitutional rounds, but the house adjourned pending its consideration.

"I had a bad cold which developed into grip. Physicians gave me na relief, and I finally tried Dr. Wood's Norway Pine Syrup. One bottle cured me completely. It is a wonderful medicine." John Hanmies, Lyon Station, Pa.

### STOCKS AND BONDS.

New York, March 20.—The upward tendency of prices at the Stock exchange was checked by realizations, but still at the end of the day quite a number of the prominent issues showed gains. A feature of the trading continues to be the inquiry for the lower priced stocks, such as the bituminous coalers and General Electric Improvement in the bituminous coalers sees due to the ratification of the Obic

### A PUBLIC BENEFACTOR.

Professor Munyon's Great Work Among the Suffering.

His Medicines Are Marvels in the Way of Effecting Cure.

Mr. George Lodge, the well-known real estate dealer, Third and Federal streets, Philadelphia, Pa., is not only one of the most prominent real estate brokers in the city, but is the general manager of the new underground sys-tem of electrical propulsion, which is destined to supersede the overhead trol-

ley. Read what he says:
"Ever since 1868 I have been a great sufferer from sciatic rheumatism. There were times when the excruciating pain nearly drove me insane, and I was practically helpless. Upon a friend's advice I was induced to try Munyon's Rheumatism Cure. After taking a few doses the pain left me and I have not had the slightest symptoms of any return of the disease. I have recommended this remedy to several of

my friends, who have also been cured." Munyon's Rheumatism Cure is guar anteed to cure the rheumatism in any part of the body. Acute or muscular rheumatism cured in from one to five days. It never falls to cure sharp shooting pains in the arms, legs of breast, or soreness in any part of the body in from one to three hours. It is guaranteed to promptly cure lameness stiff and swollen joints, stiff back and pains in the hips and loins. Chronic rheumatism, sciatica, lumbago

or pain in the back speedily cured. Munyon's Homeopathic Home Rem-edy company, of Philadelphia, put up specifics for nearly every disease, which are sold by all druggists, mostly for 25 cents a bottle.

Those who are in doubt as to the nature of their disease should address Professor Munyon, 1505 Arch street, Philadelphia. Professor Munyon will carefully diagnose the case and give you the benefit of his advice absolutely free from charge. The Remedles will be sent to any address on receipt of retail price.

buying was based on the seitlement of exlisting differences with the American Distributing company. The anthractic coalers were irregular but firm. Delaware and
Hudson, Lackawanna and Reading scored
gains, but Jersey Central fell from 314 to
325. The Grangers were less active. In
the morning hour the market was firm,
but lette in the day a decline of 14 to 15
was noted. Sugar was unsettled and
ranged between 305 and 374. Speculation
left off irregular, but in the main firm.
Net changes show gains of 15 to 15 in 16
ling, General Electric, Hocking Valley and
Reading, and declines of 15 to 14 in the
other Issues. Total sales were 210,000
shares.

The range of today's prices for the active stocks of the New York stock market are given below. The quotations are
furnished The Tribune by G. du B. Dimmick, manager for William Linn, Allen &
Co., stock brokers, 412 Spruce street,
Scranton.
