Seabrooke Will Appearin It as King Pom mery Sec.

Like most comic operas of the present "The Fall of Champagne," as illustrated by Thomas Q. Seabrooke, and his own comic opera company, which is to appear at the Academy of Music tomorrow night, is a clever elaboration of a ludicrously absurd idea, beautifully set, and abounding in songs. It can be truly said that this is the first comic opera that has been heard for a same that has received so many enconlums from the eastern critics, and the finished performance shows that all have received the full benefit of their

He doesn't try to be funny, but he can't help it, and apparently he has as much fun as anybody during the piece. His expression is enough to cause a laugh, while his attitudes and remarks are convulsing.

One scene represents the race track in Lexington at the most exciting moment—the finish of a closely contested race, and it is described as the perfection of scenic deail. The play should not be confounded, however, with those which depend for their success upon one or two strikng situations. "In Old Kentucky" is a logical drama, built upon purely dramatic lines. Lillian Lewis as Cleopatra. Miss Lillian Lewis will appear at the Academy of Music on Monday evening in a grand scenle production of "Cleopatra." An exchange says: "The play was given amid much splendor, the scenery was a series of art pictures, the costumes were unusual in their beauty, the stage settings were most tasteful, and in fact every requisite to an excellent production was used. Several charming dances are introduced, the arrangement of the ballet and its members being very graceful. The dance of Cleopatra before Antony, executed by Miss Lewis, was splendidly done. Mission Will Open at St. Mary's German Catholic Church on Sunday - Funeral of Mrs. Barbara Gutheinz Takes Place Tomorrow Afternoon.

Richard J. Farrell, foreman of the William Connell Hose company, is in the lead for the appointment as fourth district engineer of the Scranton fire department to succeed Louis Schwass, the present efficient and faithful chief. whose term expires in April. Mr. Schwass will not consent to allow his name to be used in connection with a re-appointment. Mr. Farrell's petition is being signed wherever it is presented and his friends say there is scarcely any doubt but that he will be the next district chief. There are two strong reasons, they say, why he should be chosen. One is that the company he belongs to deserves recognition, cause none of its members has pressed forward for the honor for some years. The other is that it would be hard to select a more active and dutiful fire-

Sick List Is Large. No other portion of the city is suffering as dreadfully from the prevalence of illness as the South Side. The rate of mortality is abnormally large and seldom a day has passed within the last four weeks without recording from three to five funerals and the death rate does not seem to wait upon the old. Persons at every stage in life's journey are caught before the sickle. The physicians ascribe the cause for so much unhealthiness to the unclean gutters. Funeral of Barbara Gutheinz The sad news of the death of Mrs. Barbara Gutheinz, of Cedar avenue, was received throughout the South Side vesterday with universal regret, and especially among the poorer classes of people, who knew her as a charitably disposed and generous person. Much sympathy is expressed for her three orphan children, who had barely learned

to cease sorrowing for their father, whose death occurred just a year ago The deceased was a devout member of the Hickory Street Presbyterian church, and was actively connected with the Woman's Aid society of the congregation. The funeral will take place to morow afternoon at 2 o'clock. Burial services will be performed by Rev. August Lange, and interment will be made in the family plot in Pittston ave nue cemetery.

Thousands of women have found such in Dr. Kennedy's Fa vorite Remedy. Mrs. Christiana Beal, of Jonesport.
