TALES OF TWO PITTSTONS News of Interest to Readers Up and Down the Valley. A FULL FLEDGED CITY TODAY New City Councils Will Assume the Reins of Government-List of New Members-Judge

Rice's Boom.

Special to the Scranton Tribune. Pittston, March 31 .- On Thursday last at the instigation of Prothonotary George W. Llewellyn a petition was circulated among the many friends of Judge Rice desiring him to become a candidate for a position on the bench of the proposed Superior court. The petition was signed by 150 of the most prominent men of Luzerne and Lackawanna countles. Among the signers are ex-Attorney General H. W. Palmer. Judge Alfred Darte, General E. S. Os-borne, county chairman and ex-Sheriff R. P. Robinson, of Luzerene county Alexander Farnham, District Attorney Fell, ex-County Chairman Luther C. Darte, Warden James M. Boland, of the Luzerne county jall; J. Butler Woodward, Judge Stanley Woodward, ex-District Attorney John M. Garman. Theodore Hart, of the Pittston Gazette. and a large number of leading lawyers and prominent business men and pollticians of Wilkes-Barre and Pittston. Prothonotary Llewellyn presented the petition to Judge Rice at his home Friday evening. The appointment will be made by the governor. Should Judge Rice receive the appointment to the Superior court it will be necessary to appoint another judge to the Luzerne bench. In such an event Judge Woodward will become the president judge It is not definitely known which county will secure the Superior court.

#### Judge Rice Accepts.

Yesterday afternoon Judge Rice returned the petition to Prothonotary Llewellyn with the following letter of acceptance:

Wilkes-Barre, March 30, 1805. Gentlemen: I gratefully appreciate the good will shown in your communication of March 28. Replying directly to your in-quiry, I would say, that if the bill pending in the legislature becomes a law, I would esteem it a very great honor to be chosen as a member of the appellate court. Sincerely thanking you for the offer of your efforts to bring about that result, and for this expression of your confidence, I remain yours very truly, Chas. E. Rice, To F. W. Wheaton, Esq., and others.

Tomorrow the mental strain of the aspirants for the several appointments to be made by the new city councils will be relieved. For chairman of select council George B. Reap and John J. Kearney are candidates. P. F. Joyce and George F. Buss aspire to the chair of common council. One of the most important appointments to be made will be that of city clerk, the aspirants for which are J. E. Dempsey, present borough secretary; Joseph O'Boyle and J. J. McHale. Much care should be exercised in selecting a person for the position of city clerk, as the duties imposed upon that office are of the most intricate nature, and will require a man of thorough business ability to care for the numerous books of the new city. In the appointment of chief of police the name of Joseph Loftus should not be overlooked. Mr. Loftus has acted in the capacity of chief of borough police for the past year and has proved himself to be alert and efficient in the

STOCKS AND BONDS.

New York, March 30.—Speculation at the Stock exchange today was active and a confident tone characterized the trading. The improvement, which ranged from ½ to 2½ per cent, was well distributed. Jer-sey Central advanced 2½, Sugar 2½, Lack-awanna 1, New England ¾, Union Pacific 1½. General Electric was the only stock that showed weakness and fell a point. Speculation closed firm with prices at or near the highest figures of the day. Total sales, 150,000 shares. The range of today's prices for the ac-tive stocks of the New York stock mar-ket are given below. The most unique and applicable sign recently brought before the notice of the public is the one hung by C. S. Kurschel last week in front of J. J. Mangan's dry goods house, on North Main street. The sign embodies the motto held forth by Mr. Mangan for many years: "The Dollar Store." It has a large fac simile of a silver dollar, date 1895, with the name of the merchant, J. J. #### Council Meeting,

A special and last meeting of the bor ough council was held at the town hall last evening. The following councilmen were present: Mangan, Donnelly, Clifford, Kennedy, Hennigan, Kearney Tigue, Maloney and Lynott, also Borough Attorney Bohan and Borough Treasurer Langan. Reap and Knowles were unable to be present on account of illness. The minutes of previous meetings were read by Borough Secre tary J. E. Dempsey and were approved. Communication was read from J. A. Touhill regarding the repairs of the Niagara fire engine. No action was taken by the council on account of action brought by Mr. Touhill against the borough. The following were exonerated from borough taxes: Mary Nealon, Mill street; Katle R. Stahl and John Sheridan estate, Eleventh ward, A permit was granted Superintendent Thomas, of the Pittston Gas company to dig trench on Cron street. The resolution adopted at a previous meeting of the council awarding contract of luminating company was read by secnelly the veto was received and filed. In report of fire committee, Chairman Donnelly recommended that the present fire alarm system be adopted, as it is now giving better satisfaction to firemen and public generally. Chairman Reap, of the finance com

mittee, not being able to attend by letter, deputized Councilman Clifford, of the committee, to act in the capacity of chairman. Clifford reported the unsettled matter of the tax duplicate of ex-Tax Collector Young. The statement of shipments of anthra cite coal (approximated) for the week ended March 23, 1895, does not differ mate-rially from those issued for the previous weeks of the month. The most strikin: feature of the statement is that which tends to show a further restriction in the output. This fact has been apparent from the first week in the month, as there has been a failing off in production in each successive week. In the first two days of March the shipments amounted to about 275,874 tons; in the week ended March ing of the council awarding contract of city lighting to Citizens' Electric II-luminating company was read by sec-\$94,022 tons.
