DELEGATE BOLAND'S REMARKS

Pavorable Remarks Made at Meeting

Said it Will Only Be a Short Time Until the Two Boards of Hibernians Are United in Action as Well as in Purpose.

Every division of the fourteen comorising the Board of Erin of the Ancient Order of Hibernians of Lackawanna county was represented at the county board meeting of the order in Pather Mathew hall, at Archbald, yesterday afternoon. Five delegates from each division were present, besides the

officers of the county board. County Delegate C. T. Boland called the delegates to order and presided at the deliberations. P. F. McDonnell, of Jermyn, was secretary. National treasurer of the order, Daniel B. Battle, was in attendance at the session and greeted the delegates with a felicitous speech. At all conventions of this kind a certain amount of routine business is transacted and after that was through with yesterday the announcement was made that the next state conrention of the order will be held at

Wilkes-Barre on or about May 28. Under the rules of the order the three ounty officers, County Delegate C. T. Boland, Secretary P. F. McDonnell and Preasurer James McGreevy, of Simpon, will represent the board at the state convention. Each division is entitled to send its president as a delecate, but in case of his disability no alternate is allowed.

Question of Consolidation. The election of a delegate to the national convention, which will be held at Tammany hall, New York, during the week beginning Tuesday, May 14, did not occur at yesterday's meeting, but will take place at the next convention. Besides the routine business of the order, which concerns only memis a growing sentiment among the leaders of both factions of the order to devise the most feasible way of bridging unite them in one common brotherhood. County Delegate C. T. Boland, of the Tribune reporter and he asserted that the sacrifice he would make in bringing the two bodies together would be to step down and out from the honorable position he now holds. It cannot be said, he stated, that for his part the greed for official power would stand in the way of a conset dation. He declared that he could say the same for the other gentlemen of the county board and he prophesied that the time would be short until the two boards of the Ancient Order, in this county and throughout the country, will be united under one head, as they have always

been united in purpose. Returned Sincere Thanks. Mr. Boland asked to be quoted as returning his sincere thanks to the mempers of the rank and file of the Board of America for the response shown and their creditable display in the parade at Carbondale on St. Patrick's Day. Mr. Boland thanked the press, too, for the favorable mention of the dem-

PURELY ACCIDENTAL.

That Was the Verdict in Regard to the

Death of Merrit Lawrence. In the arbitration room of the cour house the testimony of witnesses was taken last night before Coroner J. A. Kelley and the jury impaneled to investigate the death of 4-year-old Merritt Lawrence, who was killed by a street car last Thursday afternoon on Adams avenue. Professor Allan Law rence, father of the dead child, was not present, but he was represented by Attorney W. S. Hulslander. In behalf of the Traction company Attorney Horace E. Hand was present. Court Stenog rapher Willis D. Coston took the testimony of the witnesses.

James Cantwell, motorman of the cathat ran down the little boy, was first sworn. He is an experienced railroad man, having been in the business for the past twenty years. He worked for many years as an employe of the Dela-ware, Lackawanna and Western. His opinion is that the car at the time of the accident was not running faster than five or six miles an hour. The boy unexpectedly ran on the track and Mr. Cantwell swore that he reversed the motive power as quickly as could, foreseeing that the boy would hardly escape from being run over. The usual signals were sounded before approaching the intersection of the pers and has no outside interest, there streets, but the boy darted in front of the car and could not be saved.

Conductor E. D. Barclay of the car was sworn and testified that he became over the dissension now existing, and aware that something was wrong when he felt the motors being reversed. The car could not have gone more than Board of Erin, was interviewed by a forty or fifty feet after it was reversed before it stopped.

Ex-School Controller George Thompson and his son, Arthur C. Thompson, were sworn. They were on their way down Adams avenue, and the car was almost at the crossing before their attention was attracted. They saw the boy run ahead of the car and then the accident. Both substantiated the motorman and conductor with regard to the speed of the car. W. B. Hartley, who was a passenger on the gave testimony regarding the speed of the car. He saw the boy ahead and was of the opinion that the accident was unavoidable. The car was

not making excessive headway. The jury decided that the death of the child was purely accidental, and the motorman was exonerated from all liability.

FLOUR

TO OUR PATRONS:

Washburn-Crosby Co. wish to assure their many patrons that they will this year hold to their usual custom of milling STRICTLY OLD WHEAT until the new crop is fully cured. New wheat is now upon the market, and owing to the excessively dry weather many millers are of the opinion that it is already cured, and in proper condition for milling. Washburn-Crosby Co. will take no risks, and will allow the new wheat fully three months to mature before grinding.

This careful attention to every detail of milling has placed Washburn-Crosby Co.'s flour far above other brands.

CIGARS

BY THE BOX

AT LESS THAN THE COST TO MANUFACTURE

We give below what the Cigars are actually worth and also what we will sell them for during the next week or ten days. There is no humbug about this sale. We would be glad to have the purchaser take them to any reliable manufacturer and have him examine the stock and the class of work and see if he would want to match them at the price at which we are selling them. The cheapest Cigars in the lot are good, sound goods, well made and good smokers. There is not a brand in the lot that is made from low grade Tobacco, and most of them are either clear Havana or seed and Havana filler and Sumatra wrapper. But a trial will soon tell any smoker what the goods are:

Any Cigars not giving the best of satisfaction, or not fully up to representations, will be taken back and money refunded.
