Every Joint in His Body Racked with Rheumatism.

Could Not Movo Ilis Arm and Was in Constant Pain-A True Story of a Remarkable Cure.

William F. Maler, 18 Park Place, Zanesville, Ohio, says: "About a year ago I had to quit work on account of rheumatism. I had the disease in my hips, back and arms, in fact, in every joint in my body. The pain was intense, and I suffered the most excruciating agony. My doctor could not do anything for me, and I tried every remedy that could be suggested; none of them did me any good, and finally my joints became stiffened and sore. At es I could not move my right arm, and was in constant pain. I procured a bot-tle of Munyon's Rheumatism Cure, and tle of Munyon's Rheumatism Cure, and within a short while was completely cured. I am free from stiffness and pain, and can cheerfully recommend Munyon's Remedy as the best I have ever known." SCRANTON, PA., April 8, 1895. Dear Silas:

Before accepting your kind invitation to spend the EASTER HOLIDAY with you at Farmville, I would like to know if there are any commissions which I can attend to for you.

You know everything is much cheaper here and more up to date than around your part of the country, and if you have any change, I should advise you to invest it in SPRING CLOTHING for yourself and the boys. There is a store here called "THE BELL," No. 230 Lackawanna avenue, where I bought a suit very cheap. You will be surprised to hear that I paid only \$7.00 for it. Gent's furnishing goods can also be bought there for half the amount that you would pay in Farmville. Let me know by return of mail just what you want, and I shall be glad to accommodate you. With love to Lydia, Ruben and John, also yourself. I remain yours,

CHARLES AUGUSTUS FLETCHER.

P. S.—Tell the boys that at \$4 with every knee pants suit sold at the "BELL" each boy is entitled to a chance on a bicycle to be drawn for July 5. Don't let them miss this.
