The Eastern league victory at Wilkes-Barre is, however, offset by the defeat of Syracuse by Lancaster, of the State league, in the latter city. It was a close and exciting game, and was won by a Syracuse led in the batting, but lost by costly errors.

In the National league, Pittsburg won from Cincinnati and incidentally pulled themselves into first position with the team they defeated. Cleveland babies have yet to win their first game. Louisville and Chicago played like a pack of juveniles.

At the Wilkes-Barre Athletic park yesterday afternoon Marty Swift's State leaguers from Carbondale were law. turn down hard. #### DOES HE WANT HODSON?

Rumors About Yesterday's Trip of Mannger Barnie to New York.

Manager Billy Barnle was on a trip of mystery to New York yesterday. Among base ball people it was rumored that he had gone to secure Pitcher Hodson, formerly of Scranton, who is to be released by Boston. Another rumor was to the effect that Barnle is set down by a National club.

Over a week ago Manager Barnie knew that Hodson was liable to get his walking papers. At that time the Scranton manager secured what he consideréd a reliable promise from the Bostons to let him know of Hodson's release the moment it occurred. It appears that there was a hitch.

Providence wants the ex-Scranton twirler and seems likely to secure him.

\$1,000. Between Steve Judge, of the South Side and Mike Duddy, of Old Forge, formerly of Minooka, there will be a 15-round boxing match tomorrow evening at Weber's rink, Taylor borough. The bout will be under the auspices of the Nonpariel Athletic club, of Taylor. The Saturday Tribune.

NE of the secrets of the great and growing popularity of the Saturday Tribune is its originality. Unlike the special editions of many other papers, it is not made up largely if not exclusively, of stereotyped features widely syndicated for simultaneous publication. On the contrary, the bulk of the special matter presented in The Saturday Tribune is prepared especially for this paper. That The Saturday Tribune is satisfactorily filling its field is substantially manifested by a steadily growing constituency. No other paper ever printed in the history of Scranton journalism has achieved a fuller measure of success than The Saturday Tribune.

The Saturday Tribune is essentially Scranton's Favorite Newspaper.

But with the opening of the base ball season it will, as heretofore, give additional attention to this department. Base ball lovers will find the games covered more fully from day to day in The Tribune than they are covered by any other paper printed or sold in Scranton. This paper is the recognized authority in Scranton on base ball and other sports and arrangements have been made that will insure fuller and better reports than ever before. Patrons of the national game will find in The Tribune every day in the week just what they want in the way of detailed reports, which will be supplemented each Saturday with a page of the freshest and most readable sporting news and gossip. Due attention will also be given to all other out-door pastimes,

#### STOCKS AND BONDS.

New York, April 23.-On transactions of 302,000 shares the usually active stocks closed with net gains ranging from ¼ to 1½ per cent. There were heavy realizations throughout the day, but the stocks offered were readily ab sorbed, and in the main speculation closed strong and confident. London bought 30,000 shares. Local bears pro fessed to be disappointed at the failure of the presidents of the anthracite coal companies to arrive at an agreement and they endeavored to bring about a reaction, but the decline was insignificant. In the afternoon the old stories of a settlement of the difficulties of the companies were revived and the stocks, notably Reading, responded. In the late trading the grangers were particularly prominent.

The rangeof today's prices for the active stocks of the New York stock market are given below. The quotations are furnished The Tribune by G. du B. Dimmick, manager for William Linn, Alien & Co., stock brokers, 412 Spruce street, Scranton.
