A. F. Chaffee will read an article upon "China and Confucius" before the Scranton Methodist Preachers' association on Monday next.

Four street cars will be added to the present service on May 1, being one each on the following lines: Laurel Hill park, South Side, Nay Aug and Taylor.

Dr. Parke has had his new offices, corner Washington avenue and Linden street, thoroughly renovated and now has one of the most attractive sets of offices in the city.

While a son of Mr. Patch, of Sanderson avenue, was riding a bicycle near Larch street on Thursday evening, he had a narrow escape from serious injury. Losing control of the machine, which a carriage drove by, he rushed between the wheels and was run over by the hind wheel, but escaped with slight injuries.

The remains of Edward Breckstein, who died in St. Luke's hospital, in New York, were buried in the city today and tomorrow afternoon the funeral will be held. It will be attended by the members of Scranton lodge, No. 253, Knights of Pythias. Services in accordance with the Knights of Pythias ritual will be conducted by Grand Prelate H. N. Dunnell at the grave.

A regular meeting of the Elm Park Zenith society was held last evening in the church parlors, when an excellent address was delivered by Mrs. Howells, of the Woman's Christian Temperance union, on temperance work and true manhood. H. G. Moore will address the next meeting. The society is making an effort to obtain a situation for a boy 15 years of age. The secretary, at 240 Adams avenue, would be glad to give information.

The meeting for women and girls held every Sunday afternoon at 3.45 in the Young Women's Christian association rooms, 205 Washington avenue, promises to be of unusual interest tomorrow. A programme has been prepared relating to association work throughout the world, and it is expected that one of the Pittsburg delegates will speak briefly concerning the periods of Bible study and the Sunday services connected with the convention.

THE READING'S BIG DEMAND

Officials Are Still Hopeful That It Will Be Conceded to Them.

POSITION OF LEHIGH VALLEY

It Is Mining and Selling All the Coal That It Can—What Will the Jersey Central Do—May Withdraw from the Agreement.

While the coal sales agents at their meeting in New York on Thursday failed to take action on the prices and tonnage for May, or to accede to the demands of the Reading for 21 per cent. of the total output, there are many who predict an early settlement of the difficulty. The fact that the agents decided to meet again next Tuesday is pointed to as an evidence that there will be some temporary adjustment of the situation. It was not hoped that a settlement would be reached, the meeting would probably have broken up in confusion and no time would have been fixed for another conference.

One of the receivers of the Reading railroad said yesterday, in an interview with The Tribune's Philadelphia representative, that the outlook for the Reading ultimately being awarded 21 per cent. of the coal output was better than it had been, as some of the other great coal carrying companies had now come to recognize the justice of the claim.

MR. HUGHES IMPROVING.

More Satisfactory Report Received from His Bedside.

General Mine Superintendent Benjamin Hughes was reported to have improved slightly yesterday morning, and the welcome news caused much relief to his family, who were waiting with some anxiety.

TWO RAILROAD ACCIDENTS.

Brakeman John McDevitt Killed at Tobyhanna—Patrick McCabe Injured at Archbald.

Brakeman John McDevitt, of the Delaware, Lackawanna and Western Railroad, met a terrible death early yesterday morning at "Steam Shovel" switch, near Tobyhanna. Mr. McDevitt was employed on No. 238 fast freight train, which was being switched at that point to admit No. 12 passenger train to pass. A box car was attached to the engine, and in the endeavor to step from the car, he slipped and fell between the tender and car, and was caught by the wheels, which cut him into many pieces.

As soon as possible the train was stopped, and a ghastly spectacle met the eyes of the train crew. The wheels had passed right over the face, and literally crushed it into fragments, rendering it absolutely unrecognizable. Other parts of the body had been so completely severed that it was found necessary to pick up the remains and place them in a blanket. They were then brought down and taken charge of by Undertaker Raub, who conveyed them to the residence, 1120 Rock street, in Park.

McDevitt was about 35 years of age and leaves a wife and four children, the youngest being about 4 months old. He was a member of the Delaware, Lackawanna and Western Mutual Aid Society, and the Moses Taylor Lodge, No. 400, of the Brotherhood of Railroad Trainmen.

The funeral will be held tomorrow afternoon at 2.30 o'clock, from the residence, and interment will be made in the Hyde Park Catholic cemetery. A notice has been issued by Master G. W. Burt and Secretary Miles Crossen, of the Moses Taylor lodge of Brotherhood of Railroad Trainmen, requesting the officers and members of the lodge to meet at the Ancient Order United Workmen hall tomorrow at 12.30 o'clock to attend the funeral.

Ran Over on the Gravity Road.

Patrick McCabe, a youth about 15 years of age, was brought to the Lackawanna hospital yesterday about 3 o'clock having sustained a serious accident at Archbald. McCabe was attempting to get on one of the gravity road cars, near that place, when he lost his foothold and slipped underneath the cars, which passed over both legs. When extricated from his position it was ascertained that both legs were so badly crushed that they were immediately amputated, and the danger of his bleeding to death.

Assistance was immediately procured and his limbs bandaged. He was then placed on the Delaware and Hudson train arriving at Scranton at 2.34 p. m. and taken to the Lackawanna hospital, where his injuries were carefully examined and an opinion expressed that it would not be necessary to amputate his limbs. The boy displayed unusual pluck, although he fully comprehended his perilous situation and conversed in the train upon the manner he met with the accident.

The Flyer of All Flyers.

Of the many fast trains in the east, the Jersey Central flyer leaving this city at 12.45 daily is one of the fastest and one of the best equipped for the comfort of travelers. It leaves Wilkes-Barre at 1.15 and reaches New York at 6 o'clock and Philadelphia at 5.49. The flyer makes close connections for heading Harrisburg, Baltimore and Washington. At Philadelphia it connects with the famous "Shenandoah Limited," the Jersey Central's fast and solid vestibuled Royal Blue line train between New York and New Orleans.

Scranton Lodge, Knights of Pythias. The members of Scranton lodge, 253, K. of P., and members of sister lodges, are requested to meet at Old Fellows' hall, 220 Wyoming avenue, at 2.30 Sunday afternoon to attend the funeral of our late brother, Edward Breckstein.

The two trees were planted near the school entrance, the one on the left side as you enter the building being named "W. J. Welsh," after the school controller of the ward, and the one on the right side "Emma Hartley," in memory of the young lady, a former teacher at the school, who died a year ago. Four boys chosen from the different classes assisted in the ceremony of planting the trees. Before the children dispersed Professor Stone delivered an address on the nature of the exercises.
