Washington, May 2.-The Nicaraguan incident, growing out of the British occupation of Corinto, was practically settled today seemingly through the od offices of the Salvadorean minister to Great Britain and France, who arrived in London from Paris this morning and had an interview with Lord of their work, after they had been in Kimberley, the British foreign secretary. It is understood that Ambassador Bayard was present at this meeting. although the statement of Sir Edward Gray in the house of commons today that the United States had not suggested terms for an amicable settlement, would indicate that Mr. Bayard was only present as amicus curiae. conference between Lord Kimberley and Mr. Medina, the minister from San Salvador resulted in a definite arrangement of terms for the settlement of the trouble at Corinto, the substance

which was immediately cabled to Secretary Gresham by Mr. Bayard. In the dispatch Mr. Bayard said that Great Britain had accepted the guarantee made by Salvador of the payment of the indemnity of \$77,500 demanded by Great Britain, the payment to be made by Nicaragua in London within a fortnight, and the British govern ment agreeing that as soon as Nicaragua confirmed this promise to pay and informed the British admiral in charge of the naval forces at Corinto, of that fact, the admiral would be instructed to withdraw not only the force of marines which, under command of Captain French, now holds possession of the custom house and other government buildings at Corinto, but also to move his warships from the harbor.
