

The wins and defeats in the Eastern league games Saturday, changed the position of the clubs in only one instance. Toronto beat Providence, which leaves Buffalo alone in last position and without a game won.

Springfield is at the top of the list osition. Buffalo should have won from Springfield according to the detailed score. A blocked base was all that saved Rochester from a shut-out by Scranton. Wilkes-Barre won in a canter from Syracuse.

Shut-Out. Any of the 2,000 persons who witnessed Saturday's Scranton-Rochester base ball game and wanted to see a close contest and the home club win at one and the same time-any such person certainly had his fill. It was the largest crowd since the opening day, and the afternoon was certainly the hottest of the season. Not a suspicion of Fahrenheit in his office, but who loves to get hot and excited and bellow and roar at a ball game on a day hot enough to frizzle other kinds of people.

Scranton won by a score of 5-1. Rochester only escaped a shut-out through Shinnick's hit, which was blocked in the crowd off right field, www.where, according to rule, the ball ma... be before it can again be

when the ball came back to the diamond, escaped the grasp of Delaney and bounded toward the bleachers.

Shinnick came in during the turmoil. Scranton's tally in the second was Crane and Casey, made by Whitehead, who went to first on balls, reached second on Radford's two-bagger and beat the ball in after Rogers' out to right field. In the meantime Houle had flown out to center. to center.

Brady, who went to third on W. Johnson's two-bagger. Clark was hit by a pitched ball and filled the bases. Whitehead's hit scored Brady and forced Clark at second. Whitehead stole second and came in with Brady on Houle's twin hit to left center. Radford flew out to right field.

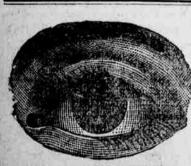

In the fourth Scranton made the final tally. Rogers was presented with first on balls, but was d at second by Delaney's bunt. Denney went to second on a passed ball and came in on Ward's hot gravel-digger to left field. With only one out Scranton filled the bases, but failed to work in another

Ward and Brady made hits and go on the circuit, W. Johnson flew out to Smith. Clark reached first on Smith's error and filled the bases. Whitehead

In the last inning Rochester, with two out, got two bases on hits. Du yea flew out to Ward.

OTHER SATURDAY GAMES. Vilkes-Barre Has an Easy Time of I

with the Syracuse Men. Wilkes-Barre, May 5 .- That was a 'ery one-sided game at Athletic park on Saturday afternoon, when the Wilkes-Barre club defeated the Syra-cuse by a score of 15 to 3. In spite of the lopsidedness of the score the game was not devoid of interesting features with no games lost and could lose two
successive games and still be in first runs at almost every inning, while the Syracuse never made a run until the ninth, when they managed to get in three. There was a fairly good at-tendance, but enthusiasm in the game has not yet reached high-water mark

Hitting the ball had not bothered the team, he renarked, but through Ill-luck the ball had shown an unusual disposition to all on top of the opposite fielders. He xpressed an admiration for the clever di-around work of Providence and

RUN TO CARBONDALE. Scranton Bicycle Club Members Take

Sunday Spin. Nearly a score of riders of the Scran ton Bicycle club enjoyed a run to Car bondale and return yesterday. They were led by Captain E. A. Gilmore. In the party were W. R. Pierce, M. R. no other. Sloan, George Sharps, D. P. and J. P.

Connolly, Harry Lucas, G. A. Gardner, George Winans, H. S. Alworth, A. W. Blandin, Charles A. Klesel, L. L. Van Wormer, S. W. Edwards, W. F. Free man, Frank Wettling, S. W. Boyle and Bert Henderson. The wheelmen left the club house at 10.30 o'clock and reached Carbondale a few minutes after noon. Freeman and Wettling arrived later on a tandem. They made the run in 1.08. The return

start was made at 4 o'clock. There was

no rain during the entire trip, nor was

any mud found until the boulevard was reached south of Olyphant. Scrantor was reached at 5.30 o'clock. Just south of Carbondale, on the return trip, Pierce broke a crank and Winans a chain They came home on an electric car.

BICYCLE SPOKES. Robert White, one of Scranton's local last year cracks, has decided not to race this season.

The roads were very dusty.

Seventeen members of the Green Ridge wheelmen witnessed the performance of the comic opera, "Olivette," at Davis' the-ater last Wednesday evening.

The GreenRidge wheelmen will entertain the West Side wheelmen, of Wikes-Barre, at a smoker in the Green Ridge club house Friday evening, May 10. William E. Tailby, who traded a stolen wheel with Dealer C. M. Florey, has been captured in New York state, and is in Au-burn prison. Mr. Florey will go to Auburn

this week to identify him. Tailby made iness of stealing and trading wheels. Housen, the Belgian champion, and Wheeler, the king of the Cash Prize eague, have arranged a series of three races for a purse of \$500. Housen is very confident of winning. He made the re-mark that Wheeler had better present him the money and save the time and ex-pense of training.

Eighteen members of the Green Ridge wheelmen participated in a club run to Peckville Thursday evening, where they were entertained by Mr. Blandin, a resident member of the club, at Hotel Betts The return trip was made in thirty min-untes. Captain Carr ordered the boys to scorch from Olyphant.

The small boys in Dickson City are exceedingly troublesome to wheelmen who pass through that borough. Last Thursday evening Richard Wambold, of Green didge, was riding toward Peckville at a -minute gait, when a bay about 15 years old threw a stick in the rear wheel of his machine, tearing out some of the spokes and badly twisting the frame.
