Scranton is alone in second position By winning from Toronto yesterday Barnle's blue-stockings go above Providence and Wilkes-Barre, who lost respectively to Syracuse and Buffola. The Springfields did about as they pleased with Rochester and won in a walk. In games played, Scranton is one less than | Betts, cf. Wilkes-Barre, and two less than Providence, and consequently has a better grasp on its average than any of the Diggins, c..... leaders, excepting Springfield.

CRANE'S POOR SUPPORT.

Rochester at Springfield.

Scranton Won, but the Game Might Have Been Closer if the Torontos Had Played Better Behind Their Pitcher.

A Toronto paper recently published a startling statement to the effect that Crane, the big ex-New twirler, was not being supported by the Toronto players; in fact, the article broadly stated that the players "had it in for Crane" and purposely played poor ball when the ex-giant was in the

Of course, this seems too foolish to ba believed, yet the playing of the team yesterday against Scranton seems to explain why the report originated. The Scrantons won as they pleased to the tune of 11 to 4. Had the Torontos played even ordinarily well the result would have been closer. To be sure, Scranton made a total of fifteen hits, including two doubles and a triple, but heart. He is not to be blamed, either: the playing behind him was very, very

T. Johnson pitched for Scranton until | but four hits. Score; near the close of the fifth, when his right hand between the third and fourth finger was painfully split by a bounder from Sippl's bat. Johnson re stired him at first however, but had to leave the box. He was substituted by Brown. Up to that time only three hits had been secured off him; he had struck out one, and sent one player to first on balls.

W. Johnson made a star, grandstand catch in the seventh. Luterberg hit a long drive to left center which both Brady and Johnson started for. Johnson brought it down by a jump and one-handed catch that elicited roun upon round of justified applause.

Brady was given four balls and Radford scored on a passed ball, Brady reaching second. Clark's hit filled the bases. On Demont's error Whitehead reached first, and Brady and Clark scored. W. Johnson made a hit and Winkleman went out from pitcher to first.

For Toronto in the seventh Meara made a double and reached third and home on Brown's two wild pitches. With two out Scranton scored twice in the eighth. Winkleman had reached first on a force hit, made second on Casey's poor throw and crossed the

SYRACUSE MAKES A WIN.

Defeats Providence in a Close but Fentureless Game.

Providence, May 9.-It was a good game of ball that the Syracuse nine put up as their first attempt against the champions, and they succeeded in coming off the victors by steady team work. The veteran pitchers Kliroy and Lovett handled the sphere and both did equally effective work with good support. The fourth inning was the only port. The fourth inning was the only cock, J. L. Rawlson, H. L. Van Arndt, exciting one. In this inning Providence
D. J. Dressleigh, E. T. Howe, R. B. obtained two earned and the stars three Brady on the bases in the eighth, earned. The game was won in the eighth inning by a blocked ball and an Davis, T. S. Richards, O. W. Blandin, error by Lovett, which allowed Minne W. Johnson made a successful bunt. han to cross the plate. A feature of the Winkleman struck out. Whitehead game was the sharp fielding of Murray, and Johnson came in on Smith's error Score; PROVIDENCE.

NATIONAL LEAGUE.

A close fight is on among the four leaders in the National pennant race. SWEET Baltimore in third place with only eleven games played seems the most dangerous competitor. Pittsburg has not made a runaway race of it, and by losing one game would be supplanted by Cleveland, if that club wins at the same time. Baltimore yesterday wor easily from the Pirates, as did Cleveland from the Senators. Philadelphi and New York have struck a winning gait and by defeating St. Louis and The Finest That Are Offered ouisville are tied in seventh position. Boston could not break Chicago's streak of success and Brooklyn got a ong tumble by losing to Cincinnati.
