Wow! Wow, wow!! That's the tune a little yellow dog sang as he ran away from the Base Ball park yesterwday, tore along Providence road and never stopped until he fell in a fit on the floor of President Betts' office. President owns the dog and sent him out to the park to be used as a lightning messenger. Some one was instructed to give the yellow dog a kick and send him home if in the eighth inning the Toron-

tos were winning.

The little yellow dog didn't wait for the eighth inning-he didn't wait for the kick,either. That yellow dog had heaps of sense; he dropped his tail between his two hind legs after the sixth inning, gave a loud yelp and sped cityward. He yelped louder and more frequently as his mad flight progressed, and when he reached President Betts' office he jumped through a 20-dollar plate glass window.

And the yellow dog cannot be blamed. The score was 13-1. It was It was a peculiar game. For the first

four innings only three Canadians were Donnelle at bat in each inning and not a one passed the initial bag. In the mean while seventeen Scranton men had bee at bat and had made their solitary ru of the game.

Beginning with the fifth, the Toron tos landed on Fox for four two-bag gers, a triple and a total of fourteer hits. It was a regular slaughter. Of Shaw, the Scrantons made only on double and a total of five hits. He wa a problem that was never solved.

The support by both the Scranton in field and outfield was superb, excepting Patchen, who, by more accurate throw ht have cut off stolen bases.

Scranton's run was unearned and was made in the last of the third by Radford. He reached first on Shortstop Demont's poor throw and made second on a passed ball. Ward and Brady flew out. Radford came home on another poor throw by Demont, which allowed Clark to reach first. Whitehead went out from third to first. The following detailed score best tells the story of how it happened:

Rev. M. H. Mill will tomorrow celebrate the third anniversary as rector of St. David's church, Jackson street, and will preach an appropriate sermon at the morning service. Mr. Mill has been singularly successful in his efforts to develop the work of St. David's church. When he was placed in charge three years ago, there were but 45 members on the church roll, and a debt of \$4,000 upon the edifice, which was also in an unfinished condition.

The first task undertaken by Mr. Mill was to reduce the large indebtedness, and having been encouraged by a donation of \$1,000 from John Jermyn and \$500 from Dr. B. H. Throop, all the debt was discharged in a very brief period, and sufficient money was also secured to warrant the finishing of the base-

While Mr. Mill has been industriously engaged in liquidating the church debt. he has not hesitated to call upon his congregation to expend additional money in beautifying the edifice, and in Mr. response to his invitation: thirteen stained-glass memorial windows have an eagle lectern, a litany desk, a pair of brass altar vases and altar lights, organized. A kindergarten has also been inaugurated and is accomplishing three years of St. David's church Ward, John Payne, Harry Palmer, affords a fair criterion of the brilliant George Mulley, John Guild and George future which awaits the rector ond people.
