## WILKES-BARRE.

[The Tribune has opened a branch of-fice at No. 28, Lanning building, Public Square, Wilkes-Barre, for the transaction of business. The publishers propose to extend the circulation of The Tribune in Wilkes-Barre and the surrounding towns, Wilkes-Barre and the surrounding towns, and to that end will present a very complete department of Luzerne county news. For success in this undertaking dependence is placed solely upon the superiority of The Tribune as a purveyor of all the news of the day—domestic, foreign, local, commercial and financial. The general interests of the people of Wilkes-Barre and the Wyoming valley will have in The Tribune an earnest advocate, editorially and otherwise. It is the purpose of the publishers to issue a newspapor as valuable to issue a newspapor as valuable to issue a newspapor as valuable throughout northeastern Pennsylvania from three to five hours earlier than the Philodelphia and New York papers can upon the publication of the sense of the people throughout northeastern Pennsylvania from three to five hours earlier than the Philodelphia and New York papers can upon the publication of the sense in a masterful manner, and his summing up for the commonwealth today will probably be one of his greatest efforts.

BICYCLE MEET.

Two Days of Racing-The Best to Be Here

Cyclists and others are looking forward with bright anticipations to the bicycle meet at West Side park June 25 and 26. Some of the most famous bicycle rides on the continent will be here, and the West End wheelmen will be sure to make the event one of the greatest pleasures to the lovers of this kind of sport. Wilkes-Barre is in the National racing circuit, and the races will be the best that can be seen anywhere. The prizes offered aggre-gate the value of \$2,500 and there will
