ERRATIC COLONEL BROWN.

Gave a Poor Exhibition of Pitching at Buffalo.

Special to the Scranton Tribune. Buffalo, May 16 .- Wadsworth, the ex-Louisville twirler, pitched his first game for the Bisons today, and was invincible. He struck out eight men, was found but six times and gave only three bases on balls. Added to his fine work was the splendid fielding of the homeclub and their terrific stick work. They made twelve hits off Brown. four of which were doubles and two triples. Besides being ineffective, Brown was wild, gave six men bases on balls and made two wild pitches.

If Brown had received good support the score might have been smaller, but the result would have been the same. Ward had four errors, and Radford, Whitehead and Rogers one each The tale of the slaughter is told in

Toronto, May 16 .- Wilkes-Barre made its appearance here today and was beaten in a great game by the Toronto club. It was a contest of much slugging and very many errors. Centerfielder Freeman, late of Detroit, made his first appearance and created a favorable impression. Three home runs were made during the game. For Toronto, Lake sent the ball over the left field fence, a feat that has been rarely performed on the Toronto grounds For Wilkes-Barre, Earl also sent out a four-bagger. It was a long hit and went over Freeman's head. The game was interesting on account of the closeness of the score until the ninth inning. Attendance, 800. Score: TORONTO.

SPRINGFIELD LOSES.

Syrncuse Wins the Game by Good Stick Work.

Syracuse, N. Y., May 16 .- Springfield lost her second game of the season here today by failing to find the leather at critical points. Callahan, in several innings, was pounded quite at will though he pulled himself together in time to prevent a still more crushing defeat. The base running of Syracuse was away below par, while Springfield's outfielders fairly covered themselves with glory. Lynch made two costly errors in the first inning. Attendance 2,000. Canada Will Lowis to Sustain a Dainful Gash on the Hand-Base Ball Leagues to Be Formed-Smoker of Robert Morris Lodge of Ivorites.

[The West Side interests of The Tribune have been placed in the hands of Emerson Owen, to whom all news announce

A report has been circulated that Will Lewis, the barber, cut his hand while carelessly handling a razor. Mr. Lewis says that the statement is false, and gives the following version of the accident: Tuesday night Tom Blair and Lemuel Jones, an employe, were "fooling" in the barber shop of the West Side Cigar store. Jones claims that Blair threatened or attempted to black the former's face with soot from a stove pipe. In revenge, it is said that Jones, who is a mere boy, opened a razor and followed his tormentor, with the intention of slashing him. Blair ran behind the chair of Lewis, who was sitting near, and as the infuriated boy was attempting to reach Blair with the open razor, the sharp edge of the instrument crossed Lewis' hand, cutting a deep

gash. Jones was seen and states that he was in the act of honing a razor when Blair approached with the soot. He threw up the hand which held the instrument to ward off Blair's attempts. and upon letting it fall to his side the razor struck Lewis' hand, which was resting on a chair.
