GREAT EXCITEMENT AND MARVELOUS CURES AT DR. F. B. SMITH'S PARLORS, 312 Wyoming Ave.

Read what Mrs. M. A. Brown has to say of her wonderful cure:

Mrs. M. A. Brown, residing at No. 733 Capatone avenue, when interviewed, made the following startling announcement: "About four years ago I contracted catarrhal bronchitis, which caused me great suffering."

With this I was taken with the grippe, since which the catarrhal bronchitis had been very much aggravated by catarrh of the head and throat. I also suffered with nervous prostration, and felt more tired on arising when retiring. I had severe pains over the eyes and all through my head. No one knows how I suffered.

After having tried any number of physicians and medicines, but to no avail, I had given up all hopes of recovery, when I was induced to go see Dr. Smith. I did so, and from the first began to improve rapidly.

This was three weeks ago, and today I am a well woman. I cannot express my gratitude but I heartily recommend any one suffering as I did to Dr. Smith. He will cure you." Dr. Smith will give free illustrated lectures and publicly heal the sick at Music Hall, Lackawanna avenue, every afternoon this week at 2 o'clock.

He will also deliver a free illustrated lecture to men only at Music Hall Sunday afternoon at 5 o'clock. Next week's lectures will consist of open lectures the forepart of the week. To ladies only latter part of week. Dr. Smith will cure all diseases of chronic nature that have been pronounced incurable. Consultation free. Parlors, 312 Wyoming avenue. Office hours, 9 a. m. to 5 p. m. daily except Sundays.
