STUCKS AND BONDS.

New York, May 23.-The stock speculation was irregular in its course today. At the opening the rallway list was inclined to advance. The fact that the Grangers' tocks have advanced despite the stories in regard to crops being damaged, is con-idered proof positive that there is very sidered proof positive that there is very little leasts for the sensational reports from the west. The feature of the speculation was the tremendous realizations in Distilling. Nearly 120,000 shares were traded in and the price declined from 25% to 20, the lowest point of the day.
