## COUNTY COMMITTEE.

Republicans Hold a Meeting and Appoint Sub-Committees.

Yesterday morning at 10 o'clock the Republican county committee of Luzerne county held a meeting in their rooms on North Main street. R. P. Robinson was chairman, and Charles M. Jeffrey secretary. The object of this meeting was to fix the time for the Republican county convention, and also for the district convention for nominating delegates to the state convention. W. B. Coons, of the second district, was elected general secretary of the county convention, to hold office in place recently resigned by Ahednego Reece, who recently moved to Virginia. It was decided to hold the county convention on Tuesday, August 6, and the district conventions, for electing delegates to the state convention, on the evening of Monday, August 5. The old custom of electing the delegates on the Saturday preceding the convention, will be again followed this year. The matter of electing delegates to the national convention was postponed until a special convention to be held after the county convention.

The following resolutions were adopted by the county committee in reference to the appointment of Judge Rice to the bench of the new appellate court, and it may be taken as an evidence of the feeling held toward Judge Rice by the members of his own political party:

Resolved, That the Republican county committee earnestly recommend the appointment of Charles E. Rice, president judge of Luzerne county courts, as one of the judges of the Appellate court.

Resolved, That the chairman appoint a sub-committee of three from each legislative and senatorial district to prepare and put in proper form for laying before the new appellate court, a report of the sentiment of this county in favor of procuring this well-merited promotion for our learned and honored president judge.

Resolved, That this committee will heartily co-operate with the bar committee, or other associations organized toward accomplishing Judge Rice's appointment.

Resolved, That a copy of these proceedings be sent to the senators and members from Luzerne county, and request that they join in securing this appointment.

Resolved, That the sub-committees appointed: First district—P. Robinson, chairman; Hon. M. B. Williams and Cyrus Straw. Second district—D. H. Day, E. W. Garrison, L. P. Holcomb. Third district—Dr. Dodson, P. Howard, Armstrong, L. C. Darte, Fourth district—John Liddiman, Dr. Chesberry and Owen Fowler. Fifth district, Charles Smith, John M. Jones and P. T. Norton. Sixth district—William T. Reed, C. E. Keck. Twentieth Senatorial district—Dr. J. Bennett, O. B. Mackintosh, H. H. Jones. Twenty-first Senatorial district—H. B. Kuntz, George J. Llewellyn, Hon. E. A. Coray.

## THE RICE BOOM.

A Great Effort to Be Made to Secure Judge Rice's Appointment.

Those who are interested in securing the appointment of Judge Charles E. Rice to the bench of the new appellate court have finally determined not to wait until he is creating the new court becomes a law, but to organize at once. At least three counties in the northeastern section of the state will be secured for Rice, by a place on the bench of the appellate court. They are Lackawanna, Luzerne and Northampton. Lackawanna may have two candidates, Judge Archibald and E. N. Willard; Luzerne will present Judge Rice and Judge Thompson; Northampton will present Judge Reeder. As there are to be seven judges it may be possible for the northeastern section to secure two, but it is not at all likely that two adjoining counties like Lackawanna and Luzerne and having similar interests and industries, would both be favored. Judge Reeder is supposed to have the inside track owing to the close personal and official relations existing between the Governor and General Frank Reeder, brother of Judge Rice, who has made a magnificent record as a common pleas judge, and would grace the bench of any court. Not only leading Republicans, but Democrats as well, are taking a lively interest in the Rice boom. His appointment would create vacancy on the common pleas bench, and Judge Woodward would then become president judge, with the official patronage thereto belonging.

The Democrats also hope to be able, under such conditions, to elect the new additional judge. This expectation doubtless accounts for the activity of at least some of the Democratic politicians, though many of them are doubtless actuated by a sincere desire to see Judge Rice promoted.

Death of Mrs. Rachel Garrison.

Mrs. Rachel Garrison, probably the oldest resident of this county, died on Sunday last in the eighty-third year of her age. Mrs. Garrison spent her entire life in the neighborhood where she died, and was noted for her kindly, ever ready sympathy. While suffering much physically for many years, her mental good nature and bright, quick intellect were never affected. She was one of the most widely informed women the Susquehanna valley ever produced. During the latter days of her life she kept herself thoroughly conversant with every question of interest before the public. Visitors at her pleasant home on one of the hillsides of Shickshinny never left this splendid old lady without feeling that they had been benefited by coming in contact with her strong, clear mind. While Mrs. Garrison had enjoyed only limited advantages educationally, in conversation she always impressed one with the idea that she must have enjoyed every possible advantage in the way of education, study and travel, so thoroughly was she informed on almost every topic. No less marked was she in her life as a

Christian. Kindness and charity were controlling elements in her everyday life. No harsh, unkindly or ungenerous word ever fell from her lips. She lived at peace with all the world during her entire long, busy and useful life. Her death was a sad loss to her family and to the community in which she lived. The funeral will occur at 1:30 this afternoon.

## A PRETTY NOON WEDDING.

Miss Emily Broadhead United in Marriage to Robert H. Honeyman.

A large and fashionable audience filled St. Stephen's church yesterday, at noon, to witness the marriage of Miss Emily Broadhead, of this city, to Robert H. Honeyman, of New York. At 12:30 o'clock the bride and groom, accompanied by the bridesmaid, Miss Abigail Butler, were dressed in white and white kid gloves. They were Douglas Blanton, Mauch Chunk; William R. Angel, of New York; A. L. Broadhead, of Mauch Chunk; and Paul Honeyman, of New York. The bride entered the church accompanied by her father, Daniel D. Broadhead. She wore a handsome gown of white satin, with tulle veil, and carried a bouquet of white roses. The groom was in a suit of blue, with a white shirt and a white bow tie. The ceremony was performed by the Rev. Dr. Henry L. Jones officiated, the ceremony being closed with the Lord's prayer and benediction. After the ceremony a reception was held at the home of the bride, Mrs. Daniel D. Broadhead, 125 North Main street. The bride's friends and relatives. The decorations at both church and home were very beautiful, the rooms of the home being decorated with roses and white flowers. The bride and groom were seated at a table with the bridesmaid and groomsmen. The music was also a feature, Organist Wilcox playing Chopin's nocturne in F minor during the ceremony, and the Mendelssohn wedding march at the close.

## A PECULIAR COMPLICATION ARISES IN THE SCHOOL BOARD.

A short time ago allusion was made in these columns to a possible complication that might arise with reference to the election of the school board. Heretofore a member of the board has been elected under a law enacted some forty years ago. A later act of assembly has been discovered which appears to repeal the older act, and under which a person not a member of the board must be elected secretary. At the meeting of the board on Monday an attempt was made to elect a secretary. The board divided equally, three voting for Dr. Butler and three for George W. Anderson, who is a member of the board. Several ballots were taken, but the result was always the same—three and three—each of the candidates voting for himself.

## ELECTING A SECRETARY.

Then the members entered upon a discussion of the two acts of assembly alluded to, and finally all agreed upon a course of action that will solve the problem and enable the board to act intelligently and legally in the election of a secretary. The line of procedure is to procure an injunction from the court restraining it from electing one of its own members secretary. In this way the question will be brought before the court, argued by act and con, and a legal decision secured. The president, Mr. Hodge, united in the plan, as did all members of the board, and so as to enable the board to organize within ten days, as provided by the act of assembly.

## THE MINOR PRIZES.

## A PRETTY EVENING WEDDING.

Walter Gaston and Miss Mary H. Lynch Married Last Evening.

Last evening at 8 o'clock, Dr. F. Hodge officiated in the marriage of Miss Mary H. Lynch and Walter Gaston, both of this city. The church, which was beautifully decorated for the occasion, was well filled with representatives from both sides of the water. The bride was in a gown of white satin with tulle and carried a bouquet of white roses. The groom was in a suit of blue, with a white shirt and a white bow tie. The ceremony was performed by the Rev. Dr. Henry L. Jones. The bride and groom were seated at a table with the bridesmaid and groomsmen. The music was also a feature, Organist Wilcox playing Chopin's nocturne in F minor during the ceremony, and the Mendelssohn wedding march at the close.

## A SERIOUS RUNAWAY.

A Scorpion Bottler Gladly Hurt in an Upset Yesterday.

Yesterday afternoon about 1 o'clock a team of spirited horses, drawing a wagon loaded with soft drinks, got beyond the control of the driver, beyond Mehan's hotel, and ran away at a furious speed down the hill. The driver, William Mittenman, made every effort to stop them, but in vain. At the corner of Market and Hancock streets the horses swung sharply to the left. The wheels of the wagon caught in the tracks of the electric road and the wagon was upset. Mr. Mittenman was thrown out, and the wagon fell on top of him, pinning him down with the springs of the seat resting on his head. When the wagon upset the horses plunged wildly and tried to drag the wagon after them, but they made small progress, and were soon caught by onlookers, who tried to quiet them, while others raised the wagon and lifted out the bleeding man in form of the driver. He was carried into a neighborhood store, and soon after taken to the hospital in an ambulance. He is a man 65 years of age, and lives in Scranton, where he does a bottling business. He was on one of his semi-weekly visits to Wilkes-Barre yesterday.

It is hoped that the citizens will do their utmost to assist the band.

It is a great wonder that some one or even more persons do not combine, and wage war against the supervisors of Union township, or whoever is responsible for the bad condition of the public road on this side of the river, between here and Hunlock's Creek. It is a disgrace to any civilized community.
