great sympathetic nervous system, lacera-tions of the womb, perineum and luc-

orrhea also exhausts this great system

of nerves in like manner. Chronic in flammation of the throat with enlarge

nent of the tonsils, together with a con inual discharge of pus from the ears produces an exhaustion of this great sys-

me of nerves. Recently a young lad, supposed to be in the last stages of con-sumption, was taken to Dr. Smith. He

suffered from a dry, hoarse, croupy cough, worse on arising in the morning. He had violent chilly fevers and night sweats,

and had wasted away until he was a mer-

skeleton. On making a careful examina-tion Dr. Smith discovered that there was

a profuse flow of pus from both ears. The mother stated that when a child he took

severe cold while bathing, the ears gath

ered and broke and had continued to discharge pus ever since. A short time after the discharge commenced he suf-fered also from a hoarse croupy cough, and both had since continued. Dr. Smith

cured the discharges of the ears and the cough instantly ceased. The lad began to gain in flesh and resume his former health

and today he is perfectly well. Epilepsy, deformities, curvature of the

oine, superfluous hair and birthmarks

ositively cured without pain or detention rom business. Stricture, gleet, primary

James Rutherford has purchased of was 425,973 tons, of which 322,190 tons were coal and 93,783 tons coke. The total ton nage for the year thus far has been 8,798, 746 tons, compared with 5,769,236 tons in the

coal, an increase of 1,989,395 tons, and 2,232

another Odd Fellows' lodge in this 726 tons coke, an increase of 1,100,115 tons. Philadelphia Inquirer: "The antharcit coal magnates have evidently concluded that a waiting policy will carry them out of all their difficulties, for they are holding down the production and are doin daughters, Mrs. Charles Gardner and Mrs. Ada Van Fleet, both of this seems to be the programme of the Jersey Central-Delaware - and Hudson-Lackawell. Walting is often good policy. A good The thermometer registered at 98 degrees in shade on Sunday at 2 o'clock, and every day since at 92 degrees in when in reality they were quite dumb and shade at this place.

Dr. D. A. Capwell and wife, of Scransome favorable circumstance would de to destruction, but an exceptionally lat-spring that caused an increase of 25 pe been ruinous. Now if they can hold o until the season's trade starts up in Au visited his parents a few days last until next year. The truth is every inter est is eager for peace and this feeling man

Health All Gone

Unequal to Family Duties--No Appetite

Hood's Sarsaparilla Cave Strength \$4.65 Is our price for blue and black, also light and Courage to Work. "I was in such condition I could not walk even about the house to attend to house hold duties and care for my chil-

dren and family. I did not have the strengthof a child. I was treated by several physicians, who pronounced my trouble Scrofula and Female Weakness, I could eat only a slice of bread and drink a cup of tea, three times a day. Sometimes I could stand

Mrs. John Hase times I could stand Oran, N. Y. a soft boiled egg for dinner. I became reduced to skin and bones; at last they had to draw me about the house seated in a rocking chair. I was in a terrible state when my husband, having noticed advertisements of Hood's

ood's Sarsaparilla m

by Officer Brown and taken back to headquarters. An animal of the above species is rarely seen in Honesdale.

Jacob Ohmer formerly in the emone bottle I received sufficient benefit to know that I had at last found the right medicine. I have now taken several bot-tles and am able to

Attend My Housework. In fact, I am on my feet about all day, and can go up stairs easily. I cannot say enough in praise of Hood's Sarsaparilla." Mrs. John Hase, Box 92, Oran, N. Y.
