WORK OF THE LEGISLATURE

Resume of Business of the Past Winter at Harrisburg.

BILLS APPROVED BY GOVERNOR

List of Important Measures Considered by the House and Senate and the Fate of the Bills-An Office. Creating Body.

Harrisburg, June 9.-The legislature NEVER WERE DAINTIER OR which closed up its affairs yesterday PRETTIER THAN THEY ARE THIS disposed of a great deal of business. It was a session in which there was OF THE CHOICEST THINGS; BUT much discussion upon almost every AT LAST WE'VE SUCCEEDED IN measure of importance. The principal measure of importance. The principal bills that passed finally, and which were the subjects of the warmest debate, were the Marshall bill, repealing Matchless for beauty, the pipe line law; the Farr compulsory distinct in styles, and education bill; the Smith religious garb bill; the Woods water works bill; the Exclusively our own, bills allowing traction companies to consolidate and lease competing lines; the bill creating a Superior court, and those making uniform policies of fire insurfor the making of a greater Pittsburg. About 1200 bills were introduced. Of these 587 have gone to the governor. He has signed 112, vetoed 25 and has 450 to decide upon in the next thirty

The legislature will go down into fame for creating more new offices than any other in the history of the commonwealth. The legislation of this character was the act reorganizing the banking department and increasing the salary of the commissioner to \$6,000; increasing salary of the adjutant general from \$2,500 to \$4,000; creating the office of executive clerk, and providing for the appointment of two additional janitors for the senate; creating the department of agriculture for a term of four years, with a salary of \$4,000; a deputy secretary at \$3,000, to be director of Farmer's institutes; also dairy and food commissioner, economic zoologist, forestry commissioner and state veterinarian, with salaries of TERNS LIGHT AND GRACEFUL. State veterinarian, with salaries of AND IF EVER THERE WAS AN \$2,500 each, and a clerk at \$1,500 each; and a clerk a AND IF EVER THERE WAS AN IDEAL SUMMER FROCKING, THIS creating the office of deputy auditor SURELY FILLS THE BILL IN EV. the salary of the superintendent of public buildings and grounds from \$1,400 to \$3,000; authorizing the election of two additional transcription clerks, a bill clerk and two additional doorkeepers of the house; increasing the number of factory inspectors from twelve to twenty, at a salary of \$1,400 each; authorizing the employment of two addi- mously; tional draughtsmen in the department of internal affairs to copy old reports

and surveys, and increasing the salary of the deputy secretary of internal affairs to \$3,000; establishing a state board of veterinary medical examiners, ensist of five members whose expenses are to be paid from fees; creating a commission to consist of three senators and three representatives to Omaha, in mass meeting assembled, demake inquiry and report to the next nounce the action of said court as arbilegislature the best method of utilizing convict labor so as not to interfere with the confidence of the masses in the integlegitimate industries; establishing a live stock sanitary board to consist of the governor, secretary of agriculture, state dairy and food commissioner and the state veterinarian; establishing a

separate orphans' court in Schuylkill

Bills Approved by Governor. Some of the most important bills approved by the governor follows: Making it a misdemeanor punishable by a fine of \$100 or imprisonment not exceeding one year to wilfully or wan-tonly raise a false alarm of fire; fixing the number of councilmen to be elected IN THE PRINTED EFFECTS THE the boroughs at seven, they to be elect-VARIETY IS COMPLETE. ed for a term of three years; authorizing judges during vacation or when court is not in session, to approve bonds of railroad and canal companies for land damages; authorizing notaries public, prothonotaries and clerks of courts to administer oaths and take was terribly mangled. Mr Williams affidavits in divorce proceedings; abol-TAIN ALL THEIR DELIGHTFUL ishing the law of 1772, by striking out SOFTNESS, WHILE ADDED TO the provision requiring the kissing of THEM IS A RICH LUSTROUS the Bible in the administering of oaths, so that hereafter all swearing will have to be done with the uplifted hand or the ING COULD BE MORE SUITABLE, laying of the hand on the Book; au-AND AS WE NOW SHOW THEM IN | thorizing county commissioners to erect ALL THE LEADING SHADES, ALSO and maintain a suitable monument at BLACK, CREAM AND WHITE, the county seat in memory of the sol-THEIR RANGE OF USEFULNESS diers and sallors of the late war; punishing pool selling, the receiving or transmitting of bets by telegraph or Among other Cloths aiding in pool selling or betting; authorizing county commissioners to ap-

the public; to allow copies and ab-

ence docket open for the inspection of

stracts of the same to be made for publication in newspapers and providing a penalty of \$50 to be levied on such officials who refuse to fulfill the obligations of the act. There was a vast amount of important legislation killed. From a political standpoint the most important were the congressional, senatorial and legislative apportionment bills and the various propositions to amend the ballot law. In the closing hours of the session the revenue bill framed by the state tax conference and the Cochrane bill taxing brewers 24 cents a barrel of

thirty-one gallons falled in the senate after having gone through the house. ARE THE LATEST OF ALL THE In the way, of railroad bills there were FLIMSY FABRICS, AND THEY'RE killed measures providing for a re-AS PRETTY AND DESIRABLE AS duced fare of one cent to persons who are compelled to stand in street cars; making the uniform railroad fare 2 cents a mile; regulating the Pullman ear service of the state, and compelling companies to post at their staions a time card announcing all de

Liquor Lecislation.

In the way of liquor legislation a number of bills which were introduced for a purpose were killed. Some of the legislation of this character was the legislation of this character was the c which prohibited the wholesalers the engineer.

from sellling less than a gallon of malt, spirited, or brewed liquors; the graded ense bill which was proposed to suspend the Brooks high license law; the Gould bill making it a misdemeanor for minors to wilfully misrepresent their age to procure intoxicating liquors, and the bill to prevent the sale or gift of intoxicating liquors on Memorial Day.

On the other side was the Penniwell ocal option bill, which was defeated. Among the other bills defeated was the Smith school fund bill which provided for the distribution of the school fund on a new basis, which would have cost the city of Scranton upwards of \$15,000 and other cities of the state in like proportion. The bill passed the house and was killed in the senate committee on education. The bill to establish a department of charities, which would stage as Emily Lytton. The shooting have established uniform rules for state charities and recommend appropriation, also fell by the wayside.

The bill known as the Seanor meat bill, which proposed to compel the state charitable institutions to purchase meat that had been slaughtered in the commonwealth and none other was killed. Other measures defeated were bills for the purchase of school gez, 12 years of age. books at publisher's prices; ceding jurisdiction to the United States govcreating the office of state fire marshal, ance and the judges' retirement bills.

BALTIMORE'S BIG FIRE.

One Hundred Persons Rendered Homeless by the Conflagration-Loss \$125,000

With Very Little Insurance. Baltimore, June 9 .- One of the most disastrous Sunday conflagrations that Monument street today. One hundred persons were rendered homeless and

\$125,000 went up in smoke. The fire broke out a little before 11 o'clock in the planing mill of A. Storck dwellings. Ten houses adjacent on rear, were gutted, the burned area covering over 1,000 square feet. The planing mill with its valuable machinery and thousands of dollars worth of valuable material, and the yard contained over 100,000 feet of lumber, were wiped away by the flames. There was but little insurance on the houses or their contents. Storck & Co. were insured for

CONDENSED STATE TOPICS.

Miss Cora Wood, assistant postmistres at Conneaut Lake, has been arrested charged with embezzlement of \$347. The annual commencement exercise of State college began resterday with the preaching of the baccalaureate sermon by Rev. James R. Breed, of Pittsburg.

Murder and Suicide Averted by

Plucky Little Girl.

Raby Synott Catches Her Father's Arm and Saves Her Mother's Life-Sho

Then Buffles the Attempt of Emmett to Shoot Himself. San Francisco, June 9 .- J. K. Emmett, the actor, made an attempt last night to murder his wife, who is known on the

occurred a short distance from their temporary residence in this city shortly Emmett had been indulging in strong drink, and after his wife returned home a quarrel ensued. When the shooting occurred there were very few people on the street, and the best account of eye witnesses was given by Frank Ber-

The couple had evidently been practicing upon their mandolin and guitar, ernment over the Gettysburg roads and for only a few minutes before the first sign of trouble appeared, the music of these instruments was heard in Emmett's apartments. Suddenly the front door was thrown open by Mrs. Emmett, who pushed their little 8-year-old protege, Baby Synott, out on the front

porch ahead of her.
"I will shoot you; I will kill you." yelled Emmett, who was in the front

"No you won't," answered his wife as she closed the door, and, hastily inever visited this city occurred on East serting the key, snapped the lock. Pushing Baby Synott aside Mrs. Emmett ran along the sidewalk. Emmett rushed to the front door and started to spring to the ground, a distance of six feet. In doing so his foot caught & Co. The flames spread to the lumber and he fell in the garden. In his hand yard adjourning and then to several was a revolver. Springing to his feet he started in pursuit of his wife. She East Monument street and nine resi- saw her husband and the revolver and dences on North Front street, in the with a scream, redoubled her flight. She cried loudly for help as she ran.

An Eight-Year-Old Heroine. At this point Baby Synott, hearing Mrs. Emmett's cries for help, joined in the race. Near the corner Emmett caught up with his wife and fired. With a scream Mrs. Emmett fell to the sidewalk. He advanced toward his victim as though to shoot again, but as he leveled his pistol the child seized the hand that held the weapon. The actor paused and looked at the little one in astonishment, for he had not seen her before. He pushed her from him, stepped back and placed the muzzle of Omaha, Neb., June 9.—At a mass his weapon against his temple. Baby meeting of laboring men held last night Synott again sprang upon the would-be murderer, seeming to climb up his limbs. In an instant the little hand was gripping the barrel of the pistol, United States has denied Eugene V. Debs. which she pushed away from his tempresident of the American Railway union, ple. She clung to his arm so that he could not use the weapon again. Emmett stood for a moment as if bewildered, and then threw the weapon into a garden. Then the 8-year-old heroine fell to the sidewalk in a faint. Bystanders quickly gathered and one picked up the child. No one would touch the man, who walked up the street and sat upon his doorstep until an officer arrived. Mrs. Emmett was assisted to the receiving hospital. The police stated that Emmett was undoubtedly under the influence of liquor. Mrs. Emmett, at the hospital, protested against the doctors probing and insisted upon leaving the hospital. Final-

ly she consented to allow them to probe if they would desist when she cried Dr. Redding probed but was unable to find the bullet. It had glanced upward along the bone and had in all probability lodged under the skin in the scalp. In answer to questions she said her husband had struck her inside the house with the butt end of a re- His boat lies off the Battery. She has a volver, and she ran into the street. He followed her and pointed the pistol at

and the bullet went into the air. When told she would have to remain in the hospital, she refused to do so, and she was allowed to leave.

A San Francisco Girl. Mrs. Emmett is a San Francisco girl and made her debut in this city several years ago as "Mina" in "Little Lord Fauntelroy." According to a friend's story, Emmett and his wife have not lived happily together since they arrived in this city, and their quarrels drove Emmett almost crazy at times. tomorrow publish a Shanghal despatch Mrs. Emmett is also said to have caused him to put all property given him by his father into her name. Ac-French and American missions at cording to the same informant, she has lived extravagantly, and Emmett now Chinese admit that telegerams have has little ready money. It is said his been stopped by government orders. most intimate friends were not at all surprised that he tried to take the life of his wife.

Other friends take an opposite view and state that the fault is on Emmett's is in a state of anarchy, the rival fac side; that he was abusive to his wife.

Emmet Takes the Pledge. Mrs. Emmett is tonight entirely out of danger. The operation disclosed the fact that the bullet had not entered the head. The hospital physicians stick to the theory that the wound was made by a bullet. Emmet claims the entire affair is a blank to him. He immediately took the pledge and says he will never drink another drop. There was an effectionate scene between Emmett and his wife after he was released,

CUBANS FIGHTING.

Rebels Are Gaining Strength and Confi

dence Daily. Santiago de Cube, May 29.-The rebels seem to feel themselves very strong. Yesterday about 500 came to the city Kalamazoo, Mich., June 3.—Fire this afternoon destroyed the lumber yard and and took eighty beeves away with them, without being molested. They appeared again this morning, but the Spanish troops to the number of eighty were waiting them and a fight ensued The government sent 150 soldiers reinforcements. The fight lasted some hours, the Spanish losing five killed and

at Sandy Hook Proving Grounds. New York, June 9.—Successful tests of the murderous Mazim automatic before the ordnance board. The gun heavier guns the barrels are kept cooled by water jackets. Thirty-eight grains of smokeless powder are used in each 5 cartridge. While in action the gun

costs \$24 a minute for continuous automatth firing. Supposing the gun to be packed and upon a soldier's back, one test was to ascertain the time it would take to prepare the gun suddenly for firing. Mr. Huber was the soldler, with the gun dismantled and stranged in its case upon his back. In less than fifty-eight seconds from the giving of the word he had the gun in position and was firing at the rate of 500 shots a minute. The accuracy seemed to be fully as wonderful as the extraordinary rapidmatic rapid firing the gun would last for about 50,000 rounds at the rate of 690 a minute.

MOURNING FOR WRONG MAN.

Funeral Services Interrupted by a Discovery of Misinken Identity. Cleveland, Ohlo, June 9.-A hymn was ung over the supposed remains of Henry C. Glassman yesterday after noon when the undertaker walked in LACKAWANNA AVENUE and informed the mourners that they were weeping over the wrong corpse. Glassman disappeared more than two weeks ago. A body was found in the H. A. KINGSBURY, river which was identified as his, but it transpired later that it was that oif John W. Linson, of Stratford, Ont. The funeral broke abruptly off, and the

man has not been heard of yet. His wife had paid for the coffin. MAD BOHEMIAN LOVER.

body will be sent to Canada, Glazs

He First Shoots Mary Vohlidka and Then Kills Birmsett. New York, June 9.-Charles Hrabak, a Bohemian laborer, committed suicide in the hallway of 328 East Seventy-fifth street yesterday afternoon, after attempting to murder Mary Vohlidka who lives at 492 East Seventy-fourth strest. He shot himself in the breast

and died instantly. The woman had refused to live with him. He threatened several times to murer her, and yesterday when she saw him draw a revolver she fied. Two bullets were sent after her, but only one

struck her, doing little harm.

SHE HAD A DIVORCE. When Hahn Came Home to Supper Mrs.

Habn Told Him to Leave. Bridgeport, June 9 .- When Frederick Hahn, a barber, returned to his home last night he was informed by his wife that she had a divorce from him, and that he was not wanted there. She had a copy of the decree to back up her

words. Up to that time Hahn and his wife had been living together, and he says he never suspected anything of the kind until he was ordered to get away. Hahn says he will make a motion t have the case opened, as he never had

notice of the trial. REPROVED BY THE QUEEN.

Prince of Wales Admonished That He Should Have Observed Whitsuntide, London, June 9 .- It is said that the prince of Wales has got into trouble with his august mother by visiting the Whitepraids exhibition of paintings at the Guild hall and afterward dining with a city sheriff.

The papers announce that the prince's action inclied the queen to gend him a long telegraphic reproof. SURVEYORS KILLED.

They Are Sho: Down in Cold Blood by Chicknenws. Denison, Texas, June 9 .- A party of rovernment surveyors at work near Little Boggy, in the territory, were attacked by Indians fast Wednesday. The

surveyors were clearing away brush to The Indians, believing them trespassers, shot them down in cold blood. The murderers are full-blood Chicka-

WEATHER REPORT.

For eastern Pennsylvania, increasing

Bernid's Weather Forceast. New York, June 9.- New York Herald to secure possession of some documents that he knew were in the room. The murderer tried to efface all traces of crime by setting the place on fire, and haze on the coast. On Tuesday in both of haze on the coast. On Tuesday in both of if he had not left the window open he would probably have succeeded and the woman's death would have been accepted as the result of accident.

At the inquest it was brought out haze on the court. On Tuesday in both of these sections, cooler, cloudy to parily cloudy weather will prevail, preceded by rain, possibly followed by frosts in the northern districts, and on Wednesday cooler, clearing weather.
